

Raiders Open Loop Slate Against OCE

ASHLAND — Southern Oregon college, co-favorite this fall with Portland State, opens its title defense Saturday in Oregon Collegiate conference football play.

Red Raider adversary will be the Wolves of Oregon college. Action will be on Fuller field here with kickoff at 8 p.m.

Also on Saturday Portland State is host to Eastern Oregon. Fifth OCC member, Oregon Tech has a non-league fracas with Grays Harbor college at Klamath Falls.

For the first time this season SOC mentor Al Akins will have

all his top players healthy. Glen Moses, all-conference tackle on the injury list since the Weber game will return to the starting line.

Defense Stressed

OCE tutor Bill MacArthur reportedly will bring a strong team against the Raiders. However, comparative results against one common rival would seem to favor the Ashland school. SOC beat George Fox 47 to 7 last week. The Wolves trimmed the same team earlier 33 to 6.

Despite the one-sided score last week, Akins was not satisfied with the defensive play of his team. So that department of the game has had much work this week. A few changes have been made to correct the miscues against the Quakers.

Fans can anticipate a wide open game in the circuit starter. Akins has indicated that the Raiders will go to the air quite a bit.

USC Tangles With MSU In LA Tilt

By GARY KALE
UPI Sports Writer

The temperature has dropped to the 70s in the Los Angeles area, but the heat still is on for Southern California's football team.

The defending national collegiate champions, who lost to Oklahoma last week in 105-degree weather, attempt to recoup prestige tonight against Michigan State at Los Angeles.

Originally scheduled for Saturday afternoon, the contest was moved up so as not to conflict with the third game of the World Series.

Southern Cal plummeted to ninth place in the national ratings when the Trojans' star passing combination of Pete Beathard and Hal Bedsole failed to click against the Sooners.

Coach John McKay now will seek the overland route to victory over 16th-ranked Michigan State. The Trojans are a touch-down favorite over the Spartans, making their first trip to California since whipping UCLA in the 1956 Rose Bowl game.

Quarterback George Mira, who directed Miami (Fla.) to a 3-0 win over Purdue last week end, is expected to make good on the Hurricanes' 16-point edge given them by the oddsmakers against visiting Tulane.

The Green Wave has lost 13 straight. Boston College is a two-touch-down favorite over host Detroit and The Citadel travels to Georgia Washington in other games tonight.

Alabama, 1961 collegiate champion and No. 2 in the current ratings, hopes to bypass idle Oklahoma Saturday. The Crimson Tide is a 31-point favorite over Vanderbilt in their Southeastern Conference tilt.

In other Saturday action involving the top 10 teams, third-ranked Texas is a three-touch-down choice over Oklahoma State; Northwestern, No. 4 and touted to win the Big Ten Conference title, is a 7½-point selection over Illinois; sixth-rated Georgia Tech is 7 over LSU; undefeated Navy and "Jolly Roger" Stauch are a touch-down pick to improve their 7½ rating against Michigan; Pittsburgh No. 8 is 13½ over California; Ohio State is 6 over Indiana, and Nebraska is 12 over Iowa State.

Shaw Bows Out of Pro Football

PORTLAND (UPI) — George Shaw, the former Oregon great whose knee injury gave Baltimore's Johnny Unitas his chance, said today he is giving up pro football for keeps.

"This is it," Shaw, now 30, said after arriving here Thursday from Denver with his wife and three children.

Shaw was placed on waivers by the Denver Broncos of the American Football League this season, but had stayed on briefly as a member of the "taxi squad." But after Frank Trippucka left Denver the Broncos failed to call Shaw back to duty.

The quiet-mannered Shaw said that when things didn't work out satisfactorily for him at Denver he decided it was time to settle down.

Investment Job

"Now all I want to do is to become a solid citizen of Portland," he said. He has a job with an investment and securities firm here.

Shaw was pro football's bonus draft choice after the 1954 season and a brilliant career in which he helped lead Oregon from temporary football obscurity.

Shaw went to the Baltimore Colts of the National Football League and became the regular quarterback in his rookie season. But a knee injury put him on the sidelines and gave Unitas his chance. Shaw never again was the Baltimore regular.

After service with Baltimore Shaw played with the New York Giants and the Minnesota Vikings before signing with Denver.

OSU, Baylor Tangle; UO Webfoots Play In West Virginia

By United Press International

Oregon State's 15-ranked Beavers go after their third straight victory of the football season in Portland Saturday night against tough Baylor, while Oregon's Webfoots clash with West Virginia in an afternoon game in the east.

Oregon State, which came from behind to beat Utah, 20-14, walloped Colorado 41-6 last Saturday night. Baylor downed Houston 27-0 behind the passing of quarterback Don Trull in its first start of the season.

Oregon, after losing 17-7 to Penn State, came back to drub Stanford 36-7 and is favored over West Virginia. The Mountaineers were clobbered 51-7 by Navy in their first game but rebounded last Saturday to down Boston University 34-0.

