

Southern Girls Early Winners At Atlantic City

Atlantic City, N. J. — (UPI) — Save your Confederate money, boys, the South is rising again — only this time the girls are leading the comeback, with the weapons only a woman has, at the Miss America pageant.

Two southern belles — Miss Virginia and Miss Alabama — returned today as the winners of the first preliminary competitions in the talent and bathing suit categories, respectively.

Medley of Songs
Miss Virginia, 23-year-old Dorcas Campbell, bears a close resemblance to Mrs. Jacqueline Kennedy. She won the first preliminary talent contest Wednesday night over 16 other contestants on the basis of her singing of a medley of two musical comedy-type songs and a semi-classical number. She is the oldest candidate in the pageant.

Miss Alabama, Judith Short, is a statuesque blonde of the feet, seven and one-half inches. She captured the swim suit with her golden hair curling about her shoulders as she tripped along the runway extending out past the 11 judges and into the audience at Convention Hall. There were 17 other contestants.

Dorcas of Fairfield, Va., is an accomplished soprano with four years of formal voice training. "But I've been singing all my life" — and considerable experience singing in summer stock and on radio and television. She hopes to sing opera.

Appeared as Soloist
She also made an appearance as soloist with the Chicago Symphony with Arthur Fiedler as guest conductor. Fiedler is one of the judges at the Miss America contest.

Judy is a former high school basketball star who has studied piano and dance since early childhood but who has switched her interest to the marimba, which she will play when her talent group competes Friday night.

The hazel-eyed, 122-pound Birmingham — Southern college freshman said her victory Wednesday night was a complete surprise.

"I thought, well, this just isn't my category so I'll just enjoy myself," she said. "So I did."

"This is the last thing I expected to happen because my brother has always accused me of being chubby."

Yugoslavia Hails Khrushchev Visit

Belgrade (UPI) — Yugoslavia today hailed the visit of Soviet Premier Nikita Khrushchev as a "new significant step" toward preserving peace and building world communism.

The official Yugoslav Communist party newspaper Borba, in its first editorial comment on Khrushchev's visit, lashed out at Communist China for denying peaceful coexistence and charged the Peking regime with trying to force the Communist movement with a "war or peace dilemma."

Borba said the new Soviet-Yugoslav friendship, spurred on by common opposition to Peking's militant ideology, already had boosted Yugoslavia's trade with Russia by 50 per cent.

Khrushchev completed his 15-day visit to Yugoslavia Tuesday. The visit ended a 15-year feud between President Tito and Moscow caused by Tito's expulsion from the international Communist movement in 1948 by Josef Stalin.

Both Tito and Khrushchev reject nuclear war as a means of spreading communism, but the Chinese Reds do not. They have been denounced by Peking for seeking peaceful contact with "Western imperialism."

Borba said Khrushchev's visit was a "new significant step" which fully shows the real and sound foundation of friendly relations between Yugoslavia and Russia.

County Has Second Highest Number of Petition Signatures
Jackson county was second only to Multnomah county in the number of verified signatures turned in on petitions to refer the recently proposed \$60 million increase in state income taxes to a vote of the people, according to Mrs. August Zundell, Medford.

Jackson county had 6,009 signatures compared to Multnomah county's 17,595. Heavily populated Lane county had 3,853. Klamath county had 3,746 signatures and Josephine county, 3,007 signatures.

Mrs. Zundell was local chairman for the petition drive.

Thunderbird Market's BIG ANNUAL 7 DAY

CHUCK ROASTS

Morrell's Pride tender aged grain fed beef from the Midwest—Really tops in fine eating qualities—Just taste the difference.

ALL BLADE AND SEVEN BONE CUTS Carefully Trimmed **39¢ lb**

Prisoner Walks Off Bean Field Job
Salem—(UPI)—Inmate Marvin Steadman, 30, walked away from a bean picking crew Harrell's bean field near here Wednesday.

Thunderbird MARKET
CORNER JACKSONVILLE HIWAY AND LOZIER LANE

Area FFA Winners Announced at Oregon State Fair

Several southern Oregon members of Future Farmers of America chapters at Crater, Eagle Point and Grants Pass High schools, won places in competition recently at the Oregon state fair in Salem.

From Crater winners were Alan Bray, two fifth places, senior heifer calf and junior bull calf, Aberdeen Angus division, first, beef-class 1, livestock holders; Dick Field and James Lloyd Tenor, third and fourth places, respectively, junior yearling heifer, beef-herford division; Pat Neal, third, junior yearling sow, Hampshire division; Ron Beasley, fifth, senior gilt, Berkshire division, third, aged rams, Suffolk division; Roger Kirkham, first, aged sow, Berkshire division; Joe Beecher, fifth senior yearling sow, Yorkshire; Ross J. Conger, first and fourth, aged ewes and ewe lamb, Suffolk, second, sheep class 1.

Clint Gibson, third, Suffolk wool; Ross J. Conger, second, alfalfa hay; Jim Caldwell and Ron Beasley, first and second, respectively, green peppers; Jim Culwell, second, zucchini squash, fourth, home garden exhibit, third, cucumbers, and fifth, carrots; Ron Beasley, first for sweet corn, cabbage, and muskmelons, fifth, cucumbers, third, home exhibit; Gary Kirkham a n d Ron Smith, second and third, barley; Larry Ford, third, extracted honey.

For Eagle Point there were Mike Charley, fourth, other breeds of swine and three year old and over cow; Horace Webster, first, class 2 sheep; Rusty Vaughn, third with 574 points for individual judging and first in swine judging with 200 points. Grants Pass winner was Mike Elmore, third, sample of Corriedale wool.

Insured Jobless Figure Declines

Salem—(UPI)—The rate of insured unemployment in Oregon for the week ending Aug. 29 was the lowest for the last week in August since 1959. Employment Commissioner David H. Cameron said today.

There were 9,855 weeks of unemployment insurance benefits claimed last week, a rate of 2.4 per cent, compared to 3.5 per cent four weeks earlier, and 3.6 per cent a year earlier. In 1959, the rate was 6.7 per cent during the last week of August.

Highest rate of insured unemployment in Oregon since 1959 was 10.1 per cent, remained at Hood River where fruit harvesting and processing is between seasons, and the lowest rate, 1.2 per cent, was at Ontario where a high peak of harvesting and food processing is in progress.

The Oregon unemployment insurance trust fund contained \$67.2 million on Aug. 30, compared to \$52.2 million a year earlier.

Because the surplus is over \$60 million, employer experience ratings will go into effect on Jan. 1, 1963, Cameron said.

Automation Seen For Cargo Ships

Honolulu—(UPI)—Automation of the nation's ocean-going cargo vessels is inevitable — because it is part of the continual process of change, the evolutionary aspect of our modern competitive society.

This is the opinion of Stanley Powell, Jr., president of Matson Navigation company.

"The economies favoring increasing automation aboard cargo freighters are compelling," he said in a speech to the Honolulu Chamber of Commerce. "It must be accomplished in the next several years, for the good of the industry, and for those in the industry."
