

# Red Raiders Trim Alumni Team 19-6

ASHLAND — Southern Oregon college footballers buckled down to hard work in practices this week after defeating the Red Raider alumni 19 to 6 in a tussle on Friday night in which all hands got to see some action.

Coach Al Akins feels his aggregation still has a long way to go in preparing for the game with Weber at Ogden, Utah, this Saturday night.

"I feel this team is as good as last years but it has not worked together enough and has a lot of work to do to come up to that standard," he remarked. "I feel the team is capable (of beating Weber) but it has a lot of jelling to do."

The Raiders scored twice in the first quarter and once in the third to take a 19 to 6 lead.

Steve Grimes concluded a 64-yard drive with a 10-yard scoring run. Then Olsen went the final yard when the SO crew moved in from the Alumni 45 and he added the conversion kick.

Skip Bennett recovered a Grad fumble on the Alumni 30 and later scored on a one-yard play.

The Grads drove 57 yards for their TD with Jack Brown sneaking the last five.

A traveling team of 33 players will be selected this week as the Raiders grid for what Akins believes will be the toughest crew the Raiders will face.

Akins says the need of getting ailing players back in action. Mike Hood hurt his knee and Olson an ankle in the Saturday action. There are others on the squad with lesser hurts.

The coach said that he was pleased with some of the players Saturday but not all. A number of the boys, he declared will have to stop playing high school ball and start playing college ball.

# Linfield Grads Down Varsity

United Press International  
Linfield's alumni posted a 13-6 victory over the defending Northwest conference football champion Wildcats at McMinnville Saturday night.

The varsity's touch down came on a 78-yard run by Pat Thurston in the final period.

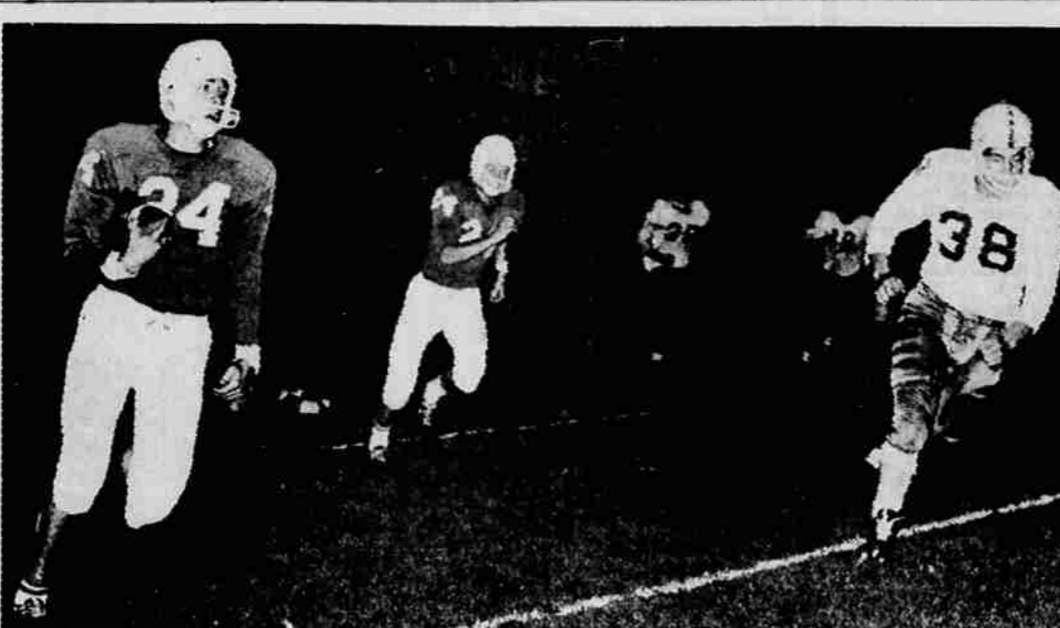

Pacific, with Denny Ingram scoring two touchdowns, defeated its alumni 18-6 at Forest Grove.

At Portland, Lewis and Clark's alumni turned in a 20-16 victory over the varsity. Mickey Hergert scored both the Pioneer's touchdowns.

**TWO MORE IN FIELD**  
PORTLAND (UPI)—Two late entries in the Portland Open golf tournament Sunday brought the field to a record 149 four-day medal play at Columbia-Edgewater Country club Thursday. A pro-amateur event is scheduled Wednesday. The latest entries are Joe Campbell and Dave Hill.

ROUND FOR GOAL—Tim Sakraida of St. Mary's high crosses his own 30-yard line on 30-yard punt return for touchdown in first quarter of Saturday night football game with Glide. Virtus Savage (38) of the Wildcats seems to be running interference for the Crusader player. Actually he was trying to catch him. Sakraida proved too fast. The game ended in a 12-12 tie. SM back of Sakraida is John Batzer (24).

