Hurler Sets Record For Cubs With Win

By United Press International
Dick Ellsworth beat the Milwaukee Braves, 4-1, Saturday and became the first Chicago Cubs' lefthander to win 22 games since Jim Vaughan did it in 1919.

Home runs by Billy Williams and Leo Burke, both with a runner on base, produced all of Chicago's runs.

The loss means the Braves are certain to finish in sixth place this season and it will be the first time since the team moved to Milwaukee from Boston in 1953 that it has been out of the first division.

Beat Cards
Successive singles by Pete Rose, Tom Harper and Vada Pinson brought in two runs and gave the Cincinnati Reds a 2-1 victory over the St. Louis Cardinals.

Joe Nuxhall won his 15th game for the Reds against eight defeats.

Cincinnati scored its runs against Lou Burdette who was chased in the two run seventh inning after hitting Frank Robinson with a pitched ball.

Two big innings coupled with Don Nottebart's seven hit pitching led the Houston Colts to a 9-1 victory over the New York Mets.

Three Errors
The Colts scored three unearned runs in the first inning.

Bourne-mouth, Eng. (UPI)

The United States Davis Cup team Saturday completed a 5-0 sweep over Britain in their interzone series on crushing victories in the final two singles matches by Chuck McKinley and Frank Froehling.

Froehling, of Coral Gables, Fla., playing the best tennis of his career, breezed past Mike Sangster, 6-1, 4-6, 6-0, 6-4. McKinley, of San Antonio, Tex., America's top-ranked player, earlier whipped Billy Knight, 8-6, 6-2, 6-3.

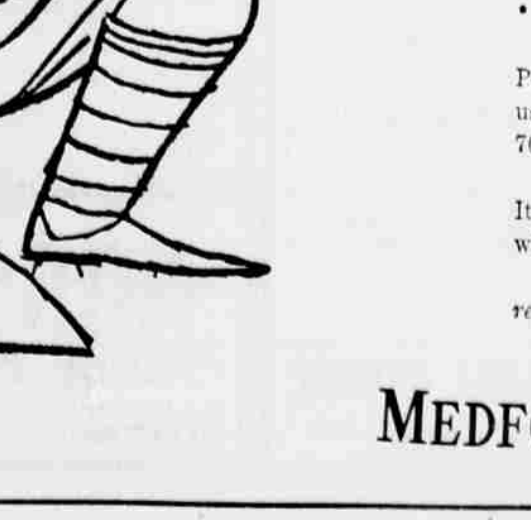

The U. S. squad now moves on to India to battle for the right to challenge Australia for the Davis Cup in December.

Sangster could not cope with Froehling's rocket serve and managed to break service only once during the match.

Twins Chase Yanks' Two Pitching Aces

By United Press International
The Minnesota Twins spoiled the final World Series pitching tuneups of two New York Yankee hurlers Saturday with a 6-3 victory that gave Lee Stange the first win of his career over the American league champions.

Whitey Ford, scheduled to pitch next Wednesday's series opener against the Dodgers, was tagged for an inside-the-park homer by Vic Power in the first inning and left after four innings trailing, 1-0. He had started in quest of his 25th victory of the season and the 200th of his career.

After Ford's departure, the Twins roughed up probable second game starter Al Downing for six hits, five walks and five earned runs over the last five innings.

Bob Allison's two run double was the big blow of a three-run sixth inning during which the Twins sent eight men to the plate.

J. C. Martin slammed a three-run homer and Deacon Jones connected for his first homer in the majors for the Chicago White Sox to give Frank Kreuzer his first major league win, 7-2, over Washington, Don Lock

home and collected three hits for the Senators.

Sam Bowers and John Orsino powered home runs to lead Baltimore's extra-base hitting parade which overpowered Detroit, 8-6. Rookie Dave McNally, with relief help from Dick Hall, won his seventh game against eight losses. Phil Regan was the victim of a four-run burst in the third inning to take his ninth loss.

Bases-Loaded Single
Lou Clinton's bases-loaded single in the last of the ninth inning brought the Boston Red Sox from behind to a 4-3 victory over the Los Angeles Angels.

Dick Radatz, who shut out the Angels in relief in the ninth, picked up his 15th win. Clinton's hit off the left-center field wall came off Art Fowler after three walks had loaded the bases.

RECEPTIVE!
Readers Welcome
Newspaper Advertising
...It's Not an Intrusion!

People really want newspaper advertising and have said so. Surveys usually show well over 80% in favor of newspaper advertising; less than 70% for magazines; and under 40% in favor of advertising on radio and TV.

Your advertising's first job is to win a friendly feeling for your product. It stands to reason you will win more friends by running your advertising where most people want it.

If you want to sell more people you have to reach them when they are receptive. Newspapers reach more of the most receptive people.