Coach Tommy Prothro's Beavers, ranked fourth nationally in total offense, are led by the passing combination of Gordon Queen to Vern Burke and the running of halfback Leroy Whitte and fullback Charlie Shaw.

The Beavers are slight favorites, but will miss defensive halfback Jim Sinyard, out with an injury.

Oregon State now has won nine in a row over two seasons. Trull, who gained 1,763 yards passing and running last season, completed 14 of 20 passes last week in Baylor's win over Houston.

Oregon will be without its top punter, Doug Post, lost for the season with a knee injury. The Ducks also will sorely miss Post at the quarterback slot behind Bob Berry — with only inexperienced reserves now available.

It will be Oregon State's first meeting with Baylor. Oregon downed West Virginia 20-6 when they played in Portland in 1960.

Tracy McGee Cascade Village Diving Winner

WHITE CITY — Tracy Lynne McGee, 13, student at Hedrick Junior High school in Medford, won the Cascade Village Aquatic club diving championship last Saturday in a meet at the Village pool.

It was the final event of the swimming season for the club. Steve Coon was a close second. James Yankey outscored Michael Wilson and Stephen Ross for third place.

Judges for the event were Charles Coon, club president Dennis Turner and Gene Cronin, Medford. Cronin arranged the meet to climax the instruction series he has been conducting for Mrs. Jack Adams McGee, Cascade pool manager and coach.

Max Ross, representing Cascade Village Recreation, Inc., announced the dives to members and their guests attending an official open house. Turner, assisted by club secretary Mary Fry, presented awards. The event was filmed for television.

A diving exhibition, described as breathtaking, was given by Cronin, who has won Oregon and Second Army diving honors. Cronin, who is attending Southern Oregon college and has been instructing at the Medford YMCA, is being recommended for a motion picture part.

Show stealer Saturday was four-year-old Jimmy Willis in a special diving exhibition on the one-meter board. Jimmy is Mrs. McGee's "star" pupil.

She said he learned to dive first and swim second and might be termed an "expert" at both.

The aquatic club recently was sanctioned by Cascade Village Recreation and will enter competition next summer with suits, towels and a bus provided by the corporation. Both junior and senior team prospects have been coached this summer by Mrs. Adams. The boys and girls are from six to 17 years of age. Willis is the club mascot.

FIGHT POSTPONED
TACOMA (UPI) — The 10-round light heavyweight fight between Tacoma's Bob McKinney and Carlos Mendoza, Portland, has been postponed, due to the illness of McKinney. Ignacio Lucchesi, matchmaker for the fight, said the fight will be moved from Oct. 8 to Oct. 17 in the arena here.

SWIM THREAT—Judy Ross, above, who learned to swim and dive during the past summer, is expected to be a threat next summer when the Cascade Village Aquatic club, of which she is a member, enters competition. Miss Ross has been official hostess for teenagers at their twice monthly pool parties and special events. The Eagle Point High school sophomore, daughter of Mr. and Mrs. Max Ross, Division rd., came to this area from Alaska.

Rudolph Nabs Lead In Whitmarsh Golf

PHILADELPHIA (UPI)—Mason Rudolph, "rewarded" by accurate driving and sharp putting with a first round five-under-par 67, paced the field at the start of today's play in the \$125,000 Whitmarsh Open.

The 29-year-old Rudolph, who was edged out in a "sudden death" playoff in the recent Portland Open, finished strong Thursday to shoot into the lead over 20 other pros who fired below-par first rounds over the 6,807-yard, par-72 Whitmarsh Valley Country Club.

Phil Rodgers of Perdido Bay, Fla., was the early first leader with a 68.

Trailing Rudolph and Rodgers with 69s were two newcomers—Ron Funseth of Spokane, Wash., and Jerry Pisano, a Philadelphia area pro — and veteran Gene Littler.

PORTLAND (UPI) — Whitman's Bill Hilger and Linfield's Pete Dengenis have been named Northwest conference back and lineman of the week, respectively, for their play in last week end's football games.

De Nucci, Fernandez Contend Tonight

BOSTON (UPI) — Something has got to give tonight when local boy Joe De Nucci stacks his "never-knocked-out" reputation up against the kayo record of Cuban middleweight Florentino Fernandez.

De Nucci was the underdog in limited Boston odds quotations for the nationally televised 10-rounder at Boston Arena.

Fernandez carries an impressive record into the bout. He has knocked out 29 opponents while winning 35 fights and losing six. He has won four straight on knockouts.

WATERS TO START

SAN FRANCISCO (UPI) — Coach Jack Christiansen today confirmed that Bob Waters would start at quarterback and Don Lisbon at halfback when the San Francisco Forty Niners play at Detroit Sunday. In other lineup changes, the youthful mentor said that Kay McFarland would make his first start at flanker and Bernie Casey will shift to left end where his blocking prowess will be more useful.
