### Junior Women At Work On Appointment Calendar

Members of the Medford Junior Women's club, of the Oregon Federation of Women's clubs, are busy planning their sixth annual social and appointment calendar, according to Mrs. William E. Sweet, chairman.

Proceeds from the sale of these calendars are used each year for local youth. Since 1958, the funds have supported the school clothing pool and will continue to do so. In addition, this past year, calendar funds provided a \$150 scholarship to a graduating senior girl from Medford High school and \$100 to the E. H. Hedrick Memorial fund.

Mrs. Sweet states that the Medford Junior Women originated this calendar with a two-fold purpose. Funds from the sale of calendars were to be used for local youth work, and the calendar itself was to perform a service to the community by providing information of general public interest.

Under the leadership of Mrs. Truman Nelson, members are now trying to contact officers of each civic and social club to obtain information concerning their meeting dates. A listing of all such clubs is included on the back cover of the calendar each year. Mrs. Nelson asks that any group not previously contacted call her at 772-8067 before August 31, so this information may be included. The inside pages of the calendar list activities of general public interest. These include PTA meetings as well as city council, park and recreation and school board meetings. Athletic, musical, and dramatic activities of local schools are included, whenever the information is available.
