The carpet that's acclaimed throughout the nation, now at the lowest price we've seen! High-low pile of **continuous filament nylon**, the new fiber that's not joined anywhere! That means no weak spots to fuzz-up, mat down or break under pressure. What's more the colors are fade-resistant because they are dyed right into the nylon before weaving! Choose from 14 beautiful decorator-recommended colors that NOW keep their fresh-look longer because stains stay on the top surface and can easily be sudsed off! And every square foot is moth-proofed forever. Come, buy it for your home . . . you'll be proud of this beauty-on-a-budget!
