

**PROBLEM SOLVED**—The heat wave in Ottawa, Ont. soared to its second consecutive record high when the thermometer hit 90 degrees. It didn't seem to bother Debra Anne Bartlett, 3, who spotted grandpa watering the lawn and decided to solve the heat problem in her own way. (UPI)

**Area Law Officers Cited by Magazine**

New York-Ashland's police chief and an officer of the state police, Medford detachment, have been cited by a national magazine for their work in a murder case.

The editors of True Detective magazine have presented the publication's Distinguished Service Award to Police Chief Herbert Hays and Detective Sgt. Russell Brendle.

Chief Hays and Sergeant Brendle are cited for their work which led to the arrest of a suspect in the April 27, 1963, death of Russell Osborn, 49, owner of the Varsity theater in Ashland, who was found shot and strangled to death in his home.

An account of the case, titled "Murder After the Movies," appears in the August issue of True Detective.

The magazine award cites Hays and Sergeant Brendle "in national recognition of their achievement in the highest traditions of law enforcement."

**\$3,326 in Benefits Goes Unclaimed by Injured Workmen**

Salem—A total of \$3,326.25 in workmen's compensation benefits involving checks mailed, never returned or not cashed, or checks that have been returned for insufficient address, are presenting a problem to the State Industrial Accident Commission.

Unless the checks are claimed or cashed soon, workers may lose the benefits to which they are entitled, according to the division of information of SIAC.

**Keener Receives High Moose Degree**

John W. Keener, Medford, was awarded the highest degree of the Loyal Order of Moose at a ceremony Saturday, June 15, in Mooseheart, Ill.

Keener, a member of the local Moose lodge for many years, was awarded the Pilgrim degree of merit for his outstanding service.

The local Moose Pilgrim honoree was one of more than 180 Moose members from the United States and Canada to receive the degree. Only about one out of every 5,000 Moose members can receive the degree each year.

**41st Infantry to Note Anniversary**

Gearhart—Nearly 700 41st Infantry division veterans of World War I and II will arrive in Gearhart July 5 to celebrate the anniversary of the division's first landing on an enemy beach head during World War II.

Members of the unit plan to attend from all over the United States to renew friendships and reminisce of the division's history-making South Pacific campaign, according to Art Furtig, Astoria, planning committee chairman.

The Gearhart hotel overlooking the Pacific ocean will be the headquarters for the three-day convention.

At the outset of World War II, the division was one of the first units to be ordered overseas. Four years of heavy fighting took it from the Pa-

cific Northwest to Australia, through the cauldron of New Guinea, back to the Philippines and then island hopped to Japan.

Often called "Uncle Sam's Fightingest division," the unit covered Oregon, Washington, Montana, Idaho and Wyoming.

Activities at the reunion will include a clam feed on the beach and off shore salmon fishing excursions, plus tours of the scenic northern Oregon coast.

The former Camp Clatsop, the training base for the division's troops before they went overseas, is near the reunion site.

Memorial services to honor those who lost their lives in combat will be conducted Sunday.

**PWP Members Hear Budget Discussion**

Stan Stark of Stark Finance spoke at the June educational meeting of Parents Without Partners of Rogue Valley at the home of Caroline Wood, 111 West Second st., Medford.

Stark discussed budgeting and noted that a budget of some sort is essential, even if it is no more than a pocket notebook in which daily small expenditures are jotted down.

He pointed out that the dimes and quarters spent for non-essentials add up to a "tidy" sum at the end of the month, and that by keeping a daily record of these amounts it is easier to see "where the money goes" and to plan for budgeting for necessities.

There are now 102 chapters of PWP in the U.S. with more being chartered each month. PWP was founded in New York in 1958 as a means of bringing together single parents and to assist them in learning to live alone and to raise their children without the help of the other parent.

In June, about 60 parents and children gathered at Tou-Velle State park for a picnic dinner and an afternoon of games. Another picnic is being

planned June 30 at Weasku Inn on the Rogue river for parents and their children.

The next business meeting and educational program will be July 15 at the home of Mrs. Jacalyn Langston, 2000 Woodlawn dr. Bob Jones, YMCA secretary, will conduct a workshop on "Learning to Communicate with our Children."

Any single parent is eligible to join PWP and is welcome as a guest for three meetings of the local chapter before being obligated to apply for membership.

Rogue valley chapter has a membership of about 30 with an average attendance of 60 at the meetings. Meetings are held the first and third Mondays of the month.

Additional information regarding activities of the group may be had from any of the officers or committee chairmen, who are Ruth Boyd, president; William Wright, vice president; Patricia Watson, secretary; Louise Hartley, treasurer; Mildred Luschen, educational program chairman; Homer Smets, social program chairman; Jacalyn Langston, membership chairman, Medford; Ruby Langford, membership chairman, Ashland; Carl Sandburg, membership chairman, Grants Pass; Irene Bradshaw, children's activities chairman; and Martin Barnett, fund raising chairman.

**SOC Shelters Are Completely Stocked**

Ashland—Southern Oregon college civil defense committee chairman, Robert McCoy, has announced that the college shelter system was the first of 10 Southern Oregon fallout protection facilities to be completely stocked.

McCoy reported that the college was one of more than 100 sites in the state which have been supplied with radiological monitoring devices, emergency food and water, medical supplies, and instructions.

According to President Elmo N. Stevenson, the shelters at SOC are among the best equipped in the state. Entrances to shelters are marked, there is a continuing student-faculty CD committee on campus which coordinates with local civic and defense authorities, and a 200-bed hospital which may be used for students and area residents during emergencies.

A major command post and communications center has been established and provisions made for its manning by key personnel. In addition, each campus shelter area has complete instructional and organizational literature taped to the door for immediate use by occupants.
