Funeral Tonight

DETROIT (UPI)—The legendary Horton Smith, who often said "golf is my life," was being mourned by the golfing world today.

Funeral services for Smith, the first winner of the Masters tournament and a member of the PGA Hall of Fame, will be held in suburban Royal Oak (Bass-Lynch Funeral home) tonight. Burial will be Friday at Springfield, Mo.

Smith fought a six-year battle with Hodgkins disease before dying early Tuesday. He collapsed Sunday in Atlanta while watching the Ryder Cup matches but recovered sufficiently to watch the finish of play from a golf cart.

French City Will Get Olympic Games

BADEN-BADEN, Germany (UPI)—An official of Lyons, France says "there is no question" his city will host the 1968 Olympic Games.

Tony Bertrand, the Lyons representative also said Tuesday that "Detroit hasn't got a hope. We're going to win hands down."

Lyons and Detroit are two of four cities bidding for the games. Mexico City and Buenos Aires are the others. Their representatives have been meeting here with delegates to the International Olympic Committee.

BILLIARD CHAMPIONS—These three men are Lloyd Millers, Vaughn Biggs and Phil Johnson members of the Portland team which won the Medford Elks lodge three-cushion billiards tournament last week end. From left

ROXY ANN CLASSIC Wide Track Team (13-3) 2, Marlain Stockdale 236; Kim's (13-3) 1, Al Bost 569.

Bears, Packers Head NFL In Seizing Opportunities

NEW YORK (UPI)—When it comes to seizing scoring opportunities, there are no teams in the National Football League like the Chicago Bears and Green Bay Packers.

The Bears have intercepted a league high of 17 passes and have recovered seven of 13 errant fumbles.

The Packers have jarred their opponents into fumbling 13 times, have recovered a league high of 12 of these, and have intercepted nine passes, according to the latest NFL statistics.

That makes a total of 24 times Chicago has taken advantage of enemy mistakes to grab scoring opportunities while the Packers have done so 21 times. And it explains to a great extent why these teams are 1-2 in the Western Division standings.

Forty Niners Obtain Brock From Cowboys

REDWOOD CITY, Calif. (UPI)—Clyde Brock, one of possibly the greatest group of tacklers ever assembled at one school at one time, will join the San Francisco Forty Niners.

Brock was claimed from the Dallas Cowboys Tuesday and will be used to buttress the shaky Forty Niner offensive line. In order to make room for him, the Prospectors cut running back Lloyd Winston.

The 268-pound Brock was second string at Utah State. He just couldn't move out Merlin Olsen, now a Los Angeles Ram, and Clark Miller, now first-string defensive end for San Francisco.

Winston's release was a mild surprise since he was the Forty Niners' best runner in the early season games. But the coaching staff apparently felt that rookie Don Lisbon had more potential.

Renfro Selected Player of Week

PORTLAND (UPI)—Oregon footballer Mel Renfro today was named the state's college football player of the week by the Linebackers. It was the third time in three years he has won the honor. Only Terry Baker has equalled that.

Getting honorable mention was Lewis and Clark's Bill Henselman.

UPI Selects Darrell Royal Coach of Week

AUSTIN, Tex. (UPI)—Very few football coaches will tamper with a success formula.

But, the tactical formula used by the University of Texas Longhorns in their solid 28-7 upset of top-ranking Oklahoma last Saturday bore little resemblance to the one Texas used to go undefeated last year and cop 28 of its last 31 starts.

The change has been a major factor in making Texas a better team — enough better that the Longhorns this week were voted the No. 1 position in the United Press International's coaches board ratings.

Instrumental

It also was instrumental in making Texas Coach Darrell Royal the United Press International's college football "coach of the week" for the team's win over arch-rival Oklahoma.

"We've only run three plays we were using the last two years," Royal said.

"We have changed our offense — it's sounder than it was," pointed out the 38-year-old former Oklahoma quarterback who has produced five bowl teams in six years at Texas.

"We run more handoffs than ever before — a different version of the option play than in the past. We're using a hand-off fake suggested by assistant coach Jim Pittman last spring."

OSU STRESSES OFFENSE

CORVALLIS, Ore. (UPI)—Coach Tommy Prothro of Oregon State stressed offense Tuesday as his Beavers prepared for Saturday's homecoming game against the Washington State Cougars.

Halfback Dan Espalin and Leroy Whittle were back in action Tuesday as the Beavers made plans for a comeback after the 34-7 defeat by the Washington Huskies last weekend.

MOSHER PROMOTED

BERKELEY, Calif. (UPI)—Halfback Jerry Mosher was promoted to the first team Tuesday as coach Marv Levy worked on defensive drills with his University of California Beavers.

DRILL IN RAIN

STANFORD, Calif. (UPI)—The Stanford Indians held extensive defense drills in the rain Tuesday in preparation for Saturday's game against the tough University of Washington at Seattle.

NEW PLAYS

LOS ANGELES (UPI)—The UCLA Bruins worked on new plays again today as they prepared to meet Notre Dame's Fighting Irish in South Bend, Ind., Saturday.

Coach Bill Barnes said Tuesday end Mel Profit, forced to the sidelines for last week's tilt with Syracuse with a slight leg injury, will start against the Irish.

Barnes said Kurt Altsherg would start at the other end position, and either Jim Colletto or Warren Jackson would be the starting fullback.

WORK ON DEFENSE

LOS ANGELES (UPI)—Coach John McKay's Southern California Trojans worked on defense again today in preparation for their game against Ohio State Saturday in the Coliseum.

Although the first string was the same as it was last week against Notre Dame, McKay made a couple of changes in his second and third string units Tuesday on the basis of line play last Saturday.

