

**FAIR SYMBOL READIED**—The last piece of the steel framework of Unisphere, the permanent symbol of the 1964-65 New York World's Fair, is swung into place at the fair's site in New York City. The 12-story structure is being built and presented to the Fair by U. S. Steel Corp. The final piece, representing the Pacific Ocean from 150 degrees west to 180 degrees (the international date line) and from the equator to the North Pole, carried the American flag as the last and highest piece of Unisphere. Construction of the framework took 110 days. (UPI)

**4-H Club News**

**West Side Rabbits**

West Side Rabbits 4-H club held its June meeting at the home of Mrs. Phyllis Caldwell. Janet Lee, Cathy Carlson and Mary Williams told about the 4-H summer school which they attended. We discussed our campout and decided that we would go as a group rather than individual groups. We decided to go to Lake of the Woods. Two of the members' mothers will be in charge.

We closed the meeting with a lesson on livestock judging. Don Pinkham, Reporter

**Smart Cookies**

The 14th meeting of the Smart Cookies 4-H club was called to order recently at the home of Mrs. W. R. Florey by club president, Kayn Ricks.

Verna Rempert led us in the Pledge of Allegiance and Emerine led the 4-H pledge. Shuree Davis and Verna Rempert did a salad demonstration. It was later served for refreshments.

The next meeting will be held at the home of Mrs. Florey, July 8. Alice Minger, Reporter

**Gold Hill Livestock**

A meeting of the Gold Hill Livestock 4-H club was called to order by Vice President Don Gail.

Roll was called and each member present gave an opinion on the recent spring lamb show. Peggy Martin and Don Gail gave reports on the summer school and they continued by saying that they each had a good time and learned a lot about 4-H work. George Martin gave a report on the feeding of a market hog, stressing the need for a balanced diet.

Each member gave a project report and Mr. Gail said that it takes about six pounds of grain for an average hog to gain one pound of weight.

The business meeting was adjourned and the next meet-

ing will be held July 8 at the Thomas residence in Gold Hill.

At a recent business meeting of the Bobbin' Bobbins 4-H Sewing club, held at Mrs. Leonard Frank's home, a party was planned.

It was decided that the members are to meet at 4:30 p.m. Tuesday, July 9, at Mrs. Frank's home. The event will be a combination swimming and picnic get-together at Twin Plunges. Each member is reminded to bring their assigned food and their own drink.

The 4-H prefall will be held at 8:30 a.m. July 26 at the Grange hall in Central Point. The members are also to bring an article that they have made.

On July 18, there will be a workshop at Mrs. Frank's home for those who need help. Phyllis Brown came as a guest.
