

Astoria Museum To Receive Pennant

Portland - (UP) - A Portland man said today he has a gift for the Columbia River Maritime Museum in Astoria - the Coast Guard commissioning pennant of the old Columbia Lightship 88.

The vessel arrived in Astoria Monday to become part of the museum.

Clarence Fritchard said he was a boatswain's mate on the vessel when it was taken out of service in 1961. He kept the commissioning pennant.

"I think the museum would like to have this pennant," he said. "I'll write down there and tell them about it and some day I'll take it down to present it."
