

SEASIDE QUIET AFTER RIOTING

BEST OF SHOW JUDGING—Handlers work on their dogs during the judging for best of show in the all breed dog show and obedience trial sponsored by the Southern Oregon Kennel club Sunday. A German short-hair pointer, second from left, owned by Gretchenhof Kennels, Costa Mesa, Calif., was judged best of the show. He was also rated the winner of the sporting group.

Wallace Again Defies Order To Integrate School

Montgomery, Ala. —(UPI)—Gov. George Wallace, defying the federal government for the second time in three months, today ordered a white high school scheduled to admit 13 Negroes to delay its opening for one week.

Sources said he was expected to issue similar orders to delay integration scheduled later this week in Birmingham, Mobile and Huntsville.

Wallace issued an executive order less than an hour before the 13 Negroes—eight girls and five boys—were to have entered the all-white Tuskegee High school. The school has grades one through 12 and, although there had been no formal announcement, there was speculation the Negroes would enter classes from the 8th to 12th grades.

In Washington, a spokesman for the Justice Department said Wallace's moves were being watched closely.

Wallace said he acted to "preserve the peace and maintain domestic tranquility and to protect the lives and property of all citizens of Alabama."

Last June, he defiantly challenged a federal court to admit two Negroes to the University of Alabama by trying to block their enrollment.

Four hours later he backed down in the face of Alabama National Guardsmen federalized by President Kennedy. The two Negroes entered the university quietly. One later withdrew.

California Dog Tops 785 Entries for Best-of-the-Show

A German short-hair pointer from Costa Mesa, Calif., was judged the best-of-the-show among 785 entries at the All Breed dog show and obedience trial sponsored by the Southern Oregon Kennel club Sunday at the Medford high school football field.

The dog, champion Gretchenhof Moon Shine, owned by Gretchenhof Kennels, Costa Mesa, also was winner of the sporting group.

The number of dogs Sunday was the largest entry list in the 15 years the club has been holding this show, a spokesman said. Dogs and their owners and handlers were from all of the western states including Alaska, with a few from the Midwest and East. They competed in the

Teachers To Hear Former Engineer

Daniel W. Fry, former missile engineer and author of several books on flying saucers, will address the teaching personnel of three valley school districts tomorrow.

Fry, who now lives in Merlin, will speak at a meeting of Medford school district teachers at about 11 a.m. at Hedrick Junior High school.

Then at 1:15 p.m. he will speak to a joint meeting of Ashland and Central Point school district personnel at the Ashland Junior High school.

Fry was engaged in rocketry engineering in southern California for a number of years, during which time he designed several parts of the guidance system of the Atlas missile.

In one of his books, he stated that while working at White Sands Proving Grounds, N.M., in 1960 he took a ride in an extra-terrestrial spacecraft.

Race Car Plunges Into Roseburg Crowd; 2 Killed

Roseburg — (UPI) — A racing car left the track and plunged into a grandstand in front of some 2,000 horrified spectators Saturday night, killing two men and injuring 23 other persons.

The accident occurred at the speedway five miles south of here during the third lap of a hardtop race.

Dead were spectators Orval Bell, 27, and Del Ray Peirson, 42, both of nearby Winston. Roger Mills, 18, also of Winston, was injured critically.

None of the others hospitalized was reported in serious condition. Thirteen were released from hospitals Sunday or were treated for minor injuries after the accident and released. Nine others were listed in good condition today.

Driver Bruised

Marion (Bud) Van Osten, 30, Roseburg, driver of the race, was thrown from the vehicle and suffered bruises and abrasions.

The accident occurred, officials said, when Van Osten's left rear wheel apparently caught the right front wheel of the car driven by Al Welker. Van Osten's car flipped over a retaining wall and into the grandstand's third, fourth and fifth rows.

Walker's car spun but wound up harmlessly in the center of the track. He was not hurt.

Local Fans Hurt

The injured were from the Roseburg area except for Hilda Ahmstrom, 25, Fremont, Calif., who suffered a leg fracture, and her husband, Alfred, 25.

Others who were hospitalized included: Dennis Mills, 52, Winston; Susan Mills, 17, Dilard; Andrea Mills, 21, Winston; Sherman Davis, 44, Winston; Billie Jean Black, 8, Winston; Pat Lail, 8, Winston, and Ina Jean Bell, 20, Winston.

