

### Corral at County Fairgrounds Being Completed for Use

Jackson County Commissioner Donald Faber reported today that work is being completed on a 150 by 250 foot corral, about seven feet high at the county fairgrounds for 4-H horse activities.

"This could even be used for a rodeo," Faber said. "We will have baseball bleachers there."

He noted that high school bleachers have been used continuously all season for baseball and 4-H activities, and will be used for high school football games on the outfield of the new baseball park at the fairgrounds this fall.

Commissioner Faber was studying plans for fairgrounds buildings originated by the then architectural firm of Keeney and Edson. They showed the National Guard armory, a connecting coliseum and ball park to the rear of the property.

Faber noted that the ball park is now where the coliseum was planned. Parking spaces for a number of cars are now being planned for the area between Parco d'Alba and the new health center, he explained.

The county commissioner also is proposing a three-fourths mile horse track at the

rear of the fairgrounds property and a pitch and putt golf course in the center of oval so the area could be used throughout the year.

### Labor-Management Vocabulary Depleted

Washington - (UPI) - Labor Secretary W. Willard Wirtz would like to ban certain "unfortunate" words from the vocabulary of labor-management relations.

He told a congressional committee Wednesday that terms such as "compulsory arbitration," "right to work," "goon," "strike-breaker," and

### Wilsonville Votes For Zoning Code

Wilsonville - (UPI) - Residents of the restricted use area near Dammasch State hospital voted 77-25 Wednesday to support a zoning code.

The code would restrict use of property to agricultural and single family residential use. The Clackamas county commission designated a restricted use area in 1960 to prevent undesirable business enterprises from springing up around the hospital. Backers of industrial development filed a petition this year to force the vote.

### Jaeckel Merits Credit for Win

United Press International Credit Wenatchee pitcher Paul Jaeckel with a pretty good night's work in Wednesday's Wenatchee - Yakima Northwest League baseball game.

All he did was hit two homers, score four runs and drive in five markers besides tossing a five-hitter as the Chiefs humbled Yakima 23-5.

In other games, Salem downed Lewiston 4-2 and Eugene took Tri-City twice, 1-0 and 6-1. Jaeckel had a breeze as Brian Mee and Phil Broders chipped in with homers and everybody in the Wenatchee lineup got at least two hits. Dan Kern and Rafael Gomez of Yakima each hit solo homers off Jaeckel.

### Johns Hired By U of O

Eugene - (UPI) - Ed Johns has been named an assistant football coach at the University of Oregon for the 1963 season.

Athletic Director Leo Harris said that Johns, 30, would join coach Len Casanova's staff this fall as a graduate assistant. His addition gives the Ducks six assistant grid coaches.

Johns played football as a lineman at San Diego State College and in the Marine Corps. He has coached at San Diego State, San Diego City College and Kearny High School in San Diego.

### College All-Stars Could Match Packers Strength

Chicago - (UPI) - Coach Otto Graham of the College All-Stars said he has four quarterbacks of almost equal excellence to throw at the Green Bay Packers Friday night.

Graham said to go along with quarterbacks, Ron Vander Kelen of Wisconsin, Glynn Bakker of Mississippi, Terry Baker of Oregon State, and Sonny Gibbs of Texas, the All-Stars have expert receivers, powerful fullbacks and big, fast linemen.

"A team has to be dedicated to be good," Graham told the All-Star luncheon, "and this one is."

Two linemen, Ed Budde of Michigan State and Lee Roy Jordan of Alabama, were named captains of the 1963 All-Stars.

Graham also said Larry Ferguson of Iowa has done some fine running during the workouts.

The defensive unit of the College All-Stars should enjoy Saturday morning a good deal more than their predecessors of last year.

That's the way after the rookie pro test the rugged Green Bay Packers in the mid-summer classic. Last year the collegians spent most of the evening trying to restrain the hardest running backfield in the country, and the greater part of the next day nursing their aches and pains.

But this year Paul Hornung has been deleted from the Packer cast as the result of an indefinite suspension, and bruising fullback Jim Taylor is not running up to his usual standard.

Taylor, who suffered a strained knee ligament last Saturday, proved that the injury still bothers him in Tuesday's workout, and is expected to see only part time action against the All-Stars Friday night. Linebacker Ray Nitschke, another doubtful starter, still was in the hospital for a back injury he sustained last Thursday.

The rest of the Packers, however, remain hale and hearty, which usually is enough to intimidate anyone.

### U.S. Winds Up Meet In Germany

Hannover, Germany - (UPI) - The touring United States men's track and field team hoped to lock up its third straight victory today and then take off for Britain for another dual meet on Saturday.

Coach Payton Jordan, pleased at how his athletes won eight of 10 events against the Germans in the first day's program Wednesday, was to shuffle his lineup again today in an effort to make up for shortages caused by injuries.

Gary Weisiger of the Marines was the Americans' chief hope in the 1,500 meter run, taking over for Dyrrol Bursell of Eugene, Ore., who won the event at Warsaw and Moscow against the Poles and Russians but since has gone home because of an injured back.

