

PORTLAND (UPI)—Dr. Millard Roseblatt, Ed Murphy and Rudy Taggesell, all of Portland, qualified Tuesday for the National Senior Amateur golf tournament at Sea Island, Ga., Oct. 7-12. Dr. Roseblatt fired a two-over-par 74 to pace the qualifying at the Waverly Country club here. Murphy shot a 76 and Taggesell had a 78. Taggesell won a playoff to qualify.

### Hydroplane Race Title At Stake

STATELINE, Nev. (UPI)—Miss Bardahl and Gale V will battle it out here this week end for the 1963 unlimited hydroplane championship.

With this week end's race the last on the 1963 circuit, Miss Bardahl, owned by Ole Bardahl, Seattle, and driven by Ron Musson, had a slim lead of 1,575 to 1,450 over Gale V, the Detroit boat driven by former Indianapolis "500" pilot Wild Bill Cantrell.

Tahoe Miss and Miss Exide, with 1,218 and 1,175 points respectively, had an outside chance of winning the title. First place is worth 400 points in the standings, second is worth 300 and third 225.

A ruling by W. A. Smith, chief counsel of the American Power Boat association, with headquarters in Detroit, knocked Miss Exide out of a strong bid for the title. Smith supported the contention of the unlimited racing commission that Miss Exide race as two hulls this year and could not count all the points tallied by both boats.

Wahoo Purchased. The original Miss Exide had 452 points when it was badly damaged in a race at Coeur d'Alene, Idaho, July 27. The driver, Miro Slovak, was injured in the accident, but owner Milo Stoen, Seattle, purchased the old Wahoo, changed her name to Miss Exide, and continued racing. Since the July 27 accident, the new Miss Exide had racked up a total of 1,175 points and would have taken over the lead if the 452 points totaled by the earlier boat were counted.

Miss Thriftway, the defending champion as Miss Century 21, was retired following the Seattle Seafair Trophy race Aug. 11. She is owned by Willard Rhodes, Seattle, and driven by Bill Muncy.

Point totals going into the final race:

Miss Bardahl 1,565, Gale V 1,450, Tahoe Miss 1,218, Miss Exide 1,175, Notre Dame 1,107, Tempo 774, Miss Thriftway 716, Dollar Bill 568, Tempest 495, Blue Chip 359, Miss Madison and Miss Michigan 322, Miss Eagle Electric 280, St. Regis 248, Miss U.S. V 171, Such Crust 121, Mariner Too 100, Fascination I 90, Fascination 80, Miss U.S. I 50.

**RIDERS SIGN LIGHT**  
FOREST GROVE (UPI)—Bob Light, former Pacific university passing star, has signed to play with the Saskatchewan Roughriders of the Canadian Football league. He was placed on waivers by the San Francisco 49ers earlier this month.

## SPORTS

TRADED — Quarterback Ralph Guglielmi makes a telephone call in his New York apartment after being notified Tuesday that he is being traded by the New York Giants of the National Football league to the San Francisco Forty Niners for defensive halfback Eddie Dove. (UPI)

### Giants Trade Guglielmi To Forty Niners for Dove

NEW YORK (UPI)—Although the West Coast has been a stimulant to Americans since the Gold Rush days of 1849, for Ralph Guglielmi a trip to San Francisco may well signify the end of a professional football career.

Guglielmi, 29-year-old former All-America quarterback from Notre Dame, was traded Tuesday by the New York Giants to the San Francisco Forty Niners for defensive back Eddie Dove and a future draft choice.

But Guglielmi may not report to the Forty Niners. After shuttling around the National Football league for six years as a high-salaried reserve, he is entertaining serious thoughts of retirement.

Insurance VP. Guglielmi is the vice president of an insurance company in Washington where he broke into pro ball with the Redskins, and

## Interstate Deer Herd To Be Subject of Joint Hearings

SALEM — Deer population trends, and range conditions involving the interstate mule deer herd will receive top billing during a two day jointly-conducted hearing of the Oregon legislative interim committee on wildlife and the California Assembly committee on fish and game to be held Oct. 3 in Yreka and Oct. 4 in Klamath Falls.

