CIVIC CENTER BOUNDARIES—The heavy slashed lines above indicate the boundaries of the proposed civic center as defined by resolution of the Medford city council last night. The block bounded by West Eighth, South Holly, West Ninth and South Ivy sts. is the site of a proposed new federal post office. No final plan for location of proposed municipal buildings within the civic center area has been developed, but a new city hall and a public safety building are contemplated in the general area lying south of the public library.

Timber Operators Council In Agreement With Unions

Only Loose Ends Of Lumber Strike To Be Settled

Settlement Follows Pattern

Portland—(UPI)—The 196-member Timber Operators Council and the two lumber unions reached agreement on a new contract Thursday. This left only a few loose ends to tie up to bring an end to the Northwest lumber strike that started June 5.

The TOC agreement with the International Woodworkers of America and the Lumber and Sawmill Workers Union called for the same 30½ cent hourly wage increase over three years that has become the pattern throughout the industry.

Must Be Ratified

The agreement has to be ratified by union membership. Union officials said this should come the first of next week. The TOC represents smaller firms.

In another agreement Thursday, the Pine Industrial Relations Council and the two unions agreed at Redding, Calif., on the 30½ cent wage package for 7,000 workers in Oregon and Northern California.

The council is an advisory group for about 100 independent companies. Job adjustments and other clauses of the contracts were being left for negotiation by individual firms.

Unsettled Areas

Unsettled areas in the industry were at North Bend, Ore.; Anderson, Calif., and Libby, Mont.

Some 325 men remained idled at the Menasha Plywood Co. plant at North Bend where local issues have prevented a settlement.

At Anderson, officials of the U.S. Plywood Corp. were hopeful that the strike by the LSW would be settled by the end of the week. Local issues also were involved there.

A meeting was scheduled here today to attempt to reach a settlement between the LSW and the St. Regis operation at Libby, involving some 900 workers. The LSW Wednesday reached an agreement on the 30½ cent formula with St. Regis at the Klickitat, Wash., operation.

TIRED FAIR-GOER — Joe Walsworth, 15, Phoenix, took his ease in a cattle chute near the main show barn. An employee of the Rogue Valley Livestock, Inc., Phoenix, young Walsworth had been working around the fairgrounds helping with the livestock during the annual Jackson County 4-H and FFA fair.

Joint Program With Satellites Starts Next Year

World Survey Due Information

Washington — (UPI) — The United States and Russia today announced final approval of a joint program of experiments with weather and communication satellites starting next year.

The two nations also agreed to contribute satellite information to a world magnetic survey to be made in 1965.

Agreed in 1962

The U. S.-Russia agreement for limited cooperation in space was reached at Geneva in June, 1962. The program given final approval today was worked out at Rome last March and in Geneva in May.

The experiments with weather satellites will result in the exchange of information and cloud pictures by means of full time, four-wire telecommunication link between Washington and Moscow.

This link is to be established by early 1964 and probably will be routed from Washington to Moscow by way of New York, London or Paris, Berlin and Poland.

To Use Echo II

Both nations will launch satellites for use in the space weather observation program.

The experiments in satellite communications will be conducted with an Echo II to be launched by this country in 1964. Echo II will be a shiny 135 foot sphere which will be used as a banking board for radio signals.

Since Echo II, to be launched in a near polar orbit, will not be in line of sight the same time between United States and Russia, exchanges will be made with the help of Great Britain's Jodrell Bank Radioastronomy Observatory at Manchester.

To Be Relayed

Communications will be sent from the United States to Jodrell by cable or radio and Jodrell will relay them to Russia by the Echo II satellite. These experiments, too, will begin next year.

The two nations will each launch a special satellite equipped to measure the earth's magnetic field. This information will supplement various other ground, sea and air measurements to be undertaken internationally during the world magnetic survey to be conducted in 1965.

Macmillan Hit By Election to Replace Profumo

Stratford-On-Avon, England —(UPI)— Prime Minister Harold Macmillan's Conservative party was rocked anew today by the results of an election to fill the parliamentary seat vacated by disgraced War Minister John Profumo.

The Conservative candidate won Thursday's by-election, but the margin was so small the opposition claimed a "moral victory." The results appeared to forecast further trouble for Macmillan whose government was nearly toppled last month by the repercussions from the Profumo scandal.

Journalist Wins

Conservative candidate Angus Maude, a 50-year-old journalist, was the victor as expected in this Tory stronghold, but his majority was so much less than his party's margin in the last election that the opposition Labor party claimed a "moral victory."

