

First National's Newest Branch in Jackson County

## Soon in White City

A Brand-New, Full Service Branch of First National Bank of Oregon

All regular banking services plus the full facilities of our Trust Department and International Banking Department will soon be conveniently available to residents of White City, Cascade Village, Eagle Point, Shady Cove, and surrounding communities.

This beautiful modern structure, illustrated at left, is scheduled to open approximately August 15. Watch your newspaper for further details and plan to join with us in celebrating our grand opening.

In keeping with the native architectural concept, water-washed native stone has been used on the walls of the First National Bank as well as on the arches, marking the entrances to Cascade Village Homes. Wood and rock create the atmosphere so characteristic of Oregon. Garden areas appear throughout the center. These areas are planted variously with sedum, ivy, lacy leaf maples, ornamental grasses, bamboo, yellow rain, dogwood, and, of course, junipers and pines.
