MEDFORD MAIL TRIBUNE SPORTS

Medford Athletes Tell College Plans

Plans for the future, naturally, have been of concern to Medford high athletes who wound up their Black Tornado sports careers during the 1962-1963 school year.

Most of them have chosen college as their next goal in sight. Where to go and what to major in has been a problem but most have made decisions.

Some 36 young men were interviewed or checked on by Ken Durkee, ex-Medford high (1960) three-sport athlete. He found that the largest number of this group plan to enroll at Southern Oregon college and the next largest number have picked Oregon State university.

SOC is the choice of 12 athletes and nine plan to attend Oregon State. In all 12 schools are among the choices. Two have picked University of Oregon and three will go to Linfield college.

Other Selections

Other selections are Oregon Technical Institute, Brigham Young University, Seattle Pacific college, Gonzaga university, Harvard university, International People's college (Elsinor, Denmark), Valparaiso university and University of the Pacific.

It is not possible to contact all the senior athletes and some could have been missed. The Mail Tribune would like to hear about them. This information can be phoned to Durkee or to the Mail Tribune sports desk.

Minnesota Vikings Emphasizing Youth

(Editor's note: This is another of a series of dispatches sizing up the prospects of professional football teams for the 1963 season.)

By BOB MARTEL
-Bemidji, Minn.-UPI - You might call the Minnesota Vikings "Van Brocklin's Kiddie Korps."

Gone are all except three of the original group of cast-offs and oldtimers the Vikings acquired in the National Football league's "grab-bag" prior to their maiden 1961 season. Those three are lineman Grady Alderman, Gerry Huth and Frank Yuso.

Pass-catcher Jerry Reichow, starting his eighth NFL season at 29, is the granddaddy of the squad. He is one of only five Vikings with more than four seasons of pro experience.

Last year coach Norm Van Brocklin played 11 rookies and eight second-year men on his two platoons. This year there will be a continued emphasis on rookies and youth.

"Many of the boys we have in camp must learn a great deal," Van Brocklin said. "But there is more enthusiasm this year than ever before and I think we'll be vastly improved."

Sixth Last Year

The Vikings finished sixth in the Western conference last year with a 2-11-1 mark, beating out the last-place Los Angeles Rams.

"I see that we're picked to finish last this season," Van Brocklin said. "That's all right with me. You're in trouble when they pick you to finish first."

The Vikings have an impressive group of rookies in camp, led by free agent Ron VanderKelen of Wisconsin.

VanderKelen, who rose to national prominence in this year's Rose Bowl game, is counted on to back first-string quarterback Fran Tarkenton. The young Green Bay, Wis., native was voted the outstanding player in the College All-Star Game Aug. 2.

Game-Style Drill by East Squad

Pendleton -UPI - The East squad held a game-style scrimmage Tuesday night in preparation for the 12th annual East-West Shrine high school football game here Saturday night.

East coach Bill Hargadine of Central said quarterback Greg Hartman, also of Central, still is out of action because of a tooth infection.

John McKern, 225-pound guard from Brownsville, was singled out by East coaches for his work in the scrimmage.

The West squad worked out briefly Tuesday afternoon under the direction of coach Chet Bowser of Seaside.

The Car Dealers bounced the Mixers 6 to 1 in the seven-inning first game and blanked them 8 to 0 in five innings in the second contest that dropped the curtain on the association season.

Two games were necessitated last night because the tournament was double elimination. Jay Allen went into the final night with one loss while Tru-Mix had gone unbeaten.

Willie Barnum pitched both victories for Jay Allen last night after also having gone the route in a Monday semifinal verdict over United Grocers. Laval Meunier singled and doubled to drive in two runs and John Payne homered for Jay Allen in last night's first game. In the second game, Chuck Hoyt blasted across four runs with a single and triple and Les Walker doubled home two teammates.

Tom Perdue of Jay Allen Cars and Chuck Marrs of Tru-Mix Concrete were batting champions this season in the Jackson County Softball association. League President

Harry Chipman has announced. Perdue won the Major league title with a .382 average on 20 hits in 53 times up. Marrs topped the Minor loop with a .434 on 18 for 53.

In the fifth inning Perdue singled and went to second base on an error. He scored on Meunier's two-baser. On Payne's roundtripper in the seventh, it appeared that centerfielder Ken Breazeale might make the catch. But, he stepped over a hump and into a hole and crumpled to the ground, hurting his ankle.

Bill Weddle of the John Wheeler Loggers was pressed into service from the sidelines to finish the fracas. Breazeale was able to play the second game. Hits by Weddle and Chuck Marrs and an error produced the Tru-Mix run in the second inning.

Seven-Hitter
Barnum tossed a seven-hit first game, striking out seven and walking three. Ron Weatherford gave up nine hits to J.A. He walked one, hit one

and fanned one. Perdue, Meunier, Payne and Shults each had two hits for Jay Allen and Gary Highland two for Tru-Mix.

Jay Allen opened the deciding contest with two runs in the first inning on two hits on balls, a single by Payne and double by Walker. In the third there were two more on singles by Walker and Hoyt, three stolen bases and a base on balls.

An error, wild pitch, sacrifice flyout by Payne, hit by Shults, walk and Hoyt's triple got the three markers in the fourth. Singles by Barnum and Meunier, a fielder's choice and a wild pitch figured in a fifth inning score.

The game was automatically halted, in accordance with the rule book, after five innings because JA had more than the required seven-run lead.

Two-Hit Game
Barnum held Tru-Mix to two hits, by Gary Highland and George Zickfoose. He struck out two and walked

one. Jay Allen socked 10 hits off Jim Reinholz, two each by Walker, Hoyt and Barnum. Reinholz whiffed two and walked four.

Jay Allen lost its first game of the tourney to United Grocers then beat the Grocers after a win over Communication Workers. Tru-Mix advanced with decisions over Colvin and Associate, Keith Schultz Garage and United.

Jay Allen finished second in the Major league after a third place in the full association standings for the first half. Tru-Mix tied for seventh in the first half and won the Minor league in the second half.

John Wheeler Loggers won the first half and the Major league titles but did not wish to play in the association tourney after state tournament action.

Jay Allen 301 010 1-6 3 3
Tru-Mix 000 000 1-1 7 4
Barnum and Love: Weatherford and Marrs.

Jy Allen 202 31-8 10 1
Tru-Mix 000 00-0 2 3

Ollie Matson Goes To Lions

Los Angeles -UPI - Ollie Matson, whom the Los Angeles Rams acquired in 1959 for three-quarters of a football team, today will report to the Detroit Lions after being traded in exchange for offensive lineman Harley Sewell.

Matson, trying to regain his old fullback position with the Rams this season, "became expendable" with the presence of fullbacks Ben Wilson, Glen Shaw and Art Perkins, said Elroy Hirsch, special assistant to Rams' president Dan Reeves, in making the announcement Tuesday night.

Matson, who was a two-time All-Pro with the Rams, was a member of the 1956-57 team that won the Vince Lombardi Award for the best player in the NFL.
