Three Held for Beating Doctor

PORTLAND (UPI) — Three young men were in jail today in connection with the beating of a Beaverton doctor on a Washington county road last week.

Richard Yarbrough, 20; Harvesta Harris, 19, and Tiney Adams Jr., 19, all of Portland, were picked up by local police Tuesday following an investigation by Portland and Washington county authorities.

Dr. Richard Bernard, 38, Beaverton, was on a hunting trip when he stopped to aid two men who flagged him down. The doctor said they drove to a pickup truck which contained a third man and that they then beat him.

Dr. Bernard was rendered unconscious, but later walked about two miles to find help. He was hospitalized several days in Portland.

The doctor's station wagon and hunting rifle were found later in separate locations in Portland.

Washington county authorities said the trio had been charged with assault with intent to kill and robbery while armed with a dangerous weapon with bail set at $15,000 each.