Football star Bob Hayes, the "world's fastest human" who Wednesday won the 100-meter dash and anchored the winning 400-meter relay team, marked his first attempt at this distance on this tour.

"Everything went about just as we'd expected," said Jordan in referring to Wednesday's events. "There were no upsets and we are pleased with the way things turned out." The Yanks scored 1-2 sweeps in five of the eight events they won.

The U. S. squad took a 64-42 lead into today's program and was expected to win by a comfortable margin.

### Duden Wins Northwest

Everett, Wash. - (UPI) - Portland pro Bob Duden fired a four-under-par 68 on the last 18 holes Wednesday to win the Northwest Invitational Open at the Everett Golf and Country club with a 72-hole 270.

But the Portlander had to take a back seat to amateur Tom Storey of Kenmore, Wash. Storey cut loose a record-setting six-under-par 66 over the last eighteen holes and came in with a total of 281. It tied him for third place with Bruce Richards of Seattle.

In second place was Bill Eggers of Henderson, Nev., with a five-under-par 67 and a 278 total. Clyde Sniffen of Paine Field finished fourth with a 282.

### BACKFIELD NAMED

Boulevard, Calif. - (UPI) - The San Diego Chargers' first exhibition football game of the season Saturday against the Kansas City Chiefs, will see quarterback Tobin Rote, halfback Paul Lowe and fullback Keith Lincoln in the starting backfield. Coach Sid Gillman, in making the announcement Tuesday, said Lincoln, last year's leading ground gainer as a halfback, would be at fullback because of a minor injury to Gerry McDougall and lack of practice by Bobby Jackson.

### Sternberg To Benefit

Seattle - (UPI) - Brian Sternberg, University of Washington pole vaulter paralyzed from a trampoline accident, and the Jerry Lorentson foundation have received a big boost.

The Kansas City Chiefs and Oakland Raiders of the American Football league agreed to major reductions in their share of a game at the University of Washington Stadium Aug. 17.

The Lorentson foundation, which was founded to assist injured athletes, could benefit by as much as \$67,200 from gross receipts of \$150,000 under the new arrangement.

### Slovak Ready To Drive Again

Coeur d'Alene, Idaho - (UPI) - Mira Slovak, who had a narrow brush with death when Miss Exide disintegrated during the Diamond Cup hydroplane race Sunday, said he was ready to drive again.

Slovak said he would be ready to go in Seattle's Seafair next month if he had a boat.

The one-time Czech Air Force pilot said he had heard the Wahoo "needed a driver and added, "I'm available."

He remained in Lake City General Hospital recovering from a variety of injuries, mostly minor. X-rays turned up one fracture, a small bone in the ankle. Cuts on his face and chin required 27 stitches to close. Two teeth were knocked out and his knees were bruised and scraped.

### TWO NEW PITCHERS

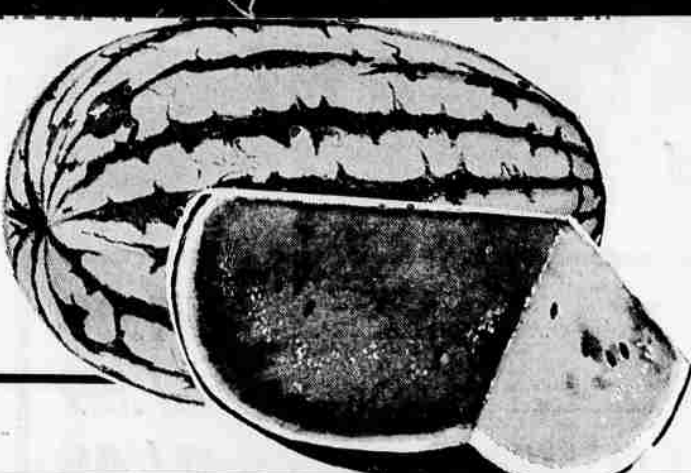

Chicago - (UPI) - The surprising Chicago Cubs, struggling to stay in the first division of the National league, have called on Salt Lake City of the Pacific Coast league to help strengthen their bullpen. The Cubs' traded left-hander Dick Lemay to the Bees in exchange for southpaw Tom Baker, then optioned Jack Warner to the PCL team and recalled Cal Koonce.

### ODD MATCH

Philadelphia - (UPI) - Convention Hall will witness a boxing oddity on the night of Aug. 13 when two Philadelphia fighters oppose two boxers from Argentina in a doubleheader. Middleweight Jesse Smith will fight Victor Zalazar in one bout, and Len Matwev will oppose Manuel Alvarez, a stablemate of welterweight champion Emile Griffith, in the other match.

### 40 AFL GAMES ON TV

New York - (UPI) - The American Broadcasting Company will televise 40 American Football league games on 17 dates plus the AFL championship game starting Sept. 8, marking the fourth consecutive year that ABC-TV has covered the professional league's schedule.
