**Two Charged With 'Salting' Mine**

PORTLAND (UPI) — Two Madras residents have been accused of "salting" ore samples from a central Oregon mine in a complaint filed in U.S. District court here.  
 The suit was filed by Jennings P. Felix, a Washington resident, against Frank O. and Ann Reid. They were charged with improving ore samples from a Crook county quicksilver mine and from the Rand-Consort mine near Searlight, Nev.  
 Felix said he filed the suit on behalf of two other men, George Mock and Jack Horner, who had assigned their claims to him. Both men allegedly bought into the mining operations after receiving the ore samples.
