SECOND FEEDER SALE!
AT
Midway Auction Yard
FRIDAY, OCT. 25

AUCTIONEERS NOTE: We have picked this date for several reasons. First, we need cooler weather and some rain in Calif. to stimulate the market. Second, most of the calves will be out of the hills. Third, there is a possibility that the fat steer market will improve. This will help the feeder sale.

Our last feeder sale on Sept. 20 was well attended by buyers from Washington, Idaho, Nevada and Calif., plus many Oregon buyers and we expect most of these buyers to attend our next sale.

We believe that our policy of not order-buying from our own sale is an incentive for buyers to come to our sales. This added competition has worked for you in the past and will make you money in the future if you consign your livestock to . . .
