

Jalopy Jockeys Prepare for Afternoon of Racing Sunday

The Jalopy jockeys are ready for another afternoon of auto racing this Sunday, July 21, at the Medford Speedway oval in White City. Gates are to open at noon for the seven event card of action among the older stock cars.

New drivers continue to sign up each day and officials said as many as fifty autos could be entered in the meet. They are planning on running at least forty of the cut-down and gutted-out machines, none with a value in excess of \$100. More than 60 drivers have signed up for numbers it was noted.

Drivers and builders may still sign up to run by contacting Crosby's Mobil service on West Jackson street in Medford.

Officials said drivers will be able to use the track for practice after 10 a.m. on Sunday morning. Time trials are billed for 1 p.m. followed by

the regular slate of heat and elimination races at 2.

A large turnout of spectators is expected with an indication of good weather. A crowd of more than 1,000 was out last time to see a fine race put on by a group of amateur drivers. Only a few contestants entered had ever driven in a race before.

New names in the lineup for Sunday include Dick Orr, Max Gillispie, Bob Butcher, Ralph Newman, Chuck Stacy, Dave Ives, Warren Richey, Ron Austin, and the Bellup-Henry entry, all of Medford. Wally Cannon and Harold Hargosey will be out with their new car from Ashland and Bill Johnson and Jim Cabler will be entered from Jacksonville. Terry Edmondson and Richard Short will represent Eagle Point. Others come from Butte Falls, Central Point and Phoenix.

Dave McCullom, skipper of 'Old 69', will be out to try for

a repeat win over all comers. Last race, McCullom was the main-event winner and has been hard at work recently getting his 1949 Ford into top racing condition for the Sunday competition.

The Medford Speedway is located six miles north of Medford off the Crater Lake Highway in East White City. Turn right at Cascade Shopping Center on Antelope Road and follow the signs. Concessions are available at the track and admission is charged.

Dick Hart Holds PGA Golf Lead

By LEO H. PETERSEN
UPI Sports Editor

Dallas—(AP)—Unknown Dick Hart held a three stroke lead but U.S. Open champion Julius Boros had what Arnold Palmer called "the position" today as they teed off in the second round of the PGA golf championship.

Hart, an assistant pro from Hinsdale, Ill., shot a five under par 66 to match the course record in the opening round and take a three shot lead over five of the big names—Boros, Masters champion Jack Nicklaus, British Open champion Bob Charles, husky Mason Rudolph and blond Shelley Mayfield.

But Palmer, who shot an opening 74 along with defending champion Gary Player, felt that the "rub of the green" favored Boros to gain the halfway lead when the field is cut to the low 75 and ties tonight for closing rounds Saturday and Sunday.

Started Off Early

"Hart, Nicklaus and Charles all got off early in the traffic," Palmer explained, alluding to the bulky field of 187 which tramped over the drying greens in 100-degree heat at the DAC course.

"When you go off late over these chopped up greens, like Boros did, you have to consider he played terrifically. Well, he goes off early today and Nicklaus and the others have to cope with those spike marks."

Palmer expected to improve, too, as he makes a run for his first PGA title, for the chwed up greens irritated him.

Jackie Rice of the Florists has the most wins with a 7-1 record.

Woods, Water, Wildlife

At its meeting on Tuesday, July 16, the game commission set dove, grouse, snipe and silver gray squirrel hunting regulations for 1963. Dove and pigeon hunters will have a season from September 1 through September 30. Dove bag limit will be 10 daily and 20 in possession; the pigeon limit will be 8 daily and in possession. The blue and ruffed grouse season will be September 7 to 15 in western Oregon and September 7 to 22 in eastern Oregon. Bag limit will be 3 daily in the aggregate and 6 in possession.

More Limits

Sage grouse numbers are down somewhat, and the commission decided to allow hunting only in Harney county and that part of Malheur county south of U.S. Highway 20. The bag limit will be 2 daily and in possession.

Snipe hunters will have a season extending from October 26 through December 9. Bag limit will be 8 daily and in possession.

Regulations on silver gray squirrels call for a year-long season in northwestern Oregon and a September 1-October 31 season in the southwestern part of the state. There is no bag limitation in the northwest, but hunters are confined to 4 daily and in possession in the southwest.

The commission also set an opening date of September 7 for the chukar and hungarian partridge season. The commission was advised by its staff that insufficient information was available at this time to determine how long a chukar season could be permitted. Information will be at hand to determine the closing date when the commission meets on August 20 to set the waterfowl and the remainder of the upland bird regulations. A complete printed synopsis of small game regulations will not be available until mid-September.

The Hearing

The bureau of land management held a public meeting at Grants Pass yesterday in order to hear reactions to its proposed regulation to ban all but foot travel on its newly-completed portion of the Rogue river trail from Grave creek bridge to Whiskey creek, and also on the old trail from there on down river.

Most of the opinions expressed at the meeting were opposed to the restricting of horses and motorized vehicles from using the trail. There was opposition from those individuals who own a horse or burro and like to travel the river trail for their pleasure. Opposition came from those

Also-Rans Of Race Straggle In

Honolulu—(AP)—The "also rans" of the 1963 Transpacific yacht race continued to straggle across the Diamond Head finish line today, but at least one award winner was still on the high seas.

There is a special award for the last of the 32 competitors to complete the 2,225-mile run from San Pedro, Calif., to Hawaii.

The likely contenders were the Typhoon, which was dismasted early Tuesday, and the 38-foot cruising ketch Solveig.

The Typhoon, a 39-foot sloop which is continuing under a jury-rigged sail, hopes to reach Diamond Head early Saturday, but the Solveig is not due until Sunday morning—which means her crew will miss the Saturday night awards presentation luncheon.

The winner of the biennial race classic was the 40-foot sloop, Islander, owned by Thomas Karkett of Rolling Hills Estate, Calif. She made the trip in a corrected time of 10 days, 5 hours, 56 minutes and 47 seconds.

In second place was Tiare, a 40-foot yawl owned by Marvin Carton of Kings Point, N.Y., with a corrected time of 10 days, 6 hours, 24 minutes and 59 seconds.

Liston Hopes for First Round KO With Patterson

Las Vegas, Nev.—(AP)—Heavyweight champion Sonny Liston said today he hoped to knock out Floyd Patterson in about 84 seconds of the first round of their return title fight Monday night at the Las Vegas Convention Center.

Sonny, who has become an expert on percentages from his scholarly discussions of the noble art of rolling dice with pit-men and stick-men at the Thunderbird Hotel, said:

"It took me 2:06 of the first round to flatten Patterson at Chicago last September. Well, on the way I took care of Cleveland Williams in our two fights. I figure I should put Patterson away one-third faster this time."

Sonny, praising Williams of Houston, Tex., as the "best man I ever fought," said he knocked out Williams in the third round in 1959 and in the second round in 1960.

Meanwhile, promoter Al Bolan announced that the advance sale of \$160,000 indicated a gate of between \$250,000 and a sellout of \$320,000.

He said he was sure the gate would beat the Nevada record of \$270,775, established by the Jack Johnson-Jim Jeffries fight at Reno, Nev., in 1910. The capacity for paid spectators at Monday's fight is 7,601.

Liston is favored at 4-1 in very light betting.

Patterson canceled Thursday's news conference because of "some personal business."
