

Bockwinkle, Borne Mix Thursday

Tough Tony Borne and Nick Bockwinkle will clash in the main event of next Thursday night's wrestling card at Medford armory, a match growing out of last week's battle royal, won by Bockwinkle.

It will be the first meeting, except for last week's clash, of these two grapplers, rated as the two top attractions in the northwest. It is a match wanted by every promoter in the area but Medford got it because of their clash last week.

Borne refused to put his Pacific Coast Junior heavyweight championship on the block, claiming Bockwinkle is an unworthy challenger and should work his way through the ranks "and then take his beating in a title match."

Two other matches will complete the card. One will feature Luther Lindsey, rated by many experts as the best colored heavyweight in the country.

Ringside reserved seat tickets are on sale at Lampert's Sporting Goods store in Medford.

SMU Spills Navy Grid Team 32-28

United Press International Southern Methodist university upstaged the big boys in college football Friday night with a sensational 32-28 upset of Navy and its great quarterback Roger Staubach.

After dropping a 27-16 game to Michigan in the season-opener, SMU topped the Air Force and its fine quarterback, Terry Isaacson, 10-0. But the young Mustangs, 13-point underdogs to Navy, outdid themselves against the Middies as sophomore half-back John Roderick sprinted for 146 yards and two touchdowns.

Staubach, who leads the nation in total offense, completed 12 of 22 passes for 107 yards and ran for the same distance but the Mustang secondary knocked down two desperation tosses at the SMU goal line in the last five seconds to insure the victory.

LSU Over Miami

In other Friday night action, LSU muffed Miami and George Mira, 3-0. Mira, who has yet to complete a touchdown pass this season, was 12 for 19 but three field goal attempts by the Hurricanes' Don Cifra were wide and Doug Moreau's 20-yard field goal for LSU in the third period decided the contest. However, LSU's sophomore quarterback Pat Screen suffered a shoulder separation and will be out for the season.

Syracuse roled over UCLA for 256 yards on the ground to score a 20-7 victory in an intersectional contest on the West Coast. Nat Duckett and Jim Nance provided the offensive punch for the Orange and the Syracuse defense held the Bruins to minus 2 yards rushing.

Virginia Tech handed George Washington its fourth straight defeat with 22-8 win in a Southern Conference game.

REPLACED

LOS ANGELES (UPI) — The Los Angeles Rams last week put end Duane Allen, defensive halfback Al Hall and center Ken Kirk on waivers and replaced them with three men from the club's "taxi squad": Tackle Stan Fanning and defensive backs Nat Whitmyer and John Griffin may see action against the Chicago Bears at Memorial Coliseum today as replacements for the three put on waivers.

Palm Scores High In Punt, Pass, Kick

Bob Palm, Frank Merickel, Ted Pappas and Paul Weiss were winners in their "Graham Special," rebuilt version of a high speed racer which cost the life of one driver, swerved out of control Saturday during a world land speed record attempt at the famed Salt Flats in western Utah.

Driver Harry Muhlbach of Salt Lake City was not hurt in the mishap in which the bright red racer slid on its top across the gleaming white salt for more than 1,000 feet. The crash occurred during Muhlbach's first morning run.

Driver Unhurt When Custom Racer Rolls Slides 1,000 Feet

The primary cause of the mishap was believed to have been the breaking parachute. The chute accidentally popped out and sent the racer careening out of control after Muhlbach had just passed the measured mile light.

The racer went into the long slide, rolled over twice and came to a halt upside down. Muhlbach estimated he was traveling "about 295 miles per hour" when he crashed. However, Joe Petrali, chief steward for the U.S. Auto club which was timing the event, calculated the

16-year-olds with 181 points. Rodney Newman, Medford, followed with 171 and Dave Casey, Medford, had 165.

Pappas, Medford was 9-year winner with 169. Jesse Lovell, Medford, was second with 161, and Ricky Snow, Central Point, third with 159.

Heading the eight-year-olds was Weiss, Medford. He had 159 total. Mark Griffin, Medford, was runnerup with 136 and Terry Piche, Medford, had 123. More than 400 boys of this area participated.

Merickel, Jacksonville, topped the 16-year-olds with 181 points. Rodney Newman, Medford, followed with 171 and Dave Casey, Medford, had 165.

Butte Falls Wins 52-0

BUTTE FALLS — Butte Falls high football team scored two touchdowns and an extra point in every quarter Thursday to defeat Rover River freshmen 52 to 0.

Dan Edmondson ran five yards for one touchdown and passed for 12 yards to Ron Sizemore for two others. Jim Lytle tallied on six and 15-yard runs. Ron Smith ran 12 yards for a touchdown and Joe Boyd five yards for another. Mel Bowen blocked a punt and Len Lytle recovered the ball in the end zone for a second quarter marker.

Conversions were on passes Edmondson to Sizemore and to Jerry Copeland and runs by Boyd.

The teams played eight-man ball when Butte Falls was on offense and 11-man when Rover River had the ball.

Butte Falls has a 3-1 record. The Loggers play at Canyonville next Friday.

Southern Oregon's Raiders Lace EOC Mounties 48-18

LA GRANDE — Southern Oregon, with a five-touchdown second half, made it 2-0 in Oregon collegiate conference football here Saturday afternoon by past-

ing Eastern Oregon 48 to 18. The Red Raiders from Ashland put over single touchdowns in the first and second periods, tallied twice in the third canto and three times in the fourth.

