

# Legion Clubs Busy; CP Studs, Roseburg Clash at White City

All seven members of Area 4's Southern division will be busy this afternoon in American Legion junior baseball.

There will be a total of seven games on four fronts with three doublebills planned. Three games will count in division standings.

Game closest at hand for residents of Bear creek valley will be a non-league twinbill at Memorial field, White City. Central Point Cheney Studs will host Roseburg of the area's Northern division.

League play will have Medford at Klamath Falls Hawks, Klamath Falls Falcons at Grants Pass and Ashland at Tri-City. Doubleheader are set for Klamath Falls and GP.

Starting time for tussles is 1:30 p.m.

Studs Manager Bill Ask-

with said that pitcher for the opener this afternoon against Roseburg will be either Larry Mason or Bob Corliss. The one not going in the first game will go to the hill in the second. Wayne Clay will be on hand for relief. Choices of Roseburg Coach Bill Harper could be from a half dozen or more - Ron Westbrook, Dick Williams, Jon Burnham, Rick Cool, Jerry Boucock and Darrell Cellars.

Darryl Summerfield, Studs' catcher, is to leave today for Boys' State at Corvallis. Mike Glines, infield veteran who has played mostly at second base for Central Point, is slated to handle the receiving chores this afternoon. Pat Pepper is expected to be back with the Studs and is ticketed for third base. At second it's a choice between Mike Anhorn and Neil Ribenburgh.

Central Point will be host to Ashland for a non-league game on Monday at the fairgrounds ball park. Askwith said that Neal Ellis is the probable pitcher. Game time will be 8 p.m.

# SPORTS

SHINES AS SHOOTER - Ten trophies in just a little over a year of trapshooting is the record of Mike Drake, 14, Gold Hill, member of Medford Gun club. He won the state junior handicap title this year. - (Routh photo).

## Gold Hill's Mike Drake Shines as Trapshooter

Gold Hill - When Mike Drake, 14-year-old Gold Hill youth won the junior handicap state championship plus the junior 16-yard runnerup trophy in the Oregon State trapshoot at Portland Gun club earlier this month, he brought to 10 the number of trophies he has won in the shotgun sport since April 1962.

Mike is a member of Medford Gun club and a spokesman for that organization declared that the record he has achieved is outstanding because he has been shooting for only a short while. Usually several years of shooting is involved in getting into the higher class of competition.

Young Drake has shot more than 7,000 shells since he joined the gun club. He reloads his own shells.

Mike won his first trapshooting award when he was 13. He took the high junior cup in the Southern Oregon shoot in 1962. In the state shoot at Medford last year he was runner-up for the sub-junior title.

Other shoots entered and

trophies won by Mike include the high junior at Klamath Falls last August, Roseburg in January and April of this year and in the Mail Tribune shoot last May and first in Class C (against adults) in the Medford spring shoot and the Southern Oregon here, both in March. His 99 out of 100 in the Southern Oregon 16-yard event was high for all classes.

Drake says that he owes much of his success to past-president Myron Andrews of the Medford club and to other members of the club who have helped him with instruction, advice and good wishes.

Mike is the son of Mr. and Mrs. E. R. Drake. He will be a sophomore at Crater high school next fall. He has resided all of his life at Gold Hill.

The youth's interest in guns started as most children's do when he was a small boy with the usual cap pistol type of gun. He received his first real gun, a 20 gauge shotgun, as a gift from his parents for Christmas in 1961. He now has three guns. Guns and shooting are his favorite sport.

He also likes to fish and do woodworking. Football is his favorite athletic game. He played on the Hanby Husky squad while in elementary school and at Crater high last year during his freshman year.

Mike also was among Gold Hill young people who qualified for their hunter's safety course certificates when instruction was given here.

E. Dukeshire 224, K. Schultz and L. Long 207, B. Nelson 200; Four Pins 1951.

## National League Roundup

# Cards Edge Dodgers, Keep Slim Lead; Giants Also Win

United Press International  
Charlie James' sixth inning home run led the St. Louis Cardinals to a 2-1 victory over the Los Angeles Dodgers Saturday and allowed the Redbirds to hold their slim half-game National League lead.

Bob Gibson, who gave up a second inning homer to Tommy Davis for the Dodger tally, picked up his sixth win of the year although he needed help. He allowed seven hits, struck out five and walked one batter in 7 2/3 innings.

The San Francisco Giants kept pace with the Redbirds as veteran southpaw Billy O'Dell tossed a two-hitter at the Milwaukee Braves, for a 3-0 verdict and his 10th victory of the year. The Giants used three consecutive singles in the sixth inning to get O'Dell his first run and Ed Bailey singled home two more insurance runs in the ninth off Hank Fischer, who had relieved loser Bob Shaw.