Observers had regarded the Stratford-On-Avon by-election the toughest public test for Macmillan since the Profumo scandal shocked the nation earlier this summer and nearly toppled his Conservative government.

Santiam Scenic Areas Established

Salem — (UPI) — The Oregon Scenic Area Commission has established scenic areas along 78 miles of the Santiam Highway from Salem to Sisters, it was announced today.

The scenic designation had been petitioned by Mill City garden and woman's clubs.

The clubs had sought to make the full route from the Salem bypass to the Sisters city limits a scenic zone, but the commission declined to set aside 29 miles, according to chairman A. N. Weir.

Under the scenic areas act, the commission may establish scenic areas along public highways which have views of unusual natural beauty or have historical significance.

Resolution Defines Boundaries of Civic Center in Medford

A resolution defining the boundaries of the proposed civic center was passed unanimously by the Medford city council last night.

The action was taken at the specific urging of the Capital Improvements committee, which has designated the civic center and a new city hall as its top priority items.

The city planning commission met informally Thursday morning and recommended the boundaries which the council approved last night.

The proposed civic center lies in an area bounded by West Main st. on the north, by Mistletoe st. on the west, by West 10th st. on the south, and by South Holly st. on the east.

Municipal Purposes

Within that area, however, the council designated a further four-block section which it intends to devote to public use for municipal purposes.

That area was defined as bounded by West Eighth st. on the north, by West 10th st. on the south, by South Holly st. on the east, and by King st. on the west.

Not intended for city use within that area is the property owned by the federal government for the site of the new post office and the Medford Plaza apartments, 235 South Oakdale ave.

Tentative plans now call for the eventual construction of a new city hall and a public safety building within the prescribed area.

City Manager Robert Duff said today that the next step is to acquire appraisals on the property the city hopes to purchase. He said council committee approval would be required, however, before an appraiser can be hired for the survey.

Council Delays Transfer Request

A request by the proprietors of the Frontier Club, 43 South Front st., to transfer its beer dispensing license to a new location at 902 North Riverside ave. was deferred by the Medford city council last night.

The applicant, Robert Knox, told the council his present lease for the Front st. location will expire Sept. 1, and that it would take at least two weeks to install plumbing at his proposed new location, which has been occupied by Hal's Sport and Agate shop.

Knox told the council he had personally checked with nine property owners in the vicinity of his new site and that only one of them objected to his plans.

Councilman William Singler moved to put the request on the Sept. 5 council agenda to give the property owners in the vicinity of 902 North Riverside ave. an opportunity to appear before the council if they should wish to protest the matter.

The motion to defer action passed by a 6 to 2 vote.

However, toward the end of the meeting, Councilman Joe Hosick reopened the matter by pointing out that Knox would find the delay costly and that he deserved a more prompt reply to his request.

Hosick moved to reconsider the request, but his motion failed by the same 6 to 2 margin.

Plans Ready for Republican Event

Plans have been completed for Saturday's picnic and rally under auspices of the Jackson County Republican Central committee, Robert Balk, picnic chairman, announced today.

Food servers for the dinner, at which Gov. and Mrs. Mark O. Hatfield will be honored guests, will be Representative Edward Branchfield, County Judge Earl Miller, Representative John Dellenback, District Attorney Alan Holmes, Commissioner Don Faber, Sheriff De Armond Leigh, Surveyor Mark Boyden, Deputy District Attorneys Tom Owens and Robert Fox.

Republican members of the Medford Junior Chamber of Commerce are chefs for the open-pit barbecued chicken dinner.

Activities will begin at 4 p.m. at TouVelle State park. Tickets, now on sale by the teenage committee of Pam Trowbridge, Ann Parsons, Robin Emmens, Day Lynch, Nick and Chris Rasmussen, Ed Davis, John Eads, John Case and John and Allen Collins, will be available at the park Saturday.

OLCC STICKS TO RULE

Portland — (UPI) — The Oregon Liquor Control Commission stood fast Thursday on its rule forbidding anyone under the age of 21 to sell alcoholic beverages.

Subpoena Threat Voiced in Study Of Insurance

Salem —(UPI)— The Legislative Interim committee on insurance today threatened to subpoena Rep. Shirley Field (R-Portland) to explain her charge that the committee would "whitewash" the Oregon insurance industry.

The subpoena threat came as the committee met to begin work on a five-point program during the next 14 months.

Sen. Thomas Mahoney (D-Portland) said Rep. Field "should be subpoenaed before the committee if she does not appear voluntarily to explain her charges."

Redden Discussed Issue

Rep. James Redden (D-Medford) said he had discussed the issue with Rep. Field and she was anxious to appear at a committee meeting in Portland because she had several witnesses who also wished to address the committee.

