Quarterback John Batzer will return to the St. Mary's high starting lineup on Saturday night but Coach Bill McKibbin still has altered his Crusader grid machine to compensate for injury.

St. Mary's contends at No. 1 ranked Phoenix on Saturday night in a Rogue league fracas. Kickoff time is 8 p.m.

McKibbin reported that Ron Roberts, who has been at end, will play fullback a little with Jeff Randolph shifting to right halfback. Dennis Rose will play the end post vacated by Roberts going to full.

The SM mentor also said that Randy Corliss, who has been at tackle, may see some fullback play. In that case Rose will go to tackle and Roberts return to end.

Batzer has been sidelined for two games because of injury to his knee. He may see limited service with Eric Jensen the backup quarterback. Uncertain until sometime today was the status of Don Valentine, right halfback sidelined by injury to his knee.

When the Crusaders raid the Pirate den, it will be a renewal

of friendly hostilities between the two clubs whose rivalry has done much to spur interest in Class A-2 football in this area.

Saturday's entanglement will match the schools which were the top Rogue aggregations in 1961 and 1962. St. Mary's is just two years out of the Class B ranks after the state championship in 1960 and a co-crown in 1959. Phoenix has been the Rogue league District 6 A-2 entry in the state playoffs for four successive years.

Phoenix handed St. Mary's its only loss of 1961 in a 25-21 seesaw game. Last year the Crusaders were unbeaten in actual play. They overcame the Pirates, but an ineptly kept the SM team from wearing the official crown.

This will be the third league game for each. Phoenix has devastated Sacred Heart and Rogue River. St. Mary's ambitions were dampened by Illinois Valley in opening loop play. Last week the Crusaders bounced back with a win over Lakeview.

The Pirates are 4-0 for the season. Victories over Serra Catholic and Coquille helped them to the state's top rating. St. Mary's has two wins, a loss and a tie. The Medford team knotted Glendale in its starter then downed Glendale high.

Phoenix has rolled up 169 points, an average of 42.25 per game, while holding opposition to single touchdowns. St. Mary's has scored 55 and allowed its adversaries 51.

The Pirates have totaled 1,366 scrimmage yards, an average of 341.5 a game. Jim Consruck has packed the ball for 325 yards in 50 tries. Jon Granby is 194 for 34 and Dale Sauer 158 for 16.

Clay Interested In Liston Bout Before Another

LOUISVILLE, Ky. (UPI) — Cassius Clay is not interested in fighting anyone before a heavyweight title bout with champion Sonny Liston next year.

Bill Faversham, who acts as spokesman for the 11 businessmen sponsoring the Louisville bout is "the lowest we've received in more than a year."

The Louisville distillery executive said he is sorry if he ever gave the Seattle promotion group the impression he was interested.

Clay is involved in a hassle now with Louisville promoter Bill King over fulfilling an agreement to fight George Chuvalo here Nov. 8.

King has asked Kentucky Boxing Commissioner Bob Evans to suspend the 21-year-old Louisville fighter indefinitely unless he goes through with the Chuvalo bout. Evans has called a hearing on the matter for Friday morning.

Chase in AFL Might Tighten

By United Press International The scramble in the American Football league will get even tighter this week end if the odds-makers are as accurate as usual.

The two top teams after four games, the New York Jets and the San Diego Chargers, collide in San Diego Sunday afternoon with identical 3-1 records.

The Chargers, 10-point favorites, are just a step ahead of Kansas City in the western division while New York is the only team in the eastern division to better the .500 mark at this stage.

The Boston Patriots, tied with Houston for the eastern runner-up spot, launch the league's sixth round of games by hosting the Oakland Raiders tonight. Boston, a 4-point pick, will be employing the Fenway Park home of baseball's Red Sox for the first time.

The rest of the AFL program lists Houston at Denver in a tossup game and Buffalo a 9-point underdog at Kansas City, both on Sunday afternoon.

Mets Select Bill Haas In NL's Special Draft

By BOB WALTERS CINCINNATI, Ohio (UPI) — Bill Haas, a 20-year-old rookie, with no major league experience, proved to be the plum in the national league's special draft and the general reaction today was "who's he?" Haas is a left-handed first baseman - outfielder whom the New York Mets picked from the world champion Los Angeles Dodgers as their first choice.

The Houston Colts said they would have selected Haas, too, but were beaten to the punch by the Mets, who won first choice on the flip of a coin.

As it was, the special draft session to help the National league's two tail-enders consumed only three minutes and 50 seconds.

The Mets chose right-handed relief pitcher Jack Fisher from the San Francisco Giants in addition to Haas while the Colts picked right-handed reliever Claude Raymond from the Milwaukee Braves.

