142 Major Crimes Investigated By Police In August

A total of 142 major criminal offenses, including 30 burglaries, were investigated by Medford city police during August, according to the monthly report released by Chief of Police Charles P. Champlin.

Of the 30 burglaries reported, five of the cases were closed. During August last year, 20 burglaries occurred in Medford, and in August 1961 some 21 were investigated.

Some 79 cases of theft of $50 or less were investigated last month, as compared with 93 for the same month last year. Of the thefts reported, some 19 were closed for a percentage of 24.1.

Under miscellaneous offenses, 44 cases of embezzlement and fraud, four of forgery and counterfeiting, and six of minor assault were reported in the city last month.

Fifty persons were arrested for drunkenness, and 13 were arrested for disorderly conduct. Officers investigated three reports of sex offenses and closed one of them.

Seventy-one motor vehicle accidents occurred in Medford last month, as compared with 77 during August 1962. Twenty-one injuries were reported, but there were no fatalities.

Some 123 drivers were cited for violation of basic rule, and five were cited for driving while under the influence of intoxicating beverages.

Twenty drivers were cited for causing excessive noise, and three received citations for failure to leave information at the scene of an accident.

7,500 Visit Home In Jacksonville

Almost 7,500 persons visited the Beekman Home in Jacksonville during the first year of its establishment as a Siskiyou Pioneer Sites Foundation historical site, according to a report from the University of Oregon.

The Beekman Home, one of the finer buildings of the Jackson county pioneer period, is owned by the University of Oregon, which has arranged with the Foundation for its use as an historical site. It was given to the university through the will of the late Carrie C. Beekman.

The home, with the original Beekman furniture, is open to the public at a nominal fee. During the period since the Beekman Home was opened to the public in May, 1962, the admissions have included 1,308 children, 839 students, and 5,343 adults. Summer visitors, since June, are not included in the figures, the university said.

Medford Firemen Report Three Fires

Medford firemen answered three alarms Saturday. One call was a false alarm, and damage was not serious at either of the other two, firemen said.

About 12:34 p.m., a trash fire was extinguished at the residence of Paul Kenney, 1028 West 13th st. A grass fire at 467 DeBarr ave. was put out about 3:04 p.m.

Firemen said a house fire at 625 Park Place Five was reported about 3:38 p.m. A truck drove to the street but discovered no such address exists.

New York is visited daily by about 150,000 persons, including workers and tourists.

Insurance Agents From Area Plan to Attend Meeting

Medford and Ashland will be represented by a delegation of at least nine insurance agents when the convention of Insurance Agents opens at the Gearhart hotel on the Oregon coast Sept. 16.

Advance registrations indicate that the convention may be the largest in the 35-year history of Oregon's property and casualty insurance agents organization, Lou Cranston of the Goldy-Cranston - Henselman agency here, has reported.

About 500 insurance men and their wives have registered for the three-day conclave.

A tour of historic landmarks has been arranged for the wives of insurance men attending the convention and advance registrations indicate that more wives are planning to attend than ever before, Crantson said.

Welcome Address

Oregon Insurance Commissioner Walter G. Korlann will welcome the convention guests and Hayne P. Glover, president of the Agents National association from Greenville, S. C., will be the keynote speaker.

Workshops are scheduled for Tuesday and Wednesday. Officers will be elected for the 1963-1964 term and 12 panelists will be heard on office procedures, public relations and personal lines.

A clam bake will be held Wednesday night as a convention finale.

Attending from Medford will be Cranston and Ralph Swalling of the the same agency; Harvey Martin of the H. O. Martin Agency, Gilbert Tumy of the Tumy Insurance agency, Duane Baker of the Busch - Baker Insurance, Ashland; Ren Taylor, Ren Taylor Insurance; Floyd Hart, Jr., William Salade and A. N. Potter of the Security Insurance Agency.

Mr. and Mrs. Cranston and Mr. and Mrs. Ralph Swalling plan to leave Monday morning for the convention. Some delegates may go earlier and some later.

Gromyko Coming For UN Assembly

UNITED NATIONS, N. Y. (UPI)—Soviet Foreign Minister Andrei Gromyko will fly to New York today to resume East-West talks and attend the UN General Assembly which opens Tuesday, it was disclosed in Moscow Saturday.

Disarmament is expected to dominate the agenda of the 18th General Assembly, with hopes high that the partial nuclear test ban agreement reached by Russia, the United States, and Britain last summer will lead to further steps.

Gromyko will meet with Secretary of State Dean Rusk and British Foreign Secretary Lord Holme and may go to Washington for talks with President Kennedy. He told Western ambassadors in Moscow this week he will stay in New York "as long as necessary" for the talks.

Thant also said Soviet Premier Nikita S. Khrushchev would not repeat his 1961 visit to the assembly this year.

WALL 'FLIMSY'

BERLIN (UPI) — Frank L. Howley, U. S. commandant in Berlin during the blockade, Saturday called the Berlin Wall "flimsy and unimpressive."

