Try and Stop Me

By BENNETT CERF

PLAYWRIGHT Howard Lindsay is on the forgetful side when it comes to social functions. He has been known to wander off from one of his own dinner parties for a brief nap and then forget to come downstairs again.

For years Lindsay engaged in a bitter feud with an actor who had let him down and wouldn't even remain in the same room with him when they met at a party. Then, one night, Mrs. Lindsay was amazed to find him in intimate conversation with the actor across a crowded room. The talk ended in a burst of laughter, with Lindsay clapping the actor on the back.

"I wonder what caused Howard to forgive him?" thought Mrs. Lindsay. At this moment Lindsay whispered in her ear, "Who WAS that fellow I just was talking to, anyhow?"

Asked in a history class to explain what a mugwump was, one ingenious lass (who had not done her homework too carefully) explained smoothly, "A mugwump is a little bird sitting on a fence with its mug on one side and its wump on the other." She wasn't too far off the track, at that!

Charlie Bradshaw finally found a way to outsmart his foxy wife. He gave her such an expensive set of china for her birthday that she no longer trusts him to wash the dishes.

Grange News

Eagle Point Grange

The Eagle Point Grange met Aug. 20 in regular session with Master Cliff Moore presiding. Roscoe Roberts, state overseer, was escorted to the master's station.

Laura Mae Noble and Myrtle Evans were elected to become members of the Grange.

Larry Silveira, from the Eagle Point Irrigation office, spoke on water conservancy and water conservation. He also reported on what could be done in the Little Butte watershed to develop a more stable water distribution. He said that in the last three years there has been a 12 per cent increase in people in the district and it is expected to increase another 12 per cent in the near future. A discussion followed on the flood control project of the Little Butte creek.

On agriculture, Lester Wertz reported on the 4-H fair, which was highlighted when an Angus took the grand champion steer award, the first time in 24 years. He also stated that the quality of all beef animals at the fair was very good. It was reported that quite a number of 4-H members from this area took prizes in the livestock and home economics projects.

Wilford Davies announced that the Jackson County Pomona Grange was again sponsoring the Jackson county booth at the Oregon State fair which starts Aug. 30. Anyone with produce for the booth or who can help with it should contact Delmar Smith at Central Point.

Home Economics Club chairman, Mrs. Wilford Davies, told of the next club meeting which will be at the home of Mrs. Agnes Hubbell, Trail. It will be a covered dish luncheon and will be held Aug. 28. Anyone needing transportation should get in touch with Mrs. Davis. She also reported that the club is planning a ham dinner on Sunday, Sept. 22.

Insurance Agent Roscoe Roberts said the insurance program has been proving very good and growing fast. He reported many good coverages. Any member needing help along these lines should contact him at the office.

The lecturer's program included comments on mistakes made by children taken from a magazine article and excerpts from a book by Fred Allen read by Jim and Lois Wilson.

Roberts spoke at the close of the meeting on the fifth and sixth degrees to be exemplified in the county this fall if enough candidates show interest. He noted that transportation was being arranged for the seventh or national degree to be put on in Portland in November.

Serving refreshments following the meeting were Mr. and Mrs. John Huffman and Mr. and Mrs. Kermit Carroll.

The Fruitdale Grange, Grants Pass, recently visited the Illinois Valley Grange at the Bridgeview Grange hall with 130 members present.

The Grange performed both the opening and closing ceremonies. Grange Master Ike Miller, Fruitdale, presented the traveling rug to Illinois Valley Grange Master Bert Squire. The local Grange will take the rug to the Deer Creek Grange, Selma, on Sept. 7.

Recent improvements made at the Grange by members that were pointed out to the visitors included remodeling of the kitchen, restroom and the installation of a new furnace.

Women of the Grange served refreshments at the close of the meeting.

NATIONAL FOREST TIMBER FOR SALE
Jim Creek Blowdown

Oral auction bids will be received by the Forest Supervisor or his authorized representative at the office of the Forest Supervisor, Post Office Building, Medford, Oregon, beginning at 2:00 P.M., P.D.T., September 6, 1963, for all merchantable timber marked or designated for cutting on an area embracing 136 acres, more or less, within Sections 14, 23 and 24, T. 31 S., R. 2 E., W.M., surveyed, in the Rogue River National Forest, Jackson County, Oregon. The estimated volumes are: 660 M board feet of Douglas-fir; 220 M board feet of sugar pine, ponderosa pine and western white pine; 100 M board feet of white fir and other species. The minimum acceptable bid per M board feet is as follows: Douglas-fir $24.75; sugar pine, ponderosa pine and western white pine $20.15; white fire and other species $9.80. This includes the following rates, per M board feet for stumpage: $22.45 base rate plus an additional $1.45 for Douglas-fir; $13.05 base rate plus an additional $6.25 for sugar pine, ponderosa pine and western white pine; $8.50 base rate plus an additional $0.45 for white fir and other species; and $0.85 for slash disposal for all species. In addition there is within the sale area an unestimated volume of Douglas-fir, logs and peeler blocks, unmerchantable because of defect which the bidder may agree to remove at $1.00 per M board feet, gross scale. The prices bid for stumpage shall be considered as tentative rates subject to quarterly calendar adjustment upward or downward by 0.5 of the difference between the average of the monthly Douglas-fir Region indices, as calculated by the Forest Service, or the Western Pine Association Lumber Price Index, for the three previous months, and the following base indices: Douglas-fir 110.09 (D); sugar pine, ponderosa pine and western white pine 107.54; white fir and other species 93.09 (A). Such adjustments in the price for stumpage shall be applicable to timber scaled during the three-months period following each quarter for which the adjustment is computed. In no event, however, shall the payment rates for each quarter be less than the base rates as stated above. When the adjusted rates by species are lower than the base rates, the difference between the total dollar value of the timber cut at adjusted rates and at base rates will be recorded for each species. The stumpage rates for any species will not be increased above the base rate until the subsequent adjusted rates above the base rates develop an accumulated total dollar value in excess of the recorded accumulated difference for all species. Sealed bids will be publicly opened and posted, at the office of the Forest Supervisor, at 2:00 P. M., P.D.T., on September 6, 1963. All those who submitted a satisfactory sealed bid will be permitted immediately to continue auction bidding. A money order, bank draft, cashier's or certified check in the sum of $7,200.00 must accompany each bid, to be applied to the purchase price, refunded or retained for application to any claim for damages, according to the conditions of sale. If requested by the purchaser, contract terms will permit felling of timber in advance of payment up to the value of the performance bond. If an oral bid is declared to be high at the closing of the auction, the bidder must immediately confirm the oral bid by submitting it in writing on a Forest Service bid form. The right to reject any and all bids is reserved. Forest Service bid forms for use in submitting sealed bids and full information concerning the timber, the conditions of sale and the submission of bids should be obtained from the District Ranger, Prospect, Oregon, or the Forest Supervisor, Medford, Oregon, before bids are submitted.
