

This Week's Plan for Home Builders

By MIAWATNA ESTES
This home originally appeared in this column as a three bedroom design. It proved to be one of our most popular plans. We received many requests for the same basic design with four bedrooms rather than three. Here is the answer to these requests.

You will want to study this plan in detail as it offers many of the design features that most families find essential and desirable for comfortable and efficient living. The home has been designed for looks as well as livability while the plan offers numerous highlights that turn a collection of rooms into a housewife's delight.

The spacious formal living room is well lighted and free of cross traffic. Double sliding doors open from the living room to the dining room. Side by side fireplaces open to both the family and living rooms. If preferred, one could be eliminated during the construction of the home.

Two People Hurt In Medford Mishaps

Two persons were injured in a two-car crash in Medford Tuesday.

Ruby Fran Butcher, 48, of 437 North Columbus ave., was taken by Medford ambulance to Sacred Heart hospital, and Dorothy May Skondrick, 39, of Talent, was taken by ambulance to Ashland Community hospital. Both had been released from the hospitals Wednesday morning.

They suffered injuries when a pickup operated by Walter M. Skondrick of Talent and an auto driven by Judge W. Butcher, 437 North Columbus ave., collided at Third and Front sts., police said.

Butcher was cited for failure to obtain an Oregon operator's license, according to police.

HAS BIG SCRUB JOB

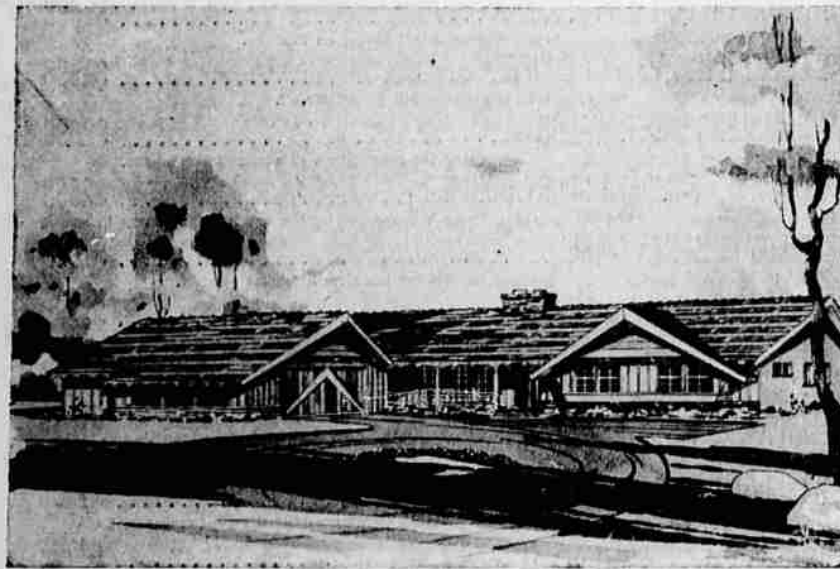

Tahoe Valley, Calif. - John Peter Connolly, 32, of Garden Grove, Calif., kept busy Wednesday scrubbing rocks along a four-mile stretch of Highway 89. Connolly had thought it would be fun to paint his family's names on the roadside rocks. Local authorities ordered him to remove the paint.

Father, Son To Face Murder Charge

Cascade, Idaho - A father and son were arraigned here Wednesday on charges of first degree murder and held without bail pending a preliminary hearing Sept. 17. Valley County Prosecutor Larry Schoenhut filed the charges Tuesday against Jack Burres, 53, Weiser, and son Bob Burres, 35, Ontario, Ore. Roland Clark, a 53-year-old miner was shot through the chest Saturday night. The motive, Schoenhut said, apparently was a dispute over who owned the claim Clark mined.

Motorists Asked To Use Caution

If last year is any indication of what may happen to Oregonians on the highways over the Labor Day week end, death or injury awaits more than 200 people before the 78-hour period ends, Medford Police Capt. Clyde Fichtner warned today. There were 220 people injured in 454 Oregon accidents over the Labor Day holiday last year, Fichtner said. Six people were killed. Safety officials at the local and state level are urging drivers to shield themselves from traffic trouble as they leave Friday or Saturday for recreation areas around the state. Police agencies, as usual, will operate at full patrol strength giving special emphasis to violations known to contribute to accidents, Fichtner said. Traffic deaths in Oregon are running 22.1 per cent ahead of last year. Fichtner contended that many of these deaths could have been prevented by exercise of common sense and courtesy behind the wheel. Cooking vegetables in their skins improves flavor and food value - and saves time.

Father, Son Drown In River at Park

Troutdale - A father and his 6-year-old son drowned in the Sandy River at Lewis and Clark State Park Wednesday as the other three members of a vacationing California family watched in horror. The victims were Victor Herman Hofmann, 38, of Altadena, Calif., and his son, Helmut Karl, 6. Mrs. Christa Hofmann, 33, told authorities she and daughter Birgitte Elizabeth, 4, were wading with the others when they all stepped into a hole. She began swimming and looked back to see Hofmann struggling with the two children. Mrs. Hofmann rescued Birgitte, but the others disappeared. Her screams brought rescuers, who located the pair after a 15-minute search. The second daughter, Christine Anna, 2, had remained on a nearby bench while the others waded. Dust the fuzzy leaves of African violets with a soft paint brush.

Movie Czar Buried In Spokane Service

Spokane - Eric A. Johnston, who spent his youth here as a newsboy and vacuum cleaner salesman before becoming an industrialist and movie czar, was buried Wednesday with services attended by Hollywood dignitaries and old acquaintances. Johnston, former president of the U.S. Chamber of Commerce and president of the Motion Picture association of America, died in Washington, D.C., Aug. 22.