Wilson Hurls New Charges At Tories

LONDON (UPI) — Labor Party Leader Harold Wilson said Saturday Prime Minister Harold Macmillan's government had brought a "progressive corruption of standards of public life in recent years."

Wilson, in a speech at Lydney, did not mention the Profumo scandal directly but he said there was grave danger that preoccupation with recent much-publicized court hearings and speculation about individual ministers would divert attention from more serious corruption.

"Ministers have shown a blithe disregard for our constitutional distinction between the executive and the judiciary by their blurring of their quasi - judicial duties with their party political preoccupations," he said.

Three Killed In Auto Crashes

By United Press International

At least three persons died in car crashes in Oregon Friday.

Kenneth Eugene Frye, 22, Crawfordsville, was killed in a one - car accident on a Linn County road seven miles west of Sweet Home Friday night.

Edward Arthur Russell, 63, Coos Bay, was killed when his pickup collided with a car head-on a few miles east of Scottsburg on highway 38.

Driver of the car, Richard Hellickson, 42, Eugene, was apparently not injured.

A Mountain Home, Ida., man, Solon Withers, 74, died Friday morning while driving on U. S. 395 near Riley, Ore.

State police said his vehicle left the road and traveled down the barrow pit for several hundred yards without overturning.

Officers said they were considering an autopsy. He was en route to Idaho when the accident occurred.

'Dead' La Grande Resident Is Revived

LA GRANDE (UPI) — A 58-year-old La Grande man who was pronounced clinically dead after collapsing from an apparent heart attack here was revived with the aid of a cardiac defibulator Friday.

Rice McHaley had his heart started with the defibulator in a La Grande hospital after having collapsed about 45 minutes earlier. He was listed in critical condition Friday night.

Both his physician, Dr. William Kubler, and Union County Coroner Dr. Jay Sloop had pronounced the victim clinically dead upon arrival at the hospital.

Dr. Kubler said his examination disclosed the patient had no blood pressure, was not breathing and that his heart had stopped. However, artificial resuscitation had been kept up on McHaley.

The defibulator, used to break heart flutter, sent 440 volt pulses into McHaley's heart via electrodes attached to his chest. The victim's heart was started three times before it began to pump by itself.

Racial Dispute Ties Up Ocean Liner Trip

NEW YORK (UPI) — The liner America with 960 passengers aboard was tied up Saturday night in a racial dispute involving members of the crew.

The America was due to sail for Europe at noon EDT.

But hours later there was no sign of progress toward a settlement and the vessel was still at its pier in the Hudson River.

The amount of energy fixed annually in the sugar manufactured by plants in the U.S. is the equivalent of about 300 billion tons of coal.

County Court Asks Speed Up Of Gas Company's Project

The county court told representatives of California-Pacific Utilities company and Roy Price Construction company, California, Friday afternoon that the cleanup work following laying of gas pipelines through the county must be speeded up.

Prompted by County Commissioner Don Faber, the county court made out an order to halt laying of a spur gas line along Kirtland rd. near Tolo but is holding it for 10 days to give the construction company time to bring its cleanup work to where it is laying pipeline. The order was on the county court desk unsigned this week end.

County Commissioner Don Faber and County Judge Earl M. Miller said the county court had received numerous complaints about the delay in cleanup work. The main gas line is now within 3,000 feet of the substation at Ashland. However, the cleanup work is only as far as Seven Oaks junction.

Cleanup work would include righting mailboxes along the pipeline right-of-way, filling in road shoulders with gravel, clearing culverts, drain structures and driveways.

"Actually, I feel these people have done a pretty darn good job with their cleanup work," County Engineer Robert Carstensen said Saturday. "You can not run pipelines along 38 miles of roads without running into some problems."

Representatives of California-Pacific Utilities, the construction company and the gas company attorney, Frank VanDyke, Medford, met with the county court, county engineer, and Vern Smith, inspector for the county roads department in a three-hour session Friday afternoon.

Wimberly Leaves on World Study Trip

Carl E. Wimberly Jr., Medford, was the only lumberman among 22 wholesale industry representatives from throughout the United States who left San Francisco Friday on a 30-day wholesaler world study mission.

President of Western Lumber, Inc., and a member of National-American Wholesale Lumber association, Wimberly will examine lumber export market potential in 11 countries in Europe and Asia.

The mission includes representatives of a wide range of products and services at the wholesale level of U. S. business. It is sponsored by the National Association of Wholesalers, Washington, D. C.

Cold War Said Getting Hotter In Mid-East

WASHINGTON (UPI) — Israel is faced with the urgent need to strengthen her defense because its Arab neighbors have recently intensified their threats of aggression, Israel's Minister of Development and Housing Josef Almogi said Saturday.

Addressing the National Planning Conference of Israel State Bonds here, he said while the cold war was cooling off in other parts of the world, it was growing hotter in the Middle East.
