Please enroll me as a member of the Book-of-the-Month Club and send me the three volumes whose numbers I have indicated in boxes below, billing me \$1.00 for each volume. I agree to purchase at least three additional monthly Selections—or alternates—during the first year I am a member. The price for these books will never be more than the publisher's price, and frequently less. I have the right to cancel my membership any time after buying these three books. During the trial and thereafter, if I continue, I am to receive a Book-Dividend Certificate with every Selection—or alternate—I buy. Each certificate, together with a nominal sum—usually \$1.00—can be redeemed for a Book-Dividend which I may choose from a wide variety always available. PLEASE NOTE: Occasionally the Club will offer two or more books together at a special combined price. (Such purchases are counted as a single book in fulfilling the membership obligation.)

(A small charge is added to all book shipments to cover postage and mailing expenses.)

### THE MOST ECONOMICAL LIBRARY-BUILDING SYSTEM EVER DEvised: BOOK-DIVIDENDS

THE TRIAL membership suggested here will not only prove, by your own actual experience, how effectually membership in the Book-of-the-Month Club can keep you from missing, through oversight or overbusyness, books you fully intend to read; it will also demonstrate another equally important advantage enjoyed by members: Book-Dividends. Through this unique profit-sharing system Book-of-the-Month Club members can regularly receive valuable library volumes—at a small fraction of their price—simply by buying books they would buy anyway.

★ During this trial and thereafter, if you continue, you will receive, with every Club choice you buy, a Book-Dividend Certificate. Each certificate, together with a nominal sum, usually \$1.00, can be redeemed for a valuable Book-Dividend which you may choose from a catalog of over a hundred fine library volumes whose publishers' retail prices now average \$7. Since the inauguration of the Book-Dividend system, more than \$280,000,000 worth of books (retail value) has been earned and received by Book-of-the-Month Club members through this unique plan.
