

PORKER SUBDUED — A big pursuit ends in a pileup as youngsters enthusiastically charge an evasive, well-greased porker. A lunging grasp results in a tumble and a greased pig prize for Jim Reischneider at a fair in Belleville, Ill. He will keep the pig and raise it as a 4-H club project. (UPI)

Three Accidents Reported in City

Medford police investigated three vehicle accidents in the city Monday. Two drivers were cited, officers said. A citation for disobeying a traffic signal was issued to Malcolm Scott Tibbets, 54, of 2715 South Pacific highway, after his car collided with a vehicle operated by Frances Myrtle Austin, 46, of 521 Berrydale ave. The mishap occurred about 9:45 a.m. at Eighth st. and Riverside ave. No injuries were reported of officers said.

A parked car registered to De Armond Leigh, 1131 North Main st., Ashland, was damaged about 1:30 p.m. while it was parked near South Riverside ave. and West Ninth st. Driver of the car was Axel Albert Falkenberg, 84, Central Point. No citations were issued.

A citation for disobeying a traffic signal was issued to Murray Edward Perry, 45, of 2335 Table Rock rd., after his car collided with a City of Medford pickup truck about 3:30 p.m. at Berrydale and Howard aves.

Driver of the truck, Charles Donald Slater, 48, of 3527 Roberts rd., was admitted to Rogue Valley hospital following the collision. His condition was described as good yesterday.

Washington Racial Demonstration To Be Orderly Affair

By AL KUETTNER UPI Correspondent
One day this week a memorandum signed by the leaders of the Aug. 28 march on Washington will be released from the New York headquarters of the massive operation.

The document will contain such signatures as Dr. Martin Luther King Jr. of the Southern Christian Leadership Conference; Roy Wilkins executive head of the National Association for the Advancement of Colored people, and A. Philip Randolph, president of the Negro American Labor Council.

It will call on Negroes to conduct themselves in a "sober and dignified" manner when they come to the nation's capital for the biggest demonstration ever released during the current civil rights dispute.

Plans Carefully Laid
This is part of a carefully-laid plan to prevent the demonstration from erupting into

incidents and violence. If the show is pulled off without a hitch, the ability of Negro leaders to control their forces will have claimed a major strategic victory. If there should be trouble, look for strong reaction from Congress.

The size of the Washington crowd now is predicted at well over 100,000. Marchers, their voices raised by hymns—"We Shall Overcome"—will mass before the Lincoln Memorial in an appeal to Congress to enact the new civil rights bill.

The demonstrators are supposed to arrive and leave Washington in a single day, leaving behind only the influence of a massive but disciplined exercise in mass persuasion as a lobby for better jobs and civil liberties for the nation's Negroes.

Well Organized
Leaders of the march have tried to think of everything, down to getting advice from the Army on how many persons can pass a given point in a given time. They have arranged for comfort stations but no food. Marchers must bring their own box lunches.

"I believe it can be done peacefully," said Wilkins, a senior "anchor man" on the project. "The sheer size of the crowd and the logistics will limit the amount of activity. This is in our favor." Cleveland Robinson, a New York Negro labor leader who was born in the West Indies, probably will be chief parade marshal. He will be in touch with hundreds of other marshals by walkie talkie. The crowd will be contacted, when necessary, by bull horn.

Certificates Are Presented to Police

Nine members of the Medford city police department this morning were presented with certificates for successful completion of a course in municipal police administration.

Medford Mayor James Dunlevy presented the certificates to the officers and complimented the officers on their achievement. A City Manager Robert Duff also complimented the officers, as well as Assistant City Manager Gilbert J. Guldner, who was the instructor for the course.

Receiving the certificates were Chief Charles Champin, Capt. Clyde Fichtner, Lts. Orlo McGee, Rollie Pean, Lyle C. Perkins, Jack McMillan and Jack Sanders, and Sgts. D. F. Tusow and Raymond Seely.

Military Pay Bill Approved By Senate Vote

Washington-UPB—The Senate Tuesday passed 84-0 a \$1.2 billion military pay raise bill providing increases Oct. 1 for almost all officers and enlisted personnel in the armed services.

Designed to encourage careers in the military and prevent loss of trained personnel to private industry, the bill represents the first general pay increase for the services since 1958.

The bill now will go to a House-Senate conference committee to work out a final compromise with a different version passed earlier by the House.

It would provide increases ranging from \$5 to \$120 a month for 1.9 million officers and enlisted personnel on active duty, and also raise the pay of reserves and about 417,000 retired military men.

The Senate version, drafted by a subcommittee headed by Sen. Howard W. Cannon (D-Nev.), differs in a number of key areas from the House measure.

Cannon's group trimmed substantial pay raises provided in the House bill for certain retired generals and admirals, and put more money into pay hikes for officers and enlisted men in the middle to lower ranks.

The House allowed no increases for those with under two years service. The Senate changed this, giving officers with under two years active service from \$20 to \$50 more a month, and enlisted personnel with the rank of E-4 and above \$7 to \$8 a month increase.

Those with two or more years active service would get an average 6.6 per cent increase: Officers from \$60 to \$120 a month, enlisted men from \$5 to \$120 a month.

In all, the Cannon group made cuts of \$36.9 million in the House bill, and added \$141.9 million in pay adjustments, for a net increase of about \$5 million a year over the House.

Six Americans Missing in Korea