Others treated for injuries included Mrs. Virgil Mills, 23, Winston; Mrs. Harold Marlow, Winston; Thomas Jones, 30, Roseburg; Pat Harty, 17, Winston; Ralph Christopher, 15, Eugene; Harry Thorn, 22, Roseburg; William Robertson, 27, Winston; Frank Davis, 13, Winston; Wanda Lee Hooper, 28, Eugene; Rodney Burkhardt, 21, Coquille; Edgar Person, 44, Roseburg, and Harold Keeney, Winston.

Job Opportunity Urged in Labor Day Messages

Washington — (UPI) — Union leaders and government officials today observed Labor Day with new demands for equal job opportunity for Negroes and action to combat chronic unemployment.

Labor Secretary W. Willard Wirtz appealed to organized labor to help finish by next Labor Day "this matching of what we are doing with what we have been saying" about equal job opportunities.

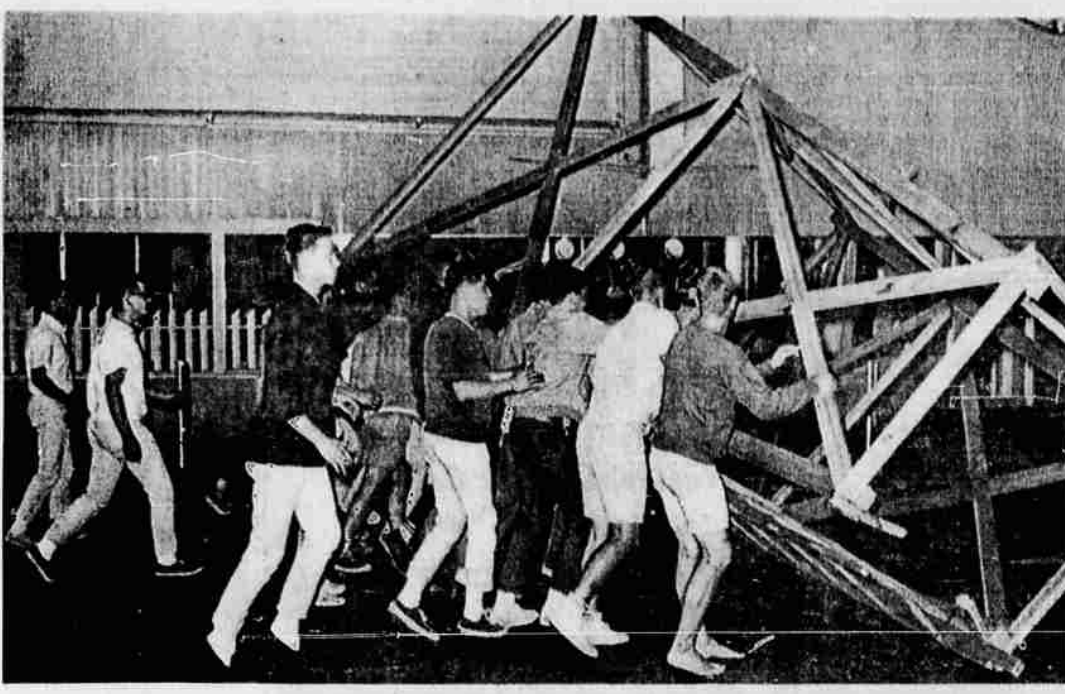

AFL-CIO President George Meany urged the administration and Congress to take more action to create jobs for the unemployed. He said "joblessness aggravates race discrimination and race discrimination weakens the economy."

In another Labor Day statement, James B. Carey, an AFL-CIO vice president and head of the International Union of Electrical Workers, said white southern workers, competing for too few jobs, are barring Negroes from union activities. He called this "just as immoral as the Berlin wall."

Meany said he was shocked by "the lack of meaningful action or any visible sense of urgency" in Washington about the nation's steady unemployment rate of more than 5 percent of the labor force.

"Unless there are jobs available," he said, "equality of opportunity is meaningless."

The AFL-CIO leader pressed for a basic 35-hour work week, a tax cut, pay increases and broader social security benefits.

WEATHER

FORECAST: Little cloudiness at times, otherwise, fair tonight and Tuesday. Low tonight 53, high Tuesday 88.

Highest Yesterday 83
Lowest This Morning 54

Saturn, due south 11:49 p.m.

Five Killed in Oregon Accidents

By United Press International

At least five persons have died on Oregon's highways since the Labor Day week end began Friday night.

The latest two victims died in one-car crashes in the Klamath Falls area early today.

