

Cascade Village

GRAND OPENING SAT.-SUN.

THE SHOPPING CENTER

Cascade Village's ultra-modern shopping center already numbers 16 businesses. These include a supermarket, variety store, drugstore, car company, laundromat, dress shop, tire company, service station, furniture store, hardware store, restaurant, marina, barber shop, beauty shop and saddle shop. More are coming. A Medical-Dental Clinic is scheduled to open in mid July. A branch of the First National bank will open soon.

Right across the highway from the Village homes is a growing industrial park, on which are located 36 industries, providing over 1500 jobs. More are planned. All of this means that Cascade Village is unique in the state - a delightful community for families of average income-jobs close at hand-recreation facilities usually associated only with very high-cost developments - all city conveniences in a rural setting - and no city taxes!
