

The seven deadliest crimes against yourself

Are you guilty of any of them?

If you're "guilty" of even one— you can turn the tables on tensions and anxieties with the help of this extraordinary new book.

Laura Huxley, the author, is one of the most remarkable women of our time. Writer, musician, wife of world-famous Aldous Huxley, she is renowned as a dramatically successful therapist.

Her life-long crusade to increase human happiness and creativity has taken her to virtually every major civilization and culture of the world.

From a Lifetime of Discovery — Potent Secrets For You

She has mastered the Buddhist secrets of tranquility. She has applied the healing power in the words of the Bible. She has identified and traced the life-giving principles that lead from the sages and philosophers of the ages to the psychotherapeutic advances of our own scientific tradition.

Through her extensive research and experimentation she has helped hundreds who have come to her for help and counsel. She has worked with equal enthusiasm and success in the mansions of millionaires and in the wards of hospitals. (One of her most gratifying triumphs occurred at a famous U.S. psychiatric clinic.) But in her own words, "My greatest satisfaction has always come from showing perfectly normal people how to make their lives richer than they ever dreamed possible."

And now in **YOU ARE NOT THE TARGET**, she reveals to you the essence of the exciting program which has made her such a sought-after counselor.

Here are just a few secrets of successful living in **YOU ARE NOT THE TARGET**:

- Sensual Pleasure. (You may never have really experienced it before.)

Introduce him or her to the therapies in this book. (You'll probably find that the counsel you've been meaning to share is strikingly close to the principles in **YOU ARE NOT THE TARGET**.)

SYBILLE BEDFORD: "A very wonderful book, with great power behind it. If Mrs. Huxley's advice were generally read and practiced, it would change the whole fabric of our social situation. I have begun doing some of the recipes myself. As the book says, they work if we work."

CHRISTOPHER ISHERWOOD: "When a book is amusing and charming and quite easy to understand we are apt to dismiss it as a lightweight. Don't make this mistake about Laura Huxley. She offers you nothing less than a new life."