Larry Cecil Ferguson, 31, of Klamath Falls was killed when his car went out of control and hit a power pole and a tree at the edge of U. S. Highway 97 in the city.

Daryl Eldon Roff, 22, Sweet Home, was killed instantly when his car went off the highway near Diamond Lake Junction and crashed into a stand of jack pine. State police said he apparently went to sleep.

Paul Simantel, 24, Oregon City, died in a hospital in Oregon City after a one-car accident early Sunday, and Harvey Eagleton, 27, and James Rogers, 50, both of Malin, died in a two-car collision near Malin Friday night.

Two Boys Remain On Critical List

Two boys who were injured in traffic accidents last week in Oregon, remain in local hospitals in critical condition, hospital officials reported today.

Forrest Newman, 17, of 126 Elk st., who was injured Thursday when his motorbike hit a car at Central ave. and Tenth st. is at Sacred Heart hospital.

Paul L. Robinson, 18, Vancouver, B. C., who was injured Thursday in an automobile accident in North Bend and flown here by Mercy Flights Inc., was reported still on the critical list, but "slightly" improved today.

Police Break Up Angry Negro Crowd

Plaquemine, La. — (UPI) — State police using tear gas and fire hoses dispersed an angry crowd of 1,000 Negroes Sunday night and flushed 700 Negroes from a church with a barrage of gas and water.

Twenty state troopers were treated for cuts from flying rocks. Scores of demonstrators were injured and 68 arrested, one of them a 22-year-old white girl, in the second consecutive night of racial violence in this Mississippi riverfront town.

Most of the injuries suffered by the demonstrators were from tear gas burns and flying glass.

Salem — (UPI) — Freddie Dunn, 47, of Portland escaped from the Oregon State Hospital here Sunday night.

Soviets Plan Service For British Defector

Moscow — (UPI) — The Russians today made preparations for the funeral of British defector Guy Burgess, a leading figure in one of the most sensational international spy cases of modern times.

Friends of the one-time diplomat said details of the funeral might be completed by tonight.

Burgess, 52, died Friday in Moscow's Botkin hospital of acute hardening of the arteries. The disease apparently was aggravated by excessive drinking and smoking.

CIA Accused of Plot To Overthrow Diem

Soigon, South Viet Nam — (UPI) — The English-language Times of Viet Nam today accused the U.S. Central Intelligence Agency (CIA) of plotting to overthrow the government of President Ngo Dinh Diem.

The accusation came as one of the three Buddhist priests being sheltered by the U.S. embassy was identified as a leader of the Buddhist resistance movement who had been branded a Communist by the Vietnamese government.

Tension Eases After Two Days Of Destruction

State Policemen Suffer Injuries

Seaside — (UPI) — An estimated 2,000 young rioters began heading for home today after two days of violent outbreaks in this coastal resort town.

The tension appeared to ease after three destruction-filled incidents Saturday and Sunday caused hundreds of dollars in damage and resulted in injuries to two state policemen.

Four National Guardsmen remained on guard at a Pacific Power and Light Co. substation after rioters attempted to wreck it Sunday night. Elsewhere, windows were smashed, benches broken, a lifeguard tower torn down, and street and shop signs destroyed.

Better Organized

Police said the rioting was more violent and better organized than that which shocked the area last Labor Day.

State policeman Kenneth Lampkin was injured when hit on the head with a sand-filled beer bottle. Patrolman Hal Cianni was cut on the hand by a flying rock.

At one point, a policeman lost his gun when he was knocked down in a scuffle. Authorities quickly brought in jeeps and trained their headlights on the spot until the weapon was recovered.

Many Arrested

At least 46 arrests were made since start of the week end.

All liquor and beer sales from Cannon Beach, 5 miles south, to the Astoria city limits, 20 miles to the north, were halted. Take home beer sales were stopped in Astoria.

Club swinging police, reinforced by a state police riot squad, kept the situation from getting completely out of hand. But the youths, many of high school age and many wearing college sweaters time and again reformed to create new disturbances.

The trouble broke out about midnight Saturday after it appeared for a while that this coastal resort town of 3,677 might escape the rioting which resulted in many injuries and 125 arrests a year ago.

Youths broke from the beach area and carried an 18-foot lifeguard tower down main street.

Local police and volunteer firemen put down this disturbance in about 45 minutes. Extra state police were rushed in and the National Guard was alerted.

Tension mounted Sunday as the town filled with an estimated 2,000 youths.

A National Guard unit was placed on rooftops.

