

# Status of Congressional Bills

**WASHINGTON (UPI)** — Status of major legislation:  
**Income Taxes** — Administration-supported bill would reduce income taxes on individuals and corporations by \$11 billion with \$7 billion of relief effective on 1964 incomes and the rest taking effect in 1965. House — Ways and Means committee approved bill; floor debate starts today. Senate — awaiting House action.  
**Stocks and Bond Taxes** — To retard flow of American capital abroad, Kennedy has proposed that purchase taxes be levied on Americans who buy foreign stocks and bonds from foreigners. House — Ways and Means committee concluded hearings. Senate — awaiting House action.  
**Railroads and Employees** — Rails and unions agreed on compromise formula for requiring larger employer and employee contributions to railroad retirement fund to avert long-range shortage. House — passed. Senate — approved by labor committee and expected to be passed this week.  
**Military Pay** — Administration asked \$1.2 billion annual pay and benefit boost for servicemen, reservists and retirees. House and Senate have passed modified and differing versions. Compromise between the two measures expected to be worked out in House-Senate conference.  
**Fallout Shelters** — President Kennedy wants authority to make federal contributions toward construction of civil defense fallout shelters in schools, hospitals and other non-profit institutions. House — passed one year, \$190 million bill. Senate — nothing scheduled.  
**Foreign Aid** — Administration asking \$4.5 billion. House — passed authorization bill setting appropriation ceiling of \$3.5 billion. Senate — Foreign Relations committee has partly completed action on bill. (Actual appropriations to come later.)  
**Health Insurance** — President wants hospitalization program for persons 65 and over financed through social security taxes. House — Ways and Means committee expected to hold hearings next month but no chance for passage this year. Senate — awaiting House action.  
**Mental Health** — Administration wants long-range program for community mental health treatment centers; research on and treatment of mental retardation. House and Senate have passed sharply differing versions. Compromise between Senate 10-year, \$847 million program and House's \$238 million program expected to be worked out in House-Senate conference.  
**College Construction** — Kennedy originally asked for federal funds to build class rooms and laboratories as part of larger \$5.3 billion school bill; agreed later to separate bills. House — approved \$1.2 billion in grants and loans for colleges. Senate — hearings completed awaiting subcommittee action.  
**Vocational Schools** — President asked that annual aid for vocational schools, now limited to \$7 million, be gradually boosted to higher levels. House — passed bill that would over a four-year period boost ceiling on annual aid by \$100 million. Senate — subcommittee approved House bill with amendments which raised fourth-year increase to \$243 million and added other educational aid programs.  
**Schools** — President wants aid continued for "impacted" schools (those attended by many children of federal employees, military personnel. Senate — subcommittee has added this authorization to House — passed vocational aid bill. House — committee approved as separate bill with amendment forbidding use of funds for segregated facilities.  
**Libraries** — President wants expanded federal aid for library services. House — Education and Labor committee approved. Senate — approved as part of House — passed vocational bill.  
**College Student Loans** — President wants bigger program. Senate — included in subcommittee — approved bill. House — hearings concluded on separate bill.  
**Voting** — President Kennedy asked for controls on use of literacy tests, speedier voting rights suits and extension of the civil rights commission's life for four years in his original request last winter. House — judiciary subcommittee tentatively approved. Senate — judiciary subcommittee approved four-year extension of civil rights commission.  
**Public Accommodations** — Kennedy's main interest in his second rights message was for legislation outlawing segregation in use of hotels, stores, restaurants, theaters and other public accommodations in interstate commerce. He also asked for new authority to initiate school desegregation suits and optional authority to withhold federal aid to states that practice racial discrimination. House — Judiciary subcommittee action under way. Senate — Commerce committee considering public accommodations feature. Judiciary committee hearings on full civil rights package in recess.  
**Employment** — Kennedy endorsed fair employment practices commission legislation to bar job discrimination by private