OSAA Strips Monroe of Grid Title

PORTLAND (UPI)—The Oregon School Activities Association has stripped Monroe of its 1962 class B high school football title.

The action was taken Sept. 6, but wasn't disclosed until Monroe wrote letters to each of 21 opponents in five sports, telling them it had used an ineligible player.

Merrill, which lost to Monroe 52-7 in the state championship football game, just received its letter.

That was the first Merrill officials knew they were the new champions.

"We don't want it, we'll always know the score in our hearts," said Merrill principal John Mathis.

Knox Dies Of Injuries In Boxing

BALTIMORE (UPI)—Ernie Knox, a 26-year-old Baltimore hood carrier and part-time heavyweight boxer, died today at Provident Hospital of injuries suffered in a bout two nights ago.

Knox lapsed into a coma several hours after being knocked out by veteran heavyweight Wayne Bethea of New York in the ninth round of a bout at the Coliseum Monday night.

Neurosurgeons who performed emergency brain surgery on Knox Tuesday gave him "little chance of survival."

While Knox was battling for his life, Baltimore Mayor Theodore R. McKeldin said he would do everything in his power to prevent professional boxing matches from being booked at the city's new \$14 million Civic Center.

McKeldin said that under present conditions, pro boxing is "terrible and brutal." He termed the match between Knox and Bethea — in which Bethea held a 27-pound weight advantage—a "mismatch."

Knox took a tremendous beating at the hands of Bethea, who punished him with right uppercuts and left hooks for the nine rounds the fight lasted.

Defenses Stacked Against Mel Renfro

PORTLAND (UPI)—Art Litchman, athletic promotion director at the University of Oregon, says the reason Mel Renfro hasn't carried the ball so far, more is that opponents' defenses are stacked to stop him.

He told the weekly sportswriters and sportscasters meeting that as a result Oregon is passing to him more this season.

He said Renfro, an all-American last season, has caught almost as many passes so far this year as the entire season a year ago.

Litchman also said Renfro probably would see some more action at quarterback against Arizona Saturday. Renfro played briefly at quarter against Idaho last week and looked sharp.

SF Seals Take Up Where They Left Off in Hockey Loop

BY UNITED PRESS INTERNATIONAL

The defending champion San Francisco Seals seem to be taking up where they left off last year in the Western Hockey League—but newcomer Denver is hanging in tough.

Both teams scored victories on enemy ice Tuesday night to move to the top of the standings in the young season. San Francisco downed Los Angeles, 5-2, and Denver defeated Vancouver, 5-3.

Pete Panagabko got the Seals off on the right foot with a 15-foot shot in the first period. Mike Edmundson and Nick Dikowski each scored in the second, and Jean-Mark Picard and Al Nicholson hit in the third.

The Forty Niners were heartened by the return of Billy Kilmer, one of the most exciting running backs ever to perform for them.

Kilmer shattered his ankle in an auto crash after last season. It was first thought his career was over, but he recovered so well that he may be able to see some action this year. He took his first practice session with the team Tuesday.

The Forty Niners are 0-5 in league play and meet the Chicago Bears Sunday in Kezar Stadium. The Bears are leading the Western Division with a 5-0 mark.

Sahara Links Tourney Billed

LAS VEGAS, Nev. (UPI)—The \$70,000 Sahara Invitational golf tournament gets under way Thursday with most of the biggest names from Great Britain and the United States competing in the 72-hole event.

With first prize listed at \$13,000, Arnold Palmer and Jack Nicklaus were rated as co-favorites.

Neither Palmer nor Nicklaus competed in the pro-amateur event Tuesday and today, but the British made a good showing.

Hardesty Triumphs In Jalopy Racing

Race fans and drivers like 50-lap endurance Jalopy races.

This was the consensus Sunday as Medford speedway wrapped up the 1963 season with its first championship event.

Harold Hardesty, a pre-race darkhorse favorite outlasted a field of 33 cars and won the checked flag in the main event. Hardesty faced keen competition as he skillfully maneuvered his No. 52 car through several pile-ups. He was hard pressed at times for the lead position by several machines including that of Kenneth Wilson, Roseburg — No. 88.

Several laps of the race were run under the yellow flag as the track wreckers were kept busy helping battered cars off the oval.

Raiders Take 2nd In Meet

ASHLAND—Norm Oyler of Southern Oregon college took individual first place in the college division of the Sacramento State Invitational Cross-Country meet Saturday, but the Red Raiders could not match the team strength of Chico State, and took second place behind Chico in an eight team field.

Over 100 runners ran in the race which saw both the college division and university division run together. The university division was won by San Jose, with Stanford placing second.

In the overall placing, Oyler placed 9th. Jerry Arndt 33rd, Jack Sailer 45th, Rich Stanfield 51st, and Allan Wruck 48th.

Team scores for the college division were: Chico State 158; Southern Oregon College 186; Sacramento State 206, Cal Aggies 232, San Francisco State 253, Mather Air Force 263, University of Nevada 337, and Alameda State 383.

This week end the Raiders travel to Portland to run against the University of Portland, Lewis & Clark, and Willamette University in a four-way meet at the University of Portland on Friday. The following week end the Raiders go to Chico for the Chico State Invitational.

Hatfield Nominates Baker for Award

CORVALLIS (UPI)—Gov. Mark Hatfield has nominated Terry Baker for the Junior Chamber of Commerce award as one of the nation's 10 outstanding young men during the past year.

Baker was a Heismann Trophy Winner at Oregon State University last fall, as well as a top scholar in mechanical engineering.

He is now playing quarterback with the Los Angeles Rams.