Authorities herded the crowd back to the beach after face-to-face taunting for more than an hour. But the youths began congregating again after darkness fell Sunday night.

Then, the worst of this year's rioting occurred as rocks and bottles were hurled and many youths broke into town. Windows were broken in a bank, the post office and a furniture store.

State Police Supt. H. G. Malson who rushed here early Sunday with Warner Nunn, Gov. Mark Hatfield's administrative assistant, directed a force which drove the youths back to the beach, and split them into pockets.

Some of those arrested were picked up before the rioting started on charges of illegal possession of alcohol. Many were arrested for disorderly conduct.

Lewiston, Idaho — (UPI) — Donald Deane, 21, Lewiston, was being held in the city jail here today in connection with the fatal stabbing Sunday of his 17-year-old wife, Loretta Mae.

VIOLENCE FLARES—For the second consecutive year, teen-agers rioted over the Labor Day week end in the Oregon resort town of Seaside. In the upper photo, a group of teen-agers is shown pushing over a stand Sunday morning. In the lower photo, a steel-helmeted Oregon state policeman was injured by a flying bottle filled with sand. (UPI)

Trick Shot Artist Kills Young Daughter in Exhibition Mishap

Calexico, Calif. — (UPI) — A trick shot artist who accidentally killed his teen-age daughter during a shooting exhibition today was expected to be cleared of any wrong-doing.

"It was an accident," investigating policeman Andy De Lira said today. "The witnesses will attest to that."

Marilyn Ploof, 15, was shot in the forehead Sunday at the Calexico gun range during part of a show she and her father had performed countless times without accident. She stood with two balloons attached by a band to her head.

Her father, Milo Ploof, 39, moved to a distance of 20 feet to fire 33-caliber guns, and burst the balloons simultaneously.

She had performed the stunt, as well as one already completed — in which Ploof split a piece of chalk she held between her teeth — so often she stood completely composed, with no discernible movement.

But Sunday something went wrong.

When Ploof fired, a bullet from the gun in his right hand struck his 15-year-old daughter in the top of the head.

The 5-foot-7 girl slumped to the ground without uttering a sound.

"I thought she was playing a joke," Ploof told policeman Andy De Lira.

But when Ploof reached her side, he saw blood spurting from the wound.

"You're going to be all right, baby," Ploof said, his voice still strong and firm.

But Marilyn apparently never heard him. She was pronounced dead within minutes at Calexico hospital.

Before the tragedy, Ploof had shot a piece of chalk from Mar-

Three Hospitalized After Sunday Traffic Accidents

Among the more serious traffic accidents investigated during the week end by valley law enforcement officers was one on Rogue River highway near the Rainbow cafe.

Reported in satisfactory condition this morning at Sacred Heart hospital were Leonard LaMar Winn, 28, of 1123 N. St., Grants Pass, and Delbert Dean Coleman, 31, of Merlin, Ore. They are reported suffering from multiple bruises and fractures.

According to Oregon state police, the accident occurred about 9:30 p.m. Sunday when the vehicle operated by Coleman failed to make a curve, went into a ditch and turned over. The men were taken to Josephine General hospital in Grants Pass and later transferred to Medford.

Three drivers were cited in two separate Medford vehicle accidents Sunday which occurred within two minutes of each other. No others were reported in the city during the remainder of the day.

Bernard Keith Schultz, 21, of 610 South Holly st., was injured about 2 a.m. when he lost control of his car on a turn, hit two trees and a fence at 512 North Holly st., and a garage at 502 North Holly st.

Schultz was cited by officers for violation of basic rule. He was later admitted to Crater Osteopathic hospital, where he was reported in fair condition today.

Vehicles operated by Willis Ralph Huff, 23, and Patrick Francis McCormick, 23, both Central Point, collided at North Pacific highway and Birch st., shortly after the other accident.

Both men were slightly injured, but did not require first aid, officers said. Huff was cited for operating his vehicle without lights, and McCormick was cited for driving with a suspended operator's license.

Goldwater Slates Fall Engagements

Washington — (UPI) — Sen. Barry Goldwater, a leading prospect for the 1964 GOP presidential nomination, is planning a series of fall speaking dates throughout the nation including several states with large convention delegations.

Aides of the Arizona Republican said Sunday the nine-state tour planned for September and October would take Goldwater into such states as Ohio, Pennsylvania, California and Texas.

Incomplete plans also called for speeches in Colorado and possibly New Jersey in late September or early October, as well as a conference of Western GOP State Chairmen at Eugene, Ore., in mid-October.