The streaking Cincinnati posted an identical 3-0 decision over the Houston Colts as righthander John Tsitouris pitched the Rhinelanders to their fifth consecutive victory and moved them into the thick of the pennant race.

Bob Friend of the Pittsburgh Pirates, who is normally in complete control of the pitching situation, surrendered his first walk in 47 in-

nings, but survived that traumatic experience to register his third shutout of the year in a 3-0 victory over the Chicago Cubs.

Hard-luck Roger Craig pitched another excellent ball game, but all he got for his efforts was his ninth straight loss and 11th of the season as his New York Met teammates were whitewashed by Philadelphia's Ray Culp 2-0. Craig gave up only one run in the eight innings he worked, but Culp, the senior loop's outstanding candidate for rookie of the year honors, did him one better. The Phillie freshman pitched a five-hitter and struck out 11 to raise his sea-

son record to 9-5.

## Burleson Shatters Meet Mark

St. Louis - (AP) - Dyrrol Burleson of Oregon shattered the meet record Saturday in upsetting America's distance king, Jim Beatty, in the one-mile run in the national AAU track and field championships.

Burleson was clocked in 3:56.7 as he held off Loyola of Chicago junior Tom O'Hara by a step.

Cary Weisiger, a Marine first lieutenant, was third in 3:58.5 and Beatty ended up fourth in 3:59.2.

Husky Al Hall tossed the hammer 214 feet, 11 inches to win the final in that event.

Hall's nearest opponent was George Frenn of the Pasadena Athletic club at 198-10, followed by Ed Burke of the Santa Clara Youth Village, 194-2.

In the 440-yard run, Ullis Williams of the Southern California Striders turned in a 45.8 time to nip Adolph Plummer of New Mexico university, 45.9, with Lester Milburn, Texas Southern university (46.4), Ray Saddler, Texas Southern university (46.4), Ron Freeman, Southern California Striders, (46.6) and Charlie Strong, Oklahoma State (46.9), trailing.

Bill Crothers of Canada equaled the American record of 1:48.8 in winning the 880-yard final. Crothers finished three yards ahead of Jim Dupree of the Los Angeles Striders.

In the three-mile final, Pat Clohessy, an Australian competing for the Loughorn (Texas) Olympic club, turned in the winning time 1:40.4, finishing 20 yards ahead of Jim Keefe of Central Connecticut State Teachers college.

## Yankees, White Sox Twins Win Games

United Press International  
The Yankees rattled five hits off Boston relief wizard Dick Radatz Saturday for a 6-5 victory in the first game of a day-night doubleheader with the Red Sox.

Though he was not charged with the loss, Radatz will pitched one run across, gave up another on a Hector Lopez double in the Yankee seventh and was tagged for what proved to be the clincher in the eighth.

New York climbed on the big Boston reliever for successive eighth inning singles by Bobby Richardson, Tom Tresh and Roger Maris, the latter a perfect bunt that drove in the run.

Relief artist Jim (Author) Brosnan saved young southpaw Gary Peters' fourth victory as the Chicago White Sox defeated the Cleveland Indians, 2-1. Ron Hansen and Tom McCraw drove in the Chicago runs with doubles, while Willie Tasby's homer provided Cleveland with its lone tally. The victory was Peters' fourth in seven decisions. Jim Grant lost his seventh game.

Two homers by Zoilo Versalles and another by Vic Power gave Minnesota all its runs in a 3-1 victory over Baltimore. Bill Dalley turned in a brilliant fireman performance when he relieved Twins starter Jim Perry in the eighth inning with men on first and third and one out and retired the side. Perry was hit by a line drive and had to retire. He was credited with his seventh win. Mike McCormick suffered his fourth setback.

Washington was at Los Angeles and Detroit at Kansas

**WHEELING!**  
By Carl Sander

Last time we wrote in this column that it's wise to take it easy if you're on a long, over-the-road trip. I'd like to make that point again. It's good sense to follow the experts, and some of the big-rig truck drivers have rolled up records of millions of miles driven without a mishap. This isn't just chance. They follow the rules. They never pass if there's even the slightest possibility that an oncoming car will catch them on the wrong side of the road. Remember that the cars these days are traveling at a much greater speed. If there's a speed limit on the road you're driving, pay attention to it as these signs cost too much money to waste and they're there for a reason. Keep in mind that mountain driving is different and if you're not used to it, make sure you drive during the day time.

When you're planning your trip, be sure your car is serviced by experts with the BEST products.

When your family's life is in your hands, don't depend on less than the best. Call 772-9017 for FREE pickup and delivery or drive into 700 E. MAIN for fast, efficient service.
