Liz, Burton Delay  
Flight to Mexico

London —(UPI)— Elizabeth Taylor and Richard Burton postponed plans to fly to Mexico today for the next chapter in their off-screen saga of togetherness.

The constant companions, both married to someone else, had expected to leave London today, but Richard Hanley, Miss Taylor's secretary, said they would not make it.

"They will definitely leave this week, though," Hanley said. Since both movie stars are shy about travel plans, this could be anytime and without warning.

Burton, who has just completed a role in a new film, is going to Mexico to star in "Night of the Iguana" by Tennessee Williams. Miss Taylor is going along to keep him company.