All EOC scoring was in the second half. Quarterly counts were 7 to 0, 13 to 0 and 27 to 6. Dave Nord highlighted the afternoon with a 90-yard kickoff return for the sixth touchdown of the Raiders. Five markers came on passes. Bill Bailey hurried to Glen Moses for 15 yards and to Denny Ellis for 13 and 60 yards. Jeff Rude flung the ball to Nord for a 16-yard scoring gain. Rude threw to Spike Gordon for 31 yards in the closing seconds.

Dick Reiling returned a pass interception 15 yards to the goal. Doug Olsen kicked four extra points and passed to Ellis for another. Two points were gained on a safety in the third quarter as the result of a bad center snap. Denny Van Meter, back to punt, stepped out of the end zone on the play.

Charles Wicker touchdown for the Mountaineers on passes for 27 and 60 yards from Van

Meter. Rich Barton gained the other counter on a 66-yard run. Moses scored on a tackle eligible play.

Bill Miller was a standout for the Raiders on defense. SOC had 24 first downs to nine for EOC and 491 net scrimmage yards to 292 for the Mounties. The Raiders gained 228 yards rushing and 263 passing and EOC 140 and 152. Twelve of 24 Raider passes were completed. Eastern connected on seven of 18.

Portlander Has Golf Ace Here

Clark A. Lethin, Portland, scored a hole-in-one here Friday at Cherry Lane Park golf course.

The ace was on the 157-yard No. 4 hole. Lethin used a five-iron.

It was the second hole-in-one this year for Lethin, who is a Boy Scout official. Lethin did not report his nine-hole score but did indicate that he did not play so well after putting in the ace.

He was playing with K. A. Carrol, Eagle Point.

ATLANTA (UPI) — Arnold Palmer and Dow Finsterwald fired a best ball six under par 29 on the front nine Saturday en route to a 3 and 2 mashie massacre which powered the U. S. to a 12 to 4 Ryder Cup lead over the battered British.

The Palmer-Finsterwald team was six under par in a 5 and 4 morning win over tiny Brian Huggett and big Dave Thomas and then in the afternoon was seven under par as they blasted aside bushy-haired Neil Coles and Ireland's Christy O'Connor, 3 and 2, for a second point.

Par Golf

Casper and Maxwell in the morning round beat long-hitting Harry Weetman and Scotsman George Will, 3 and 2, playing five under par golf for the 16 holes they needed and in the afternoon they were four under par beating Tom Halliburton and Geoffrey Hunt.

Lema and Pott combined in the afternoon for a 1 up victory over Peter Alliss and Bernard Hunt, shooting a four under par 33-33-66. They were even after 16 holes but Pott got the winning margin with a three foot birdie putt on the 17th.

Boros and Litterer fired a 34-33-67 but all it got them was a halve against Alliss and Ber-

only five wins to wrap up the big gold cup for the 12th time in 15 contests.

In the day's other matches, Billy Casper and Billy Maxwell teamed for two victories; Tony Lema and Johnny Pott scored one; Julius Boros and Gene Litterer halved a match as did Bob Golby and Dave Ragan while the latter team suffered the day's only loss in the morning round.

The lone U. S. loss came when Goalby and Ragan were beaten 1 down by Coles and O'Connor when the laconic Irishman knocked in a 40-foot birdie putt on the final hole.

The U. S. had grabbed a 6-2 lead in Friday's eight Scotch foursome matches — where two-man teams played alternate shots — and the eight Saturday four-ball matches were to be followed by 16 singles matches today.

Palmer and Finsterwald shot a four under par 31 on the front side against the tiny Huggett and the giant Thomas to take a 4 up lead at the turn. They then fired two birdies on the next five holes to close out the match.

The senior high and McLoughlin and Hedrick Junior, high honors and pep groups took part. These groups formed a huge shield, emblematic of the security and protection afforded by the American democracy. The bands played the "Battle Hymn of the Republic."

The inviting of the junior high students to participate with those of the high school was done as "a tribute to perseverance and fine teachers." It was pointed out that the junior high students in the bands, pep clubs and among the majorettes would be the senior high students in the future who bring the half-time shows.

Final Jalopy Race Of Season Set at White City Track

Jalopy racing is in the sports spotlight for the final time of the season this afternoon at the Medford Speedway oval in White City.

Competition is expected to be very keen as drivers go all-out for a place in the winners circle. A majority of the race skippers will be taking big chances today because they plan to build new cars for next year. Fans may see the most breathtaking display of driving maneuvers of the year.

The track is in the best condition of the year, which will set the scene for a fast field of fender-smashing antics on the part of the drivers. Officials expect a new track record to be set during today's time trials. Present track fast time mark is held by Ashland's Harold Hardesty who toured the oval during the last meet in 22.43 seconds.

Drivers in the "top ten" spots of the year-long point race have only today to better their standings.

Points leader is Talent's Jim Walker, followed by Pat Tyler, Medford. Tyler has a mathematical chance to overtake Walker and come out first. He also has a chance of being overtaken, should he not be able to protect his slim lead over the third, fourth, and fifth place drivers.

Dark horse runners for today's top winner is Harold Hardesty from Ashland. Hardesty has done very well during the last two races and will be entering today's go-around fresh from winning top money at the Nevada championship meet two weeks ago in Reno.

Many expect a private duel to develop between Hardesty, Jim Walker, and Pat Tyler. These three are regarded by many as the top driving trio on the Medford track. They will be hard pressed by such names as Charles Davis, Ashland; Bill Chase, Central Point; Harvey Nelson, Eagle Point; Dave McCullom, Medford; Sam Dykes, Medford; and John Jones, Ashland.

In all some fifty cars are expected to take the field today.

Feature event of the afternoon races will be the fifty lap main, the first endurance race of this length to be staged on the Medford oval this year.
