Interest Shown In Gold Hill And Vicinity

Gold Hill - Jack Cannon, secretary of Gold Hill Chamber of Commerce reported during the August 1 session that 2331 requests had been received for information of Gold Hill and vicinity since Jan. 17, 1963. In an effort to promote the area of Sams Valley and Gold Hill the local Chamber has been sending brochures of the vicinity.

This program has been in conjunction with Vacation Land of Southern Oregon.

Ralph James, president, conducted the business session at which time Lou Cranston was guest speaker. He is from the insurance firm of Goldy, Cranston and Henselman, Medford.

Cranston spoke on the subject of insurance coverage in general and pointed out that in the past a person might have separate insurance on fire, theft, liability, business interruption, etc. Now the company has one policy, a package to cover all losses. Cranston was introduced to the group by Frank Sutcliffe, vice-president of the Chamber and program chairman.

James and Albert Harrison, chairman of the highway committee for the Chamber at-

tended the dedication opening of the Collier tunnel recently, and gave a report of their trip at the August 1 meeting.

Next meeting will be a no-host luncheon at Rogue Rivera restaurant Thursday, Aug. 15 at 12 noon. All members and interested persons are urged to attend the Chamber of Commerce meetings.

Please!

Only you can prevent forest fires. Why? Because nine out of every ten forest fires are caused by careless handling of matches, smokes and campfires. Please follow Smokey's ABC's whenever you're in wooded areas:

Always break matches in two.
Be sure you drench all fires out.
Crush all smokes dead out in an ash tray.
