Small Worlds Around Us
 By LYNN M. WATKINS
 (Register and Tribune Syndicate, 1963)

Without Looking, Sandpiper Escapes The High Waves
 Of all the so-called shorebirds, of which there are a great many, probably the little spotted sandpiper is the best known, and the most easily identified. They are usually in considerable numbers on both fresh and salt water beaches, and in just about every nook and corner of both the north and south American continents.

Address Announced For Unitarians
 On Sunday members and friends of the Rogue Valley Unitarian Fellowship will meet in the Red Cross building at 11 a.m.

Roundtable Question Given for Week End
 Ministers Roundtable will explore the question, "Are the Ten Commandments Out of Date," at 10 a.m. Saturday on KMED-TV, and on KMED Radio, Sunday at 8 a.m.

Study to End at Central Church
 Sunday will conclude a four-week study of the seven churches of Revelation at Central Church of Christ, 1440 South Oakdale ave. The concluding message on the general theme "What Jesus Thinks of His Church" is entitled "Christ Challenges His Church." The speaker at the 11 a.m. service will be minister John V. Heberling.

LAY PREACHER
 GOLD HILL — Jerry Igo, Medford, a lay preacher, will lead in worship at Gold Hill Community Methodist church, Sunday at 11 a.m. He has previously spoken when the recent pastor, the Rev. Locklen L. Gregory, was away.

SERIES CONTINUES
 The Rev. John E. Simon, pastor of St. Peter's Lutheran church, 1080 East Main st., will deliver the third of a series of four sermons on "God's Secret Plan" in his services Sunday, at 8:15 and 11 a.m. Sunday's topic will be, "The Church's Part in God's Secret Plan."

COVERS BRIDGE — Debris from Vajont dam floodwaters covers bridge on state road near Longarone, Italy, Thursday. Waters that swept over the dam late Wednesday shattered half a dozen villages and killed an estimated 3,000 people. (UPI)

Work on Crater Lake Highway Is Okayed by Group
 SALEM (UPI) — The State Highway commission Thursday approved a \$3,630,000 budget for the forest highway program for fiscal 1965.

Wave Knowledge
 Like most shore birds, "lilt-top" has long legs, a necessary requirement for those that must wade in water. They can wade without getting their feathers wet, which brings up a peculiar trait in shore birds: an understanding of water, or wave action, which seems to be inborn in all the "long-legs."

Reluctant to Fly
 If you approach too closely and force it to fly, which it seems reluctant to do, it takes off in a big hurry, uttering a sharp, "wee-wee," it loops over the water for a short distance, curves back toward the shore just a few yards ahead, and comes to rest at the water's edge. Usually, the minute its feet touch the sand, it teeters for several seconds, almost as if it were attempting to regain its balance. The flight itself is jerky, causing the human observer to wonder how the bird successfully migrates so many miles every season.

Missionary Speaker At First Assembly
 Sunday at 7:30 p.m. at First Assembly of God, 1108 West Main st., the Rev. Lionel Furman, missionary to Tanganyika, East Africa, will speak on the subject of missionary endeavors in Africa during the past 16 years.

LUTHERAN SERMON
 The sermon by the Rev. H. C. Covert, Zion Lutheran church, Sunday morning will be "That Other Mile." The senior choir will sing "Brother James' Air" arranged by Gordon Jacob.

MISSIONARY SPEAKER
 BROWNSBORO — Al Rawlins, missionary from Brazil, will speak Sunday at both the 11 a.m. and 7 p.m. services at the Brownsboro American Sunday School union. Films will be shown at both services.

Oregon Motorists Headed for Record Traffic Death Year
 SALEM (UPI) — Oregon motorists are headed, throttle open, for the worst traffic death toll in the state's history.