A controversy that began because of the taking of antlerless deer in the interstate deer herd led to the creation of this study committee. Kelsay pointed out. He said this herd has fluctuated sharply in numbers over the years, with low counts recorded in 1948, 1952 and 1962. He said the population of the herd was generally estimated to run from a low of 15,000 to a high of about 28,000 animals. This was determined by estimations of deer track counts which reflected a new low in 1962, Kelsay said.

Invited to assist the committee in making evaluations of deer count methods and the

various interstate problems of this herd are technicians from state and federal agencies including Avon Denham, range supervisor of the U. S. forest service; Frank Stanton of the bureau of land management; Oregon's state forester, Dwight Phillips; Oregon's State university's range expert, Dilford Gates; and biologists from the game commission and the fish and game research branch of the university.

Kelsay said he expected a large turnout due to the great interest in this subject, and members of the public and of sports organizations will receive a full opportunity to testify. The Klamath Falls meeting will be held in the Winema hotel starting at 9 a.m. Persons or sports organizations who wish to be heard are asked to notify the secretary of the committee, Cecil L. Edwards, at 300 Capitol Building, Salem.

Members of the committee in addition to the chairman are Senator Andrew Naterlin, Newport, vice-chairman; Senators Glenn Huston, Lebanon, and Lynn Newbry, Ashland; and

Representatives Russell Bone-steel, Salem; Kessler Cannon, Bend, and Don McKinnis, Summerville.

### Borst, Harrison Score Victories

LAKE OSWEGO (UPI)—Defending champion Mrs. R. L. Borst of the Portland Golf Club and medalist Mrs. T. S. Harrison Jr. of Waverly of Portland scored first round victories in the Oregon Women's Golf Association championship tournament Tuesday.

Mrs. Borst, who captured her first OWGA title last year, defeated Helene Root of Redmond 6 and 4 and Mrs. Harrison topped Mrs. Dick Grubbs of Riverside of Portland 5 and 4.

The week-long match play tourney, which ends with a 36-hole final match Friday, continued today.

### Cleveland Indians Attendance Drops

CLEVELAND, Ohio (UPI)—The Cleveland Indians closed out their 1963 home season Tuesday night and announced the lowest season attendance since 1945.

It was hinted a move would be considered if an improvement were not noted next season.

The Tribe finished with a home attendance of 562,507, lowest since the 538,182 who turned out 18 years ago. Last year 716,076 fans attended the home games.

Gabe Paul, Indians president and general manager, conceded the club had "taken a good beating financially this year." But he added, "We have a pretty solid group of owners and they're not the kind of people who flinch."

However, Paul, who is the majority stockholder, indicated the owners would have to start talking about a move unless the attendance showed signs of picking up next season.

### Loop Play Set At Happy Camp

HAPPY CAMP, Calif. — Happy Camp High school football squad opens its Evergreen league season at 4 p.m. on Friday, Sept. 27 against Fort Jones.

The Indians dropped their pre-league games, 39 to 0 to Hoopa and 59 to 0 to Hayfork.

Coaching Happy Camp this fall is Doug Paul, 1963 Chico State college graduate. He teaches world history, U. S. history and world geography and will coach baseball in the spring.

In other games this season the Indians will play at Butte Valley on Oct. 5, Trinity at Weaverville (non-league) on Oct. 11, Etna at Happy Camp on Oct. 19 and McCloud at Happy Camp on Oct. 26.

# Good Forest Management PROVIDES GOOD HUNTING!

In 1961, 265,326 licensed deer hunters bagged 163,900 deer in Oregon. 12,100 elk were bagged by 51,349 licensed hunters in the same year.

Without the forests, both private and public, these deer and elk could not survive for long and hunting as we know it would soon be only a memory.

Some hunters have abused the privilege of hunting on private lands, yet most of these lands remain open to hunting for all persons.

Your help in protecting the forests and personal property is requested that we may continue to enjoy hunting and fishing in Southern Oregon indefinitely.

Many of the new forests on managed lands and selective logged lands have provided the best forage for game. This is evidenced by the large number of deer, particularly does and fawns seen in these areas.

Properly managed, these forests provide the largest payroll of any industry in Southern Oregon AND an ideal habitat for game. We can continue to enjoy BOTH advantages indefinitely if we all join in protecting the forests from fires and other hazards.