Those were the only three players chosen, at a cost of \$30,000 apiece, from a list of 33 players put up by the eight other clubs in the league. Each club made four of its players available with the exception of the Cincinnati Reds, who offered five.

The beeline for the six-foot-three, 190-pound Haas was caused by his minor league batting marks for the last two seasons.

He batted .302 and had 68 runs batted in with Albuquerque during the early portion of the 1962 season and after the parent Dodgers assigned him to Santa Barbara of the California league he hit .328 and drove in 41 runs. With Reno in 1962, he batted .368, drove in 144 runs and had 33 homers.

FARM DIRECTOR RETIRES PHILADELPHIA (UPI) — Gene Martin, a veteran of 45 years in baseball, retired Thursday as farm director of the Philadelphia Phillies. Martin, who was succeeded by Clay T. Smith Jr., his administrative assistant, will remain with the club as a specialize scout.

Saturday's big one could eventually bring a national championship to the winner. Oklahoma is 2-0, including a 17-12 win over defending national champion Southern California two weeks ago. Texas is 3-0 but goes into the game a 3 1/2 point underdog.

Third-ranked Alabama is a 1 1/2 point favorite over Florida but the Gators are an unpredictable crew. Fifth-ranked Wisconsin faces Purdue and the Badgers will be a 7 1/2 point favorite.

Ohio State, ranked seventh, meets Illinois which upset Northwestern last week but the Buckeyes also are a 7 1/2 point favorite.

Lions Are Favored Penn State, number eight, meets one of its bitterest foes in Army at University Park, Pa., with the Lions favored by 12 1/2 points.

Southern California, number nine, is a 6-point favorite over Notre Dame and 10th-ranked Nebraska is favored by 13 over Air Force. Fourth-ranked Pittsburgh will be idle.

There are a number of other important games around the nation, including Arkansas at Baylor; Duke at California; Georgia at Clemson; Iowa State at Kansas; North Carolina at Maryland; Michigan State at Michigan; Kansas State at Missouri; Minnesota at Northwest.

SMU Eyes Upset Over Military

By SANDY PADWE UPI Sports Writer Southern Methodist can make it two upsets in a row over the military tonight when the Mustangs meet Navy in Dallas, Tex. — the nation's football capital this week end.

Last week SMU defeated favored Air Force and its excellent quarterback Terry Isaacson. This week they'll be dealing with Roger Staubach, an even tougher assignment.

The SMU-Navy game is one of four contests scheduled Friday night. Others find Syracuse at UCLA, LSU at Miami, Fla., and Virginia Tech at George Washington.

That's a pretty attractive Friday list and Saturday's is no different with the feature again in Dallas between top-ranked Oklahoma and its arch rival Texas, ranked second.

Sixth-ranked Navy has been installed as a 13-point favorite against SMU mainly on the merits of Midshipman Staubach, whose sensational play has made him the top contender for All-America quarterback honors.

Whitey Ford Chosen AL Pitcher of Year

NEW YORK (UPI) — Whitey Ford, a 24-year-old pitcher in his 12th season with the New York Yankees, today was named the American league pitcher of the year by the United Press International.

The 34-year-old left-hander, whose .718 won-lost percentage makes him the most successful pitcher in baseball history, received 18 of the 24 votes cast by the UPI's board of baseball experts representing every city in the major leagues.

Relief ace Dick Radatz of the Boston Red Sox, 21-game winner Camillo Pascual of the Minnesota Twins and 19-game-winning rookie Gary Peters of the Chicago White Sox rounded out the voting with two votes each.

Heading a staff that helped to keep the Yankees out front in the American league race from virtually the first pitch of the season, Ford compiled a 24-7 record and a .774 percentage. He pitched three shutouts and struck out 189 batters in 269 innings.

Radatz, a 6-foot, 5-inch, 245-pound right-hander nicknamed "The Monster" and "The Beast" because of his over-throwing speed, was the relief pitching sensation of the 1963 AL season. He had a 15-6 record, 162 strikeouts and a 2.03 earned run average for 66 appearances in 133 innings.

Pascual the only 20-game winner of 1962 to repeat in 1963, had a 21-9 record with a 2.46 earned run average.

Ladies Led By Suggs

LAS VEGAS, Nev. (UPI) — Louise Suggs, now a portly 40-year-old veteran of 17 years on the golf tour, goes into the second round of the Ladies' National PGA tournament today ready to teach the youngsters a thing or two about the game.

The star, one of the few crack shotmakers still around from the Babe Didrikson era of golf, fired a one-under-par 70 in the searing heat at the Stardust Golf Club course Thursday to take a two-stroke lead over favored Mickey Wright.

