

# Pearson Delivers Again for Angels

By FRED DOWN  
UPI Sports Writer

Little man, what now?

It's a good question American leaguers ask about Albie Pearson, the pint-sized outfielder who performs herculean feats for the Los Angeles Angels.

Five-foot, 5-inch, 141-pound Albie is a cinch to be one of the American league's starting outfielders in this year's All-Star Game because if his rivals can overlook his tiny physique they can't overlook his 313 average.

But what's more important to the Angels, struggling to surge back into the thick of the American league pennant race, is that 28-year-old Albie from Alhambra, Calif., delivers when the team needs it most.

Like Wednesday night when the Angels whipped the Baltimore Orioles, 3-1 and 3-2, in a twilight-night doubleheader and vaulted past Cleveland and Baltimore into fifth place, 6½ games off the lead. Pearson singled and scored the Angels' first run of the opener and then tripled home the tying run and scored the winning run in the eighth

inning of the nightcap. Wins First Start

Paul Foytack, making his first start since acquired from Detroit, went 8 1-3 innings to win the opener and then Ken McBride pitched a three-hitter and struck out seven to score his ninth victory in the second game.

The New York Yankees took a one-game grip on first place as they beat the Chicago White Sox, 3-2, the Minnesota Twins downed the Detroit Tigers, 6-1, and the Boston Red Sox nipped the Cleveland Indians, 6-3, in other American league action, Washington at Kansas City was rained out.

Bob Rodgers homered for the Angels in the first game and Leon Wagner hit No. 16 of the season and his first at home for Los Angeles. Pearson, who's had his ups and downs since winning the AL rookie of the year award in 1958, is batting .313 with 82 hits and 37 runs scored.

First of Season

The Yankees beat the White Sox for the first time this season after four straight losses with the help of homers by Roger Maris and Tom Tresh. It was No. 16 of the year for Sir Roger, and Tresh also contributed a double to the Yankees' seven-hit attack on Gary Peters and Jim Brosnan. Whitey Ford, aided by Hal Reniff in the last 2 1-3 innings, got his 11th win of the season against three defeats.

Bob Allison of the Twins hit a pair of homers to take over

the AL leadership with 19 homers, 52 runs batted in and 53 runs scored, and Earl Battey hit his 16th homer of the season in an attack that enabled Dick Stigman to score his sixth win. Gus Triandos homered for the Tiger's run.

Eddie Bressoud's second homer of the night came in the ninth inning and lifted relief pitcher Jack Lamabe to his fourth win without a loss for the Red Sox. Russ Nixon and Chuck Schilling also homered for the Red Sox while Joe Adcock connected for the Indians.

# Paul Herman Seeded No. 1 in Decathlon

Corvallis, Ore. — (UPI) — The 45th annual National AAU Decathlon championships start here Friday with 28 athletes shooting for both the national title and the coveted trip to Russia that will go to the top two finishers.

World record holder C. K. Yang of UCLA and Formosa will be unable to compete because of injuries that have cut into his practice time.

Seeded number one and two are Paul Herman of the U. S. Army, who won the rugged 10-event grind in 1961, and Steve Pauly of Oregon State. These men represented the United States in the meet against Russia at Stanford last summer.

Seeded third and fourth are Dave Edstrom of Oxnard AFB and Phil Mulkey of Birmingham, Ala. Edstrom, former Oregon star, nipped Mulkey at this year's Kansas Relays.

The large entry list has forced meet officials to run the competition in four flights, two each in the morning and afternoon.

The four top seeded athletes will run in the last flight Friday and Saturday along with Dick Emberger of the Camp Pendleton, Calif., Marines and Russ Hedges of Oxnard Air Force Base.

Friday's slate will include the 100 meters, broad jump, shot put, high jump and 400 meters. While on Saturday the events are 110-meter high hurdles, discus, pole vault, javelin and 1,500 meters.

Yang holds the world record of 9,121 points. Herman's all-time best is 8,061.

Steelhead Card Deadline Near

Portland — This week is the last chance for salmon-steelhead anglers to turn in their 1962 punch card. They are to be mailed to the game commission in Portland or to be put in boxes at local license agencies.

The information on this card is valuable, game officials stressed. The deadline is July 1.

# Mantle Puts Crutches Away

New York — (UPI) — Mickey Mantle, almost as good as new again, put his crutches away today and planned to be back in the New York Yankees lineup on July 11.

Dr. Sidney Gaynor, the Yankees' team physician, said after taking x-rays Wednesday he was amazed at how rapidly Mantle's broken left foot had healed.

"The x-rays showed surprisingly fast healing," Gaynor said, "and he should be ready to play again after the All-Star Game to be played in Cleveland on July 9."

