

Communist Guards Shoot Escaping Pair

Berlin - (UPI) - Communist East German border guards killed a man and wounded a woman trying to flee to the West Thursday.

Hundreds of horrified onlookers witnessed the incident at Goslar.

The witnesses said the guards opened fire as the pair, dressed as field hands, set foot in the 'death zone' plowed within a few yards of the anti-refugee fence along the border.

The guards panned a hail of machine gun bullets at the pair.

The woman fell with leg wounds, the witnesses said. The man was wounded but was able to stagger as far as the first barbed wire before a Communist guard raced up and killed him with a burst of point-blank fire from only nine feet away.

Oregon Highway Travel Declines

Salem - (UPI) - Traffic on Oregon highways during June was below the figure a year ago, when Seattle World's Fair visitors streamed through the state, according to the State Highway Department.

June marked the first time in 2 1/2 years that the state's traffic had failed to keep pace with the previous year.

Travel on rural highways, including interstate freeways, was 3.6 per cent below June, 1962, while urban traffic was down 1.7 per cent.

The decrease from last year was noted on Interstate 5, Interstate 80N and the southern half of U. S. 97.

These were the principal routes used by 1962 fair traffic.

There was an increase of traffic on U. S. 26, 89W and the northern half of 97 over a year ago.