Hedick's 7th Graders Victors

Hedrick teams won seventh grade intramural football games yesterday.

The Blues downed McLoughlin Whites 32 to 6 and the Reds won from the McLoughlin Blacks 13 to 0.

Ron Barnes scored for the Blues on two sweeps of 50 yards. Passes by Rob Brown to Scott Lewis and Barnes went for 60 yards and touchdowns. Dick Bridenstien tallied on a 15-yard sweep. Barnes and Mitch Baker ran extra points. Mike Hutchings got the White TD on a 40-yard pass interception run.

The Reds, who won over the Whites 9 to 0 last week without allowing a first down, turned in another fine team defensive effort against the Blacks. Bill Smith went 15 yards for one touchdown and ran an extra point. The other score was on a Greg Gilbert to Terry Rasmussen pass for 20 yards.

John Sanford of the Reds and Dave Graham and Rick Cole of the Blacks were cited for good defensive play.

Ryder Cup Golf Gets Under Way

ATLANTA (UPI) — A confident United States team, led by "Mr. Moneybags" Arnold Palmer, went forth to repel a British invasion today in the opening play of the 15th biennial Ryder Cup matches and was an odds-on favorite to post this country's 12th victory.

The Yanks modestly refrained from making any public victory claims and the British, with traditional stiff upper lip, insisted they had a chance to win.

But it was easy in observing and talking to the two teams to conclude that the biggest threat facing the U.S. team might be over-confidence.

Palmer, golf's top money winner and captain of this year's U.S. Ryder Cup team, paired himself for today's opening 18-hole match with Johnny Pott, youngest team member at 27. They met Welchman Brian Huggett and Scotsman George Will, youngest members of the British team.

Today's activity consists of a total of eight Scotch foursomes — four this morning and four more this afternoon. Each match pits two-man teams with each team using only one ball and taking alternate shots.

After Palmer and Pott teed off against Huggett and Will, three more foursomes went out at 15 minutes intervals. The rest of the morning lineup:

Billy Casper and Dave Ragan vs. British ace Peter Alliss and Irishman Christy O'Connor; Gene Littler and Dow Finsterwald vs. Welshman Dave Thomas and veteran British Ryder Cupper Harry Weetman; and U.S. Open champ Julius Boros and Tony Lama vs. Neil Coles and Bernard Hunt, Britain's top tournament winner this year.

Saturday there will be eight more foursomes but when each player will use his own ball with best ball winning each hole. Sunday, final day of the three-day, 32-match event, 16 singles matches will be played.

Ripon Back Top Scorer

NEW YORK (UPI) — Jack Ankerson of Ripon college is a quarterback who doesn't run much and doesn't throw much but he leads the NCAA college division in scoring.

Ankerson has a lot of people puzzled because he's scored nine touchdowns and kicked 14 extra points in three games for 68 points.

He has run with the ball only 27 times and passed just 33 times, which makes his rate of point production the best in the nation, the National Collegiate Athletic Bureau reported today.

The bureau reported that the leaders in other departments remained the same.

Northern Illinois' George Bork leads in total offense and passing. In four games, he has attempted 140 passes and completes 100 for a .714 percentage and 1,431 yards. He also has 17 touchdown passes.

Bork's passing has made it possible for two teammates — Hugh Rohrschneider and Gary Slemmons — to rank 1-2 in pass receiving.

Jim Holder of Panhandle A&M is the leading rusher with 58 attempts for 567 yards in three games.

Howe Sparkles For Red Wings

DETROIT (UPI) — Like a good, rare wine, Gordie Howe seems to improve with age.

The Detroit Red Wings' peerless right winger — hockey's Warren Spahn — is supposed to be a slow starter.

But the 35-year-old veteran of 18 National Hockey League seasons is off to a blazing start this year.

Howe was hotter than the weather as he blasted in two goals in the first eight minutes Thursday night to lead the Red Wings to a 5-3 victory over the Chicago Black Hawks before a record home coming crowd of 12,446.

Stable Picked To Beat Turner

PHILADELPHIA (UPI) — Jose Stable, ex-Cuban rated No. 3 in the welterweight division, is an 8-5 favorite to snap undefeated hometown Dick Turner's 13-bout winning streak tonight in a nationally televised 10-rounder.

The 22-year-old Stable, now a New Yorker, will try to overwhelm Turner with his windmill attack and win a crack at Emile Griffith's world title. Promoter Herman Taylor has promised the victor a title match "inside six months."

Turner, 24, and ranked sixth in the 145-pound class, hopes to score an upset with the stunning power that has gained him 12 kayo triumphs.
