Dennis the Menace

It never touches a drop.

You couldn't put water in a Volkswagen if you wanted to. Or anti-freeze either.

The VW engine is cooled by air. It doesn't have a radiator. Or any of the usual radiator problems.

No hose to leak or clog or run up costly repair bills.

Nothing to overheat or boil over in hot weather. (You never see a VW cooling off by the side of the road.)

Nothing to freeze in cold weather. The money you save on anti-freeze is a dandy little dividend.

You get more dividends when it comes to gas and oil.

The VW averages 32 miles to the gallon of gas. Sometimes even more. Sometimes a little less. Depending on how you drive.

You can almost forget about oil. The VW rarely needs it between changes.

Tires go a long way, too. Common wear is 40,000 miles.

Maybe that's why so many people are going Volkswagen. It's not a car that spends your money like water.

VAVS Holds Quarterly Meeting at Domiciliary

White City—About 50 members of the Veterans Administration Volunteer Service held their quarterly meeting at the Domiciliary here this week.

Dr. E. G. Everett, chief medical officer, chairman of the VAVS Advisory committee, presided.

Emil B. Kroeger, Ashland Elks VAVS representative, was named chairman of a committee which will plan a consolidated Christmas program for the disabled veterans. Members of the committee include Mrs. Myrtle Hall, Mrs. Margaret Eakin, Harry Leuty, Mrs. Frieda Lawrence, and Mrs. Helen Lusk.

Plans for the Monday, Wednesday and Friday evening programs in the domiciliary theater were reviewed and discussed. The VAVS "watermelon bust" Sunday was reviewed by Austia Barneburg, committee chairman. The Halloween Carnival, set for Friday, Oct. 25, also was discussed.

Problems Discussed

Planning for members returning to home and other communities, employment opportunities and other problems, was innovated with a committee of volunteers slated to meet with a staff advisory committee. Mrs. Leona Wattenberg, Mrs. Frances Zundel, Kroeger, Mrs. Rita Holmes, Mrs. Dorothy Leuty, Pat Graham, and Mrs. Hazel Rawls were named as members of the volunteers' committee.

The group expressed appreciation to Banks I. Paul, acting director, who is being transferred to the Veterans Administration hospital at Tucson, Ariz., for his cooperation with the volunteer service.

A program of orientation for volunteer workers was set for Wednesday, Oct. 16, from 9 a.m. until noon, and from 1 until 3 p.m. New volunteers will become acquainted with the domiciliary and the valuable part played by the VAVS in the station's overall activity.

Following the meeting and a tour of the domiciliary, the group had luncheon in the employees' dining room.

The next scheduled meeting of the volunteers will be Nov. 4, according to officials.

Watermelon Bust Set at Domiciliary

White City — The second of two "watermelon busts" during this brief hot weather will be held Sunday, Aug. 18, at Memorial park on the Veterans Administration grounds here.

Last Sunday, the Oregon State Elks association, with the Ashland lodge participating, was host to domiciliary members.

Emil B. Kroeger, Elks hospital representative and prominent member of the Ashland group, whose activities on behalf of the disabled veterans has gained him a state-wide attention, acted as master-of-ceremonies and helped with serving generous chunks of good melons. He was assisted by Mrs. Ann Kroeger, Frank J. Glonning, administrative assistant to the chief medical officer, Dr. E. G. Everett; Al Birman, chief of sports; and Walter Mittle, member resident.

The Scottish Bagpipe band of the Ashland Elks entertained.

The "bust" this Sunday will be a part of the Veterans Administration Volunteer Service domiciliary program. Volunteers will act as hostesses and serve during the afternoon.