businesses and labor unions. House — Labor committee has approved FEPC. Senate — Labor subcommittee tentatively approved bill; Commerce committee has approved ban on discrimination by unions.  
**Cotton** — Administration backed subsidy plan would provide cheaper cotton for U.S. textile mills; includes lower support prices for large-scale growers and potential relaxation of planting restrictions. House — Bill approved by Agriculture committee, cleared by Rules committee, but not scheduled for floor action. Senate — Hearings completed.  
**Mexican Farm Hands** — 12-

year-old law permitting importation of Mexicans for temporary work on American farms expires Dec. 31; Administration requested one-year extension with new safeguards to protect domestic workers. Senate — Passed one year extension with safeguards. House — Bill defeated on House floor. Agriculture committee has approved simple one-year extension without safeguard amendments.  
**Mass Transit** — Kennedy proposed \$500 million in subsidies to improve city rail, bus and subway services. House — Banking committee approved bill, pending Rules committee. Senate — Approved \$375 million program.

**Wilderness** — President wants to establish a national program to preserve public lands in their natural state. Senate — Passed, with provision covering 8 million acres immediately and possibly up to 35 million acres eventually. House — No committee hearings set.  
**Outdoor Recreation** — Kennedy wants a special land and water conservation fund to finance purchase of additional federal and state park lands and forests for outdoor recreation. House — Interior committee drafting bill. Senate — Hearings completed.  
**Depressed Areas** — Kennedy asked Congress to expand sharply program of federal redevelopment aid to local industries de-

signed to create jobs in areas of chronically high unemployment. Senate — Approved additional \$455 million authorization. House — Rejected, but Banking committee has approved a "second-try" \$355 million bill, which was scheduled to be considered by Rules committee yesterday.  
**Youth Employment** — Kennedy asked new \$100 million Youth Conservation Corps for outdoor work in forests and parks; home town youth corps for local civic projects. House — Education committee has approved, pending in Rules committee. Senate — Passed.  
**Domestic Peace Corps** — President asking for new organization of 1,000 to 5,000 skilled volunteers to carry out work in medical — dental schools and this country similar to Peace Corps projects abroad. \$5 mil-

lion first year cost. House — Education and Labor subcommittee concluded hearings. Senate — Commerce subcommittee plans further hearings.  
**Price-Cutting** — Administration-opposed bill backed by druggists and some other retail groups is designed to stop retail price-cutting of brand-name merchandise. House — Commerce committee approved, scheduled for consideration by Rules committee Wednesday. Senate — Commerce subcommittee plans further hearings.  
**Awaiting Signature:**  
**Medical Schools** — Congress approved Kennedy's request for federal aid for construction of medical — dental schools and loan aid to medical and dental students. Three-year program

would cost about \$236 million.  
**Laws Enacted:**  
**Draft** — Congress granted Kennedy's request for four-year extension of selective service and doctor draft.  
**Feed Grains** — Congress extended for two years temporary program of paying farmers to hold down surplus production of corn and other feed grains.  
**Silver** — To combat shortage of silver for coins, Congress gave Administration authority to request to replace existing silver-backed \$1 bills with gold-backed \$1 bills.  
**Women Workers** — Starting next June employers must provide equal pay for women workers who do the same work as men; new law applies to jobs covered by minimum wage-hour law.

**Taxes** — Congress in response to Administration request extended for another year present temporary tax rates on corporation profits, liquor, cigarettes, automobiles, telephone calls and airline tickets which had been scheduled to drop to lower levels July 1. (Corporation tax rates would be permanently revised downward, if Kennedy's tax-reduction program is enacted.)  
**National Debt Limit** — Congress granted President's request to extend through Nov. 30 temporary ceiling of \$309 billion on national debt. Ceiling would have reverted to \$285 billion Sept. 1 without the new legislation. Current debt about \$20 billion above that figure.  
**Rail Dispute** — Congress authorized creation of seven-man board to arbitrate two key work-

**College Names Two New Faculty Members**  
**MONMOUTH** — Dr. Leonard W. Rice, president of the Oregon College of Education, has named two new faculty members.  
 They are John D. Cunningham of the University of California at Los Angeles department of education, and Mrs. Montana H. Rickards, Portland.  
 Cunningham has been appointed assistant professor of biology and science education, and Mrs. Rickards, assistant professor of humanities and education. Dr. Rice said.