# St. Mary's, Glide Elevens Tie 12-12

St. Mary's high of Medford scored two touchdowns in the opening quarter here Saturday night—one an 80-yard punt return by halfback Tim Sakraida. But, the quick jump did not prove enough. Glide's Wildcats came back with a pair of markers on their own and the first 1963 football combat for both schools wound up in a draw.

With neither team gaining a conversion point the score was 12 to 12.

Big play of the night was on St. Mary's second touchdown. Sakraida gathered in a punt tossed by Glide's Wade Sumpter. The ball was taken on the Crusader 20-yard line. The SM halfback faked a handoff, raced for the right sideline behind a protective screen and headed for the Wildcat goal.

The pickets got him on his way but Sakraida simply had more speed than Glide players who were not blocked out. Jeff Randolph's conversion pass was caught by Ron Roberts behind the end zone.

Lucas Soares Fumble

A fumble recovery by John Lucas got St. Mary's on its way to its first TD of the night. The Crusaders took possession on the Glide 36-yard line. Six plays later they were across the goal. A John Batzer pass to Randolph for 12 yards was the TD maker.

Runs of Sakraida for 13 yards and Randolph for 14 put the ball on the nine-yard line. Batzer lost to the 13 and Don Valentine gained back to the 12. The score came on fourth down. Randolph's kick on the point after TD try hit an upright.

Glide moved out from its 44 to promenade to its first goal and the tally came on the first play of the second quarter. The 15-yard pass was Sumpter to Gary Mayfield. Sumpter, trying to short the extra was stopped short of the goal. The drive

went 56 yards in seven plays.

The Wildcats, like St. Mary's on its opening TD, got a break that cleared the way for a second score. They nabbed a Crusader fumble on the Medford team's 15-yard line. Then a penalty for too many St. Mary's men on the field put the ball up on the eight.

Sumpter to Long

Packs by Bob Paulson and Stan Young netted only a yard but on the next try Sumpter heaved to Craig Long for seven yards and a marker. Jack Rust's conversion boot was wide.

Glide threatened once more often than the Crusaders. But, St. Mary's had the last opportunity to score and win the fracas—only to have a handoff fumble wreck it. The Wildcats recovered the ball on their nine after the Medford aggregation had marched from their 20 mark to the rival eight, helped by 21 and 11-yard runs by Randolph and a face mask penalty against the Umpqua valley school.

One other St. Mary's push made it to the Glide 14 off the second half kickoff only to have a Sumpter interception at a Satner pass spot it. Glide got to the SM five, 18 and 17 only to have passes halted down in the end zone by defending Crusader players.

Sumpter Passes For 167

The Wildcats, who had a big line and on occasion showed good deception in the backfield, did not pile up as much yardage with their ground game as did the Crusaders but it was because of extensive passing. And, the mixed attack provided trouble for the Medfords.

Glide led in scrimmage yardage on the strength of the aerial game. Sumpter filled the air with passes, hurling the ball 26 times. He had 11 completions for 167 yards. The Cats netted another 67 yards on the ground for a scrimmage net of 57.

With hard and shifty running fullback Randolph ceiling off 94 yards in 12 carries. St. Mary's had a rushing net of 127. Four of Batzer's eight passes connected with SM receivers for 46 yards giving the Crusaders a scrimmage total of 173.

Randolph, Lucas Shine

Randolph's defensive play shone for the Medford parochials as well as his terrific running. He was listed with nine tackles. While he paced the backfield effort, guard Lucas was the SM kingpin in the line, both on attack and on defense. He had 10 tackles. Guard Randy Corliss had seven. Sakraida followed Randolph in rushing with 38 yards.

Speede Anderson had top ground yardage for the Cats with 30. Rust, Paulson, Anderson and Stan Young spurred the Glide defense.

In his passing Sumpter found receivers for 26, 24, 31 and 25 yards. The 28-yarder to Mayfield paved the way for the first Cat touchdown, putting the ball on the SM 30. The 18 in toss placed the ball on the 31 in a bid which fizzled.

Three pass interceptions hampered the SM effort. Paulson and Long each swiped the ball along with Young.

# Marilyn Smith Winner By Four

EUGENE UPI — Players on the women's professional golf tour wrung out their clothes, dried their hair and moved on to a sunnier climate today following the close of the \$10,000 Eugene Women's Open here Sunday.

Marilyn Smith of Toquesa, Fla., scored a four-stroke victory by shooting a two-over-par 76 on the final day of the four-day, 72-hole tournament for a 285. Her first comment was: "Don't I look like a drowned rat?"

A downpour in mid-afternoon forced tournament officials to hold up play for 45 minutes.