Committee Chairman Rep. F. F. Montgomery (R-Eugene) outlined the five-point program, and announced subcommittee assignments.

Sen. Walter Pearson (D-Portland), Rep. Morris Crothers (R-Salem) and Montgomery will study the sale of life, health and accident insurance by companies not authorized to do business in Oregon.

A study of rate setting by title insurance companies will be made by Mahoney, Redden and Montgomery.

Rep. Philip Lang (D-Portland), Sen. Eddie Ahrens (R-Salem) and Mahoney will probe the sale of life insurance with provision for mutual fund participation.

Reserve, surplus and capital requirements of firms engaged in casualty or disability insurance will be studied by Redden, Ahrens and Pearson.

The committee added a fifth area of investigation, hospitalization insurance standards. Named to this subcommittee were Crothers, Lang and Redden.

Legislators Leave On Hawaii Junket

Portland—(UPI)—Seven Oregon legislators left Thursday night for Honolulu to attend the National Legislative Conference and to try to bring the conference to Portland in 1965.

"We have all the confidence in the world," said Rep. Ed Whelan (D-Portland) about chances of getting the 1965 meeting.

Others leaving were Reps. Clarence Barton (D-Coquille), William Holmstrom (D-Gearhart), Berkely Lent (D-Portland), Robert F. Smith (R-Burns), George Fliteraft (R-Klamath Falls), and W. O. Kelsay (D-Roseburg).

Another group of legislators will also be in Honolulu next week to attend the Interstate Cooperation meeting.

Two Portlanders Shot in Argument

Portland — (UPI) — Two men were in serious condition after they were shot at a garage early today.

Paul R. Mullen, 21, and Paul G. Rustan, 25, both of Portland, were charged with attempted assault with a deadly weapon and larceny from a garage. Bail was set at $5,000 each.

Garage attendant Patrick Hopcroft, 27, said he shot at the pair when he was threatened with an iron bar. He said he refused to lend them tools from the garage to work on their car.

Police said the two entered Smoke's 24-Hour Auto Repair to borrow the tools and were refused. Police reports said the two men became abusive and Hopcroft got the gun. A scuffle ensued and Hopcroft said he got free and fired.

WEATHER

FORECAST: Clear through Saturday with some high cloudiness at times. Low tonight 50-55. High Saturday 90-95.

	Temp.
Highest Yesterday	92
Lowest This Morning	52

Our Skies Tonight

Sunset today	8:12 p.m.
Sunrise tomorrow	6:20 a.m.
Moonrise tomorrow	4:25 a.m.
New Moon	Aug. 19

PROMINENT STARS
Fomalhaut, rises 11:06 p.m.
Altair, high in south 11:18 p.m.
Between them is the planet, Saturn, which is now brighter than either star.

Elderly Welfare Patients Removed By Nursing Home

Monmouth — (UPI) — Seven elderly persons were removed from the Madonna nursing home here Thursday because the owners of the home said they couldn't afford to keep them.

The Polk County Welfare Department said today that while earlier reports indicated that 14 patients were to be moved, only seven left and others remained at the facility.

Mr. and Mrs. K. E. Draheim complained to the Polk County Welfare Commission that allowances for the recipients were not sufficient to run the home.

The patients ranged in age from 77 to 95. Those who were moved went to homes at Dallas and Independence.

"We could keep them on the $101 to $174 a month we get," Mrs. Draheim said, "We could keep them like you wouldn't keep a dog."

She said the welfare commission had "downgraded the care allowance so much that we just can't keep them."

Mrs. Ruth Hardy, director of the Polk County Welfare Department, said the complaint of not enough money is common among operators of nursing homes in the country, but this was the first time the department had been asked to move the patients.

Bulletin

Washington —(UPI)— Secretary of State Dean Rusk said today Russia could make a "very helpful contribution" to overall improvement in U. S.-Soviet relations by completely withdrawing its military personnel from Cuba. Rusk did not appear, however, to make this a condition for East-West talks to follow up the limited nuclear test ban treaty with other tension-easing agreements.

4-H Style Revue Is Scheduled Tonight; Judging Continues

The annual Jackson County 4-H and FFA fair activity will hit its peak at 7 o'clock tonight with its award program and 4-H Style Revue.

Members of 4-H clubs will carry off trophies almost as big as themselves. More than 100 girls will promenade down a narrow walk to show off their efforts with needle, thread, sewing machine and scissors.

Judging of approximately 100 dairy animals is expected to be completed this afternoon. Approximately 150 head of breeding sheep were run through the show ring today.

