### The A B C Trip

By Ragna Eskil

Here's a favorite game to while away the time on a long car trip. The object is to find all the letters of the alphabet in the signs along the road—and in their proper order, too. It will be easy to find a, b, c, d, but it may take a long while before you see a j or q, v, w, and z. You may ride 50 miles before you get the whole alphabet, but you'll find that the time flies by as fast as the scenery.

### Hang It!

By Bill Barton

This is a tag game played outdoors where there are low-hanging tree branches. "It" cannot tag any player who is hanging onto a branch with his feet off the ground!

### Drop-a-Letter What?

By Bertha R. Hudelson

I'm tired and wish that I could rest!  
With my last letter gone,  
I'm what you do to clothes each time  
That you put them on.

And now, with my first letter gone,  
I'm found upon your head,  
And if you did not have me,  
You'd never know what's said!

Answers: WEARY—WEAR—EAR—WEAR—WEAR

### Let's Draw a Crab

By Ann Davidow

Here's the way some mitts can be  
A crawling creature of the sea.

Crabs, no bigger than an inch,  
Can seem much larger when they pinch!
