STAYED TOO LONG—This is not a meal ticket in the bridle of this saddle horse tied to a parking meter in Madison, S. D. The owner of the pinto left him standing too long and time ran out on the meter. The traffic officer placed a ticket on him, just like any other offender. (UPI)

Huge 50 Foot "Bomarc" Missile

... Will Be On Display at the Big Y Shopping Center's Parking Lot From Friday 6:00 P.M. Thru Sunday 6:00 P.M.

This, the only Southern Oregon showing, is sponsored by the 33rd Tactical Composite Squadron of the Civil Air Patrol in cooperation with the U.S. Air Force.

The Supermarket Air Force IM-99 "Bomarc Air Defense Missile" is a long range, high altitude weapon designed to intercept and destroy enemy aircraft or missiles before they reach their targets in this country. Approximately 80 feet long, the missile has a wingspan of 10 feet. The missile on display will be one which has been specially modified for public viewing. Airman Volunteers of the U.S.A.P. will be on duty to answer spectators' questions about the missile.

On The Parking Lot at the **Big Y Shopping Center** 6 p.m. Fri. - 6 p.m. Sun
