Flemming Favors Present Policy On Athletic Fees

EUGENE (UPI) — University of Oregon President Arthur Flemming said Thursday he favors the present policy under which students are compelled to pay \$6.50 a term in support of intercollegiate athletics. The money buys the student a ticket admitting him to all university athletic events. Use of compulsory fees to support intercollegiate athletics was criticized Wednesday by some faculty members after the Faculty Senate offered a resolution condemning the practice. The faculty finally deferred the resolution in favor of one creating a committee to study the whole issue of compulsory fees. At a meeting of the Eugene Chamber of Commerce's University Relations committee on Thursday, Flemming issued a strong defense of athletics and said he intended to continue his support of them at Oregon. On a related subject, Flemming said he favors construction of a \$2,000,000, 300-seat football and track stadium on the site now occupied by Hayward Field. However, the question of whether it should be a new stadium or expansion of the present one was left hanging pending further reports from architects.

Army Plans To Induct 13,000 in December

WASHINGTON (UPI) — The Defense Department wants 13,000 draftees to be inducted into the Army in December. The December draft call, issued Thursday, is a drop of 4,000 from the 17,000-man quota previously set for October and November.
