Jay Allen Cars reassumed lone Major league leadership in the Jackson county Softball association Friday evening by overcoming Southern Oregon Dry Kiln 9 to 7.

Bid of Colvin and Associates to erase the unbeaten record of Tru-Mix Concrete in the Minor league was halted by darkness. The tussle was stopped with the score 1 to 1 after 11 innings and will have to be replayed.

Jay Allen fought from behind twice to overcome Dry Kiln. The Kilnmen led 4 to 1 after the first inning. Then the Car team rubbed out a 2 to 5 deficit in the fifth frame to make it 5-1. Kiln went ahead 6 to 5 in the bottom of the fifth. JA tied it again in the sixth and went on top for good with three counters in the seventh canto.

For the four runs in the first inning Dry Kiln used two walks, a hit, two errors and a double steal by Dick Defley and Wayne Gillaspay. Shults Homers

Jay Allen's three-run fifth was on hits by Dave Love, Chuck Hoyt and John Payne and an error. Then, in the seventh Jerry Shults slapped a three-run homer. The blow followed a walk and a hit by Payne.

Payne had four hits in four times up and Shults cracked three for four. Hoyt had two safeties. Gillaspay, Dick Kuschel and Eddie Paxton had a pair of hits each for Dry Kiln. The SODK team recorded 11 steals, two of them double ones.

Jay Allen pitcher allowed four bases on balls and struck out six. SO's Dale Cook walked three and fanned three. Tru-Mix scored in the first inning and Colvin in the fourth. Jim Tackett of Colvin whiffed 19 batters and Ron Weatherford of T-M seven. Each pitcher walked one.

Jackson County Softball association will make the switch in midweek this week to lighted facilities and doubleheaders at Jackson park after having played single games on separate fields.

The old style schedule will still be in effect for Tuesday's games. First play on the lighted park is set for Wednesday.

King carried the fight to Ramos on a couple of occasions but fought his way out each time.

The 12th round was King's best. He landed his best punches in this session but they seemed to have little effect on the champion, Ramos' face was puffy at the end while King was unmarked.

Jorge Apapolo, a promoter from Panama City, offered Ramos \$50,000 to defend his title against canal zone champion Ismael Laguna.

King apparently knew he was outclassed early in the fight, for he moved to the defensive, covering up with both hands, from the sixth round on.

Ramos carried the fight to King all the way and even though he failed to floor his opponent, he easily won the better fighter, King fought in spurts but Ramos, who hurt his left hand in the seventh round, managed to stave off King's infrequent rushes and gain the upperhand.

King fought on the defensive most of the time and every time he dropped his guard Ramos connected with rights to the head and body. The champion kept on the move throughout the fight and never let King get away.

Referee Ramon Berumen scored 148 points for Ramos to 139 for King. Judge Carlos Garcia Prado had it 149-140 for Ramos and Judge Gomez Scanlon agreed, 148-143.

King got in his best punches - to Ramos' head - late in the fight but each time Ramos fought back. The crowd cheered Ramos throughout the fight and often was on its feet. There were no knockdowns. Ramos was backed into cor-

Sugar Ramos Decisions King, Keeps Crown

Mexico City - UP - Sugar Ramos, the world featherweight champion, retained his title Saturday night, pouncing out a unanimous 13-round decision over Rafiu King of Nigeria before a crowd of more than 27,000 in the Mexico City bull ring.

The Cuban-born Ramos, who now makes his home in Mexico, was a 5 to 3 favorite to win his first defense of the title he took from Davey Moore last March at Los Angeles.

Ramos carried the fight to King all the way and even though he failed to floor his opponent, he easily won the better fighter, King fought in spurts but Ramos, who hurt his left hand in the seventh round, managed to stave off King's infrequent rushes and gain the upperhand.

People really want newspaper advertising and have said so. Surveys usually show well over 80% in favor of newspaper advertising; less than 70% for magazines; and under 40% in favor of advertising on radio and TV.

Your advertising's first job is to win a friendly feeling for your product. It stands to reason you will win more friends by running your advertising where most people want it.

If you want to sell more people you have to reach them when they are receptive. Newspapers reach more of the most receptive people.