One of the newer fair activities, guide dog obedience judging, was scheduled for 1 o'clock this afternoon.

Saturday's activities will wind up the week-long fair shows. The 100 hogs will be auctioned starting at 4 p.m. Saturday. The annual Bar-B-Q will follow. Then the beef will be auctioned off starting at 6:30 p.m. Saturday.

Saturday's events start with the agriculture demonstrations at 8:30 a.m. with dairy showmanship. The flower arrangement contest will be held at 1 p.m. tomorrow afternoon.

Dairy goats will be judged at 2 p.m.

SUED FOR DIVORCE

Los Angeles —(UPI)— Actor Peter Lorre was sued for divorce Thursday by Mrs. Anne Marie Lorre, 37, who charged extreme mental cruelty and said the 58-year-old whimsical movie villain was "utterly irresponsible" about money.

More Loot Found In Train Robbery

London —(UPI)— Police disclosed they have found more of the loot taken in last week's $7.1 million mail train robbery, some of it from two middle - aged sisters among five persons formally charged in the case today.

The total thus far recovered totaled $674,000, with reports that police were seeking an additional $1.5 million buried on a farm near the scene of the greatest robbery in history.

Two suitcases crammed with money, believed to be about $280,000, were found in a forest near Dorking, south of London. Earlier, police said they had recovered about $394,000 at Bournemouth, and $5,600 in banknotes elsewhere.

NEWS BRIEFS
ITEMS FROM AROUND THE GLOBE

CANADA, U.S. AGREE ON NUCLEAR WARHEADS

Ottawa—(UPI)—Prime Minister Lester B. Pearson today announced an agreement with the United States to give Canada nuclear warheads under "joint control" with "satisfactory" protection for Canada's national interests.

MAJOR BREAK HINTED IN RAIL DISPUTE

Washington—(UPI)—A union source said he expected a major development today in the stalemate over railroad plans to eliminate thousands of jobs, and the union threat to stage a nationwide strike Aug. 29 if the work rules are changed. The source refused to reveal the nature of the development.

RED CHINESE TROOPS MASSING, NEHRU SAYS

New Delhi, India—(UPI)—Prime Minister Jawaharlal Nehru said today that Communist Chinese troops were massing along the border for a possible new attack on India.

Foremen of ONPA Slate Semi-Annual Meeting in Medford; Speakers Noted

"The Changing Concepts of Newspaper Publishing" will be reviewed here Saturday for foremen of the Oregon Newspaper Publishers association at their sixth semi-annual meeting to be held at North's Chuck Wagon.

Speaker will be William B. Sweetland, publisher of the Klamath Falls Herald and News.

The two-day meeting will be devoted to the many phases of change in production techniques and mechanical developments in the newspaper field.

C. S. (Doc) Slessler of the Medford Mail Tribune will preside as chairman at the buffet luncheon scheduled for noon Saturday.

Other Speakers Noted

Other speakers on the Saturday program are Wally Walsmith, production manager, Pacific Northwest Newspaper association; Dudley Spofford of the National Cash Register company and instructor in electronic data processing. Walsmith's topic will be "What's New Today?" and Spofford's "What About Computers?"

A panel discussion of classified ad production is scheduled for 3 p.m. with Ken Bue, Daily Astorian; Sam Gruver, Corvallis Gazette Times, and Jim Adams, Salem Capital Press, participating.

The panel will be followed by one on local display ad production. Speakers for this panel will be Guy Beathe, Grants Pass Courier; Frank Lorenz, Statesman - Journal newspapers, Salem, and Don Reed, North Bend News.

Roy French of the Medford Mail Tribune will speak at 4 p.m. on "The Maintenance of Composing Room Equipment."

Arne Strommer, Eugene Register Guard, also will be heard during the afternoon session on the topic, "A System for Controlling Hold Ads."

The Medford Mail Tribune will be host at the cocktail hour at 5:30 p.m. Dinner will be served early to enable the foremen to attend the Shakespearean Festival in Ashland. Glen Prescott, Ashland Daily Tidings, will assist Slessler as host.

Sunday morning the letterpress men will meet at the Mail Tribune plant under the chairmanship of Slessler, and offset papers will meet at North's Chuck Wagon under the chairmanship of Walt McKinney, Hillsboro Argus.

Luncheon will be served at North's Chuck Wagon at noon and two movies will be shown. One will be on Du Pont's Dycril plates and the other on R. Hoe and company press installation at Grit, showing multi-color printing.

A chairman will be elected for the next meeting at the Sunday session.
