THIS WEEK'S Specials

ONLY 2 BLOCKS TO GRADE SCHOOL 4 BEDROOM HOME \$10,950 4 REASONABLE DOWN PAYMENT \$83.87 MO.

Here is a home for your large family at a price you can afford. It is all in tip-top condition too, and you won't have to start fixing it up the minute you move in. It is ready to move into now and you can have immediate possession.

It is ideally located on a good paved street with sidewalks just 2 short blocks to grade school. You can watch your youngsters enter the school yard from your own front door. Junior High is only 3 blocks away. There is a well stocked neighborhood grocery just a block from the back door.

There is an economical furnace that will keep you cozy all winter long at a very low cost. You can save plenty here on your fuel bills.

The floors are select quality hardwood in long lengths. No second quality here. There is wall to wall carpeting over the lovely hardwood floors in the living room and hallway.

The back yard is all fenced and will be a safe place for the little ones under school age.

The garage is only a one car garage, but it does have a large work room, or storage room, attached to it. The financing is all set up for you. You can take over the loan on the place now after a reasonable down payment, and your monthly payment will be only \$83.87 including taxes and insurance. And you don't have to "qualify" for a loan to take it over.

The owner has been transferred and must sell. His loss can be your gain if you hurry. Now don't delay on this one. Four bedroom homes close to schools are scarce, and good clean ones at this low price are much scarcer. Better be the first on this one... Hurry.

OPEN HOUSE 11 A.M. TILL DUSK 516 BENSON STREET

CLOSE TO WASHINGTON SCHOOL DELIGHTFUL OLD HOME SUPERSIZE 2 CAR GARAGE—BIG LOT

Here is that large older home you have been searching for, and at a price you will like. You will love this old home from the moment you first see it sitting well back from the street, surrounded by attractive shrubs and flowers, in full bloom now and they will be followed by many later varieties this fall.

The tall trees around it are in full leaf now and keep out the sun in the forenoon as well as in the afternoon. There is room for all your family here. Each of you can pursue your own hobbies without bothering the other members of the family for there is room for all.

The big lot behind the home always produces bumper crops of garden goodies. Many truck loads of topsoil have been hauled in and fertilizers added until it is the easiest working soil as well as the highest producing garden we know of. If you have a green thumb you will appreciate it.

The big garage has room for two big cars and plenty of shop and storage space besides. There is plenty of storage space in the house too for it is a B-I-G old home. The widowed owner is going to leave the home complete with all the attractive furniture and you won't have to buy anything except linens and dishes to start housekeeping here.

You can move right in if you have good credit and reasonable down payment. There will be no long delay waiting for a loan to be processed while you wonder if you bought a house.

The Washington school is just three blocks away. There is a good neighborhood grocery two blocks away. You will love the old home and the price. So load up the family now and drive on out. Some large family is going to get a bargain and be mighty comfortable in it.
