Duncan To Show Kennedy Features of Rogue Basin

By A. ROBERT SMITH
Mail Tribune
WASHINGTON — President Kennedy will make an aerial inspection of the sites of three new proposed Rogue River Basin dams during his swing through Oregon Friday, Rep. Robert B. Duncan said Tuesday.

Congressman Duncan said he plans to fly with Kennedy in the presidential plane and to point out the geographic features of the area. He said the plane is expected to first fly over the Lost Creek and Elk Creek dam sites and then head down the Rogue toward Grants Pass and finally see the Applegate dam site near the California border.

Indonesian Troops On Malaysia Border

JAKARTA (UPI) — Indonesia sent troops, including army commandos, to the Malaysian border in North Borneo today and said it is prepared to train and aid Malaysian rebels.

The official news agency Antara said at least two battalions massed on the border of Sarawak, which became part of Malaysia on Sept. 16, are being held in constant readiness to face any attack "that might be launched by the imperialists."

The agency quoted Defense Minister Abdul Haris Nasution as saying that Indonesia is prepared to train Northern Borneo rebels and to aid their struggle.

From the Malaysian capital of Kuala Lumpur came reports of a mortar attack a half mile from the Indonesian border in Sarawak, with shells clearly marked with the Indonesian army star, and the recall of Malaysia's defence chief from Pakistan.

Four Teen-Agers Appear in City Court

Four teen-agers, two boys and two girls, appeared in Medford municipal court this morning, three on curfew violations and one for illegal possession of tobacco.

One 16-year-old boy had a \$5 fine suspended for the tobacco possession charge. The two girls, 16 and 15, were sentenced to work four hours each in the city park and the 16-year-old boy was ordered to work five hours in the park. All pleaded guilty to the charges.

Kennedy's budget this year asked Congress for \$100,000 to start planning Lost Creek dam. Duncan is trying to get Congress to increase this amount to \$200,000 and to add \$150,000 to the budget for each of the other two dams.

De Gaulle To Press Nuclear Testing

ORANGE, France (UPI) — President Charles de Gaulle said today he is determined to go ahead with nuclear testing. He hinted strongly he will run for a second term as president "since I have the strength to do so."

De Gaulle addressed a large crowd in this historic southern French city at the start of a five-day speaking tour on the Rhone Valley.

Despite efforts by local organizations to organize a boycott of De Gaulle's public appearances, large crowds turned out to cheer him.

De Gaulle said France is "in the middle of tests" necessary to build up its own nuclear force and is determined to go ahead with them, regardless of the Russian-U.S. nuclear-test ban.

To make this aerial visit to his home congressional district, Duncan ironically needn't set foot in Oregon. He must meet the presidential party at Seattle - Tacoma airport because of the cancellation last week of a planned stop at Portland.

Flying south from Seattle, the big jet plans to fly over the Oregon Dunes before reaching the Rogue area. Sen. Maurice Neuberger will also be aboard to help point out with Duncan the dunes area where both want Congress to approve a national seashore park.

Both Oregon lawmakers will leave the plane at Redding, Calif., the President's next stop en route to stay overnight at Lassen National park.

PORTLAND (UPI) — Eight Korean orphan children were to arrive here today, sponsored by Creswell farmer Harry Holt.

Two of the orphans were to be met in Portland by their new parents from Washington. The other six will go on to Chicago where families from New Jersey, Illinois and Iowa will meet their new children.

Mrs. Holt and her daughter Suzanne, 20, will accompany the six children to Chicago.

Photographs Banned

All photographs, even by the official Vatican photographer, were prohibited and regular Vatican reporters who are normally allowed in the ante-chambers during such audiences were kept out.

Vatican sources said only that Rockefeller and two unidentified men went into the papal apartments at 12:15 p.m. Mrs. Rockefeller was shopping in Rome at the time.

Although neither of the Rockefeller's is a Catholic, the Vatican still takes a strong viewpoint on the subject of divorce and remarriage and an unusual - but not unprecedented - exception was made for the governor.

Rockefeller, a Baptist, was divorced by his first wife last year. He married divorcee Margaretta Filler (Happy) Murphy May 4.

Deadlock Hinted In Fishery Talks

TOKYO (UPI) — Negotiations between Japan, Canada and the United States over fishery rights in the northeastern Pacific went into their seventh day today amid indications the talks will end in another stalemate.

Today's talks lasted only 20 minutes, though past sessions have lasted as long as three hours. The negotiations are being held behind closed doors, hampering public understanding of the issue.

Wahl also faces a charge of assault with intent to kill. He is accused of shooting at a Multnomah county sheriff's deputy, who caught him after the hold-up.

Execution of the life sentence was stayed pending disposition of the other charge.

The robbery charges were dismissed against the other parolees last Friday after they waived extradition to Washington as parole violators.

They were Gerald Durning, 60; Virgil Lane, 51; and Ruth Maridia, 45, all of Seattle.

All Photographs Barred, Newsmen Said Kept Out

VATICAN CITY (UPI) — New York Gov. Nelson A. Rockefeller, whose divorce and remarriage caused a political stir in the United States, had a secrecy-shrouded meeting with Pope Paul VI today.

Since the Catholic church strongly opposes divorce, Vatican sources described the audience as "unusual" and said there was some consternation among prelates because the pontiff agreed to receive Rockefeller.

Rockefeller's second wife, who also has been divorced, did not attend the audience. Comment Declined

When Rockefeller left the Vatican he told newsmen, "I was pleased to have the opportunity to pay my respects to the Pope." He declined to further comment.

Not since Soviet Premier Nikita S. Khrushchev's son-in-law, Alexei I. Adzubei, saw the late Pope John XXIII has such secrecy surrounded an audience.

The Vatican newspaper "Osservatore Romano" was asked not to mention the fact that Rockefeller had seen the Pope. Normally, the newspaper publishes a daily list of persons received by the pontiff.

Parolee Receives Life Prison Term
PORTLAND (UPI) — A Washington State Penitentiary parolee was sentenced to life imprisonment Tuesday for the armed robbery of a supermarket here July 23.

Glen Wahl, 44, Seattle, was given the life term by Circuit Judge Paul R. Harris. He was convicted by a jury last Wednesday.

Wahl and three other Washington parolees — two men and a woman — were charged with the holdup of a supermarket in Southwest Portland.

Wahl also faces a charge of assault with intent to kill. He is accused of shooting at a Multnomah county sheriff's deputy, who caught him after the hold-up.

Execution of the life sentence was stayed pending disposition of the other charge.

The robbery charges were dismissed against the other parolees last Friday after they waived extradition to Washington as parole violators.

They were Gerald Durning, 60; Virgil Lane, 51; and Ruth Maridia, 45, all of Seattle.
