

Tax Ratios Cut In Five Counties

Salem - (UPI) - Reduced property tax ratios in five Oregon counties were ordered Thursday by the State Tax Commission...

In its order, the commission set the following ratios: Crook, 22 per cent; Gilliam, 21 per cent; Morrow, 19 per cent; Sherman, 20 per cent, and Wasco, 21 per cent.

All other Oregon counties are assessed at 25 per cent except Multnomah, which is permitted by law to have a higher ratio.

Multnomah posted 33 1/2 per cent, down from last year's 36 per cent.

The Tax Commission can substitute its own ratio if it determines a county ratio is more than 10 per cent above or below ratios prepared by the commission.

Rocket From Plane Hits Observation Bunker; 2 Men Die

Hurlburt Field, Fla. - (UPI) - A low-flying jet fighter fired four non-explosive rockets at a protective bunker here Thursday during war games. One of the rockets crashed through an 18-inch observation slit in a million-to-one shot that killed two persons and injured 14 others.

The freak accident happened during war games by the Tactical Air Command and an immediate investigation was launched to learn whether human or mechanical error caused the accident.

Exactly how the two men were killed and the others injured was not disclosed by Air Force officials. They said, however, there was no explosion when the rockets hit the protective bunker, 200 square feet of solid reinforced concrete six feet high. The bunker was used to house personnel judging the pilots' performances.

The plane, an F-100 supersonic jet used to support ground troops, was strafing an isolated area with 50-caliber machine gun fire when the pilot fired all four of his rockets at a simulated target. They added that the rockets were "inert," carrying dummy warheads.

The two officers killed were identified as: Lt. Col. Sherman R. Smith, 42, of the Air Force Air-Ground Operations School here. His home address was listed as Mary Esther, Fla. Survivors include his wife, Alois, and two sons, Peter W. 16, and Daniel W. 11.

Capt. Mercer R. Ferguson, 28, of the 428th Tactical Fighter Squadron of the 474th Tactical Fighter Wing, Cannon Air Force Base, N. M. His home address was given as Waukegan, Ill. His next of kin are his mother and father, Mr. and Mrs. Clay G. Ferguson of the Waukegan address. Ferguson was from the same base as the plane which fired the rockets.

Five of the 14 injured were hospitalized and listed in fair or good condition. The rest were treated and released.

No Complaints on Overnight Camp Fee

The 50-cent overnight camping fee for Emigrant lake and designated areas outside the Howard Prairie developed recreation area is now being collected, according to Neil Ledward, Jackson county parks and recreation director.

Ledward said he has not received any complaints about the fee from campers. The county court insisted at the parks and recreation commission meeting Monday night that the fee be collected.

The parks and recreation director observed nine camping groups at the posted areas this week at Howard Prairie. Willow Point, at the gravel stockpile, and at the Lily Glen riding stables area are the only places where campfires will be permitted outside the Howard Prairie developed area and where picnic tables and fireplaces have been or are being installed, Ledward said.