The cast was removed from Mantle's foot, which he broke on June 5 when his spikes caught in a fence during a game at Baltimore, and Gaynor advised Mickey to store his crutches in mothballs.

# Chinook Angling Above Gold Reported Good

Portland — (UPI) — The weekly report on fishing conditions prepared by the State Game Commission:

Southwest: Diamond Lake remains good; summer steelhead angling in North Umpqua only fair; Loon lake producing limits of rainbow and cutthroat with triple teasers lures; upper Rogue above Gold Ray good for Chinook; lower Rogue poor for salmon.

# Cool Man Red Hot For LA Dodgers; Blasts Key Blow

By FRED DOWN  
UPI Sports Writer

Jim Gilliam resents being called "Junior" and so his Los Angeles Dodgers teammates refer to him simply as "the cool man."

No nickname could be more appropriate for a fellow who takes the world in stride. He's played in at least 144 games in every year he's been with the Dodgers since 1953, and yet every spring it seems he has to win his job all over again from some highly-touted newcomer.

Comes the middle of a hot pennant race, however, and Gilliam is not only in the lineup day in and day out but also delivers the clutch hits that win important games. The kids who thought they had him beat out of a job in the spring read about 'em in the newspapers of minor league towns.

The National league pennant race is about as hot as it can get and so it's no surprise that Gilliam is red-hot. The Dodgers have won four straight games and Gilliam has delivered the game-winning blow in three of 'em, including Wednesday night when his two-run eighth-inning double sparked Los Angeles to a 5-2 victory over the Cincinnati Reds. The victory completed a Dodger sweep of a three-game series — the first time they won three in a row in Cincinnati since 1953.

homed and Joe Amalfitano had three hits for the Giants.

Carl Warwick started the Colts' game-winning 13th-inning rally with his fourth single of the night and scored the tie breaking run on Bob Lillis' single. The Colts, who snapped a 10-game losing streak, went on to add four runs and saw up Hal Woodeshick's seventh win. The Colts ended a string of 30 consecutive scoreless innings when Al Spangler homered in the sixth. Frank Bolling had three hits for the Braves.

Cal McLish pitched a six-hitter to win his sixth game for the Phillies and deal Pittsburgh's Bob Friend his sixth defeat against nine wins. McLish, Johnny Callison, Tony Gonzalez and Frank Torre had two hits each in the Phillies' attack while Donn Clendenon and Bill Virdon had two hits each for the Pirates.

Tim Harkness' grand slam homer with two out in the bottom of the 14th inning lifted the Mets to their third victory in four games after the Cubs went ahead, 6-4, on a two-run, inside-the-park homer by Billy Williams in the top of the inning. A total of 12 pitchers saw action during the four-hour and nine-minute struggle.

Wins Eighth Game

Left-handed relief ace Ron Perranoski shut out the Reds for the last 2½ innings to win his eighth game against two losses. Jim Maloney, seeking his 12th win, struck out 11 batters and went into the eighth inning with a 2-2 tie but a walk to Perranoski and Gordie Coleman's wild throw on a sacrifice attempt set the stage for Gilliam's big blow.

The victory enabled the Dodgers to remain a half-game behind the first-place St. Louis Cardinals, who topped the San Francisco Giants, 6-5. The Houston Colts beat the Milwaukee Braves, 7-2, in 13 innings, the Philadelphia Phillies downed the Pittsburgh Pirates, 6-2, and the New York Mets defeated the Chicago Cubs, 8-6, in other National league games.

Boyer Paces Cards

Charlie James singled home George Altman with the winning run for the Cardinals. Bobby Shantz pitched to only one batter but picked up his third win. Ken Boyer drove in four runs with a homer and two singles for the Cardinals while Orlando Cepeda

# "OUR DODGE TRUCKS CARRY CONCRETE TWICE AS FAR"

44 In the transit-mix business, most operators confine themselves to a 25-mile radius.

That's the way it was with us, until Dodge trucks helped us double our radius of operations to 50 miles. Since 1956 we've bought nothing but Dodges. Some are transit-mix units with six-yard, flywheel-driven mixers. Others are flatbeds that carry 540 cement blocks to a load. Figure those kind of loads in pounds, and you'll know what a great job they're doing for us, and very economically at that! L.W. Riney Co., Hannibal, Missouri Dodge trucks have had many improvements in the past year. Each one helps make them tougher, more economical than ever before. Example: a new, more powerful Dodge-Perkins diesel engine in four medium-tonnage models. This engine has proved it can almost double fuel mileage in stop-and-go city delivery service. Now it develops 131 gross horsepower, 284 lbs./ft. gross torque. And remember, Job-Rated Dodge trucks are priced lower than most of competition, right in line with the rest. Your dependable Dodge truck dealer has a liberal new finance plan to tell you about. Ask him all about it.