Miss Smith and Kathy Whitworth of Jal, N.M., winner of last week end's Spokane Open, were tied at 219 at the start of the day but Miss Whitworth called a one stroke penalty on herself when her ball moved on the first hole. She was off her game the rest of the day.

She came in with an 80, good for 299. It was her first over-par round of the tourney.

Mickey Wright of Dallas, Tex., the first-day leader who was seeking a record-breaking 11th tournament win this year, finished third at 300 after shooting a 79 on the final day.

The women's tour moved on to Visalia in, hopefully, sunny California.

## Levy Seeks More Frenzy In California Defense; Old Pros Now Coaching

This is another in a series of dispatches dealing with the 1963 prospects of major West Coast football teams.

By SCOTT RAILLIE, BERKELEY, Calif. — (UPI)—"I want more frenzy in that defense." Coach Marv Levy shouted at his California Bears as they practiced good line stands. And they are well acquainted with that final stripe, having lost nine of their 10 games last year.

Levy, entering his fourth season here, has striven to make the Bears' defense match their offense.

"We've been working on fundamentals more this year and have not gotten around to defensive patterns so early," he said.

Two New Coaches

He said a few other things, privately, after last November's 30-13 defeat at the hands of Stanford. And a few days later, two of his coaches were replaced.

The old pros who moved in are Dick Stanfel, former Washington Redskins guard, and John Nikevich. The glowing

## Bob Nichols Golf Victor At Seattle

SEATTLE, Wash. (UPI)—Bobby Nichols may not be as well known as the professional golfer who as Arnold Palm e r, Jack Nicklaus or Julius Boros but he's doing all right.

The handsome 27-year-old from Corona, Calif., banked a fat check for \$5,000 today as a result of winning the \$25,000 Greater Seattle Open golf tournament with a 16-under-par total of 272.

That boosted Nichols up to eighth in the money winning list for the 1963 tour ahead of such illustrious fairway favorites as Gene Littler, Billy Casper and Don January. The six-foot-one, 195-pounder has sailed away \$29,700 so far this year. He was the ninth money winner in 1962.

Playing the hilly 6,667-yard, par-73 Inglewood Country club course, Nichols fired four consecutive sparkling rounds — 66-68-66-70.

Another tour unknown, 21-year-old Raymond Furd of Fayetteville, N.C., and veteran Stan Leonard of Vancouver, B. C., tied for second money of \$2,800 apiece with 274.

Phil Rodgers, the stucky ex-Marine from Perdido Bay, Fla., dropped a three-iron shot in the cup on the 216-yard eighth hole and walked away with \$10,000 for his hole in one.

## Sisters HS Wins 26-13

PROSPECT — Sisters high broke a halftime deadlock with two third-quarter touchdowns Friday and went on to a 26 to 13 eightman football win over Prospect at Sisters.

Sisters led at the half 6 to 0 and the halfway count was 6 to 6. After three quarters it was 20 to 6.

Andy Maurer scored both Prospect touchdowns, on a 72-yard run and then on a one-yard plunge off a 68-yard drive. He ran on an extra point.

Rowe tallied for Sisters on a two-yard try and Hyatt on a 40-yard. Sheehan ran 12 yards for a score and took a pass from Rowe for 12 yards and another.

Sisters had 13 first downs to nine for Prospect but the visiting Cougars outyardaged the host club 355 to 276 on the strength of 172 yards passing. Sisters had 243 yards on the ground. The home club controlled the ball with 63 scrimmage plays to 38.

Prospect coach Dan Perc reported that his Cougars found out what they need to work on and said he figured they will be "up" for their remaining games.

They meet a Crater jaycee crew at 8 p.m. Thursday at Central Point.

## Minnesota Clips SF

SAN FRANCISCO (UPI)—As far as coach Red Hickey of the San Francisco Forty Niners is concerned today, three quarters is long enough time for any football game.

The prospectors led the Minnesota Vikings until the final four minutes of play Sunday, then dropped a 24-20 decision, which is just about what the odds-makers had predicted.

"We played well during the first half," said Hickey. "At the intermission, I felt we were going to win it.

Hard To Stop

"But playing against Fran Tarkenton (Minnesota quarterback) is like playing against a team with an extra man in the backfield. It's hard to contain that boy. He can run and scramble and get out of trouble. He's hard to stop."

Coach Norm Van Brocklin of the Vikings agreed.

"It was the greatest game in Tarkenton's career," said Van Brocklin. "He kept the team going when it might have given up after drives to the 17 and 16-yard lines were stopped in the third quarter on a pass interception and a fumble."

Tarkenton completed 20 of 25 passes for 282 yards and one other two Viking scores with perfect aeriels.
