

Boardman Land Exchange Ready

Salem—The State Land Board has agreed to sell 1,845 acres of land in the Boardman Space Age Industrial Park area to Army Engineers for \$20,230.

The move paves the way for the engineers to sell back to the state an 8.2 mile river frontage section in the Boardman park for the same amount of money.

The exchange is one of the final moves necessary to give the state title to the land, which it has leased to the Boeing Co. of Seattle.

The Boeing lease goes into effect as soon as the state gets clear title to the land from the engineers.
