## St. Mary's Winner Over Sacred Heart

KLAMATH FALLS — St. Mary's of Medford, grabbing a 14 to 0 first quarter jump, subdued Sacred Heart High Friday night in Rogue League football action at Gems Stadium.

Ron Roberts, Jeff Randolph and John Lucas got touchdowns for the Crusaders. St. Mary's had a 20-yard scoring pass. John Batzer to Tim Sakraida nullified by penalty just before the conclusion of the game.

The fracas gave St. Mary's coach opportunity to use his second unit players. The second defensive crew played about three-quarters of the time the No. 2 offensive gang was in action about two panels.

Three Corliss Kicks Roberts went over on a three-yard play and Randy Corliss made the first of three extra point boots.

Randolph went four yards on a dive. Lucas scored from a yard away. He's a regular guard for the Medford parochials and he carried the ball for the first time for his school.

First TD was off a 65-yard march. A fumble recovery

Gandee had 58 yards in seven packs for Medford and Barnes 67 in six. For the Pels Kitching, who burned an arm when the rally tire for KF homecoming festivities was lit the night before, had 48 for 15. Barnes completed five of seven passes for 89 yards and Toews caught three for 45.

The Pels were held to three pass completions in 12 throws with Bill Piche intercepting one. Medford rests next week end with an open date.

## Skinner Enters 500-Mile Race

SALTON CITY, Calif.—All of the national champions in the short history of the popular SK (ski boat) class will be participating in the Salton City 500-mile Boat Race, Nov. 8-10.

The entry of Lon Skinner of Medford, Ore., this week assured the "big three" of getting together again in the \$22,000 Veterans' Day week end marathon.

Earlier entries had been filed by Ed Olsen of Garden Grove, Calif., and Don Towle of Los Angeles.

Olsen, a former three-time national champ in E Racing Runabout class, won the first SK crown four years ago. Skinner picked off the title the following year and Towle has ruled the class the past two years.

Skinner and Olsen competed last year.

## Murray Gets TD

The Medford High football varsity scored its fourth touchdown against the Klamath Falls Pelicans Friday when senior halfback Tim Murray jumped into the end zone from two yards out during the third quarter to raise the tally to 26-0 at that point. The Tornado marched for 83 yards in 11 plays for

the TD. Flanking Murray (44) in the photo above are Walt Verstrate (84) and Chuck Kimball (71). Jeff Hardrath (73) is partially obscured by Pelican Steve Campbell (68). Other Pel defenders getting into the act are Mike McKibbin (62), Terry Eccles (41) and John Enright (77).

downs. But, the Pels fumbled on their first scrimmage play. Brian Petersen fell on the ball for the Tornado on the one and Murray was in the KF end zone in one play.

In the late second quarter Klamath faked a punt on fourth down. The play did not gain first down yardage and Medford took possession on its 39 yard line. Barnes hurled to Gandee for 29 yards to the Klamath 32. On the next play was the scoring play, Barnes to Toews.

The Pelicans punted out of their first series with the ball in the second half and Mike Kitching kicked for 57 yards, the ball bounding to the Medford 12. A procedure penalty put the Medfords back on the seven. A 93-yard march to the goal began with 10 plays required.

Big run was a bootleg around right end by Barnes who cut back left across the field and collected 36 yards. He was hauled down by Terry Eccles. Three plays after this Murray went over from the two.

KLAMATH FALLS — Football famine still is upon this land. The Medford Black Tornado wreaked its havoc on Modoc Field here on Friday and the Pelicans of Klamath Union High School still are hungry birds.

With its most consistent and coordinated storming of the season, the Rogue Valley gridiron Hurricane whirled over the Whitebirds 34-0 in Southern Oregon Conference combat. Medford shaped triumph with a blend of power and speed and passing.

Long drives brought about three Tornado touchdowns. Aerial blasts produced two others. Bill Enyart plunged two yards for one marker. Tim Murray jumped and rolled one and two yards for touchdowns. Mike Barnes tossed 32-yards to Steve Toews in the end zone for a score. The other came on a 45-yard passing play, Jack Mullen to Lynn Flanders.

Kept Pace Murray ran two conversions. George Dames kicked one and pushed an impromptu pass to Bill Houston for another.

Victory gave Medford a 5-1 record for the season. It was the second verdict in the conference for the defending champs who kept pace with the Cavemen of Grants Pass. Klamath Falls, which has failed to win a game this fall, suffered its sixth loss.

The Tornado commanded the conflict almost throughout. It took control by marching off the opening kickoff to the goal and firmed its hold with two second quarter counters. After the Tornado fought to the TD zone on its first chance in the second half, the fracas was in Medford hands. The Whirlwinds scored in every quarter.

Klamath Falls mounted only one major scoring threat, overlapping the third and fourth panels. The Pels, on recovery of a Medford fumble, battled from the Tornado 46 to the nine-yard line. An offside penalty on Medford put the ball upon the four. Then a pitchout went awry and Murray recovered for the Pear city team on the 15 stripe.

Pels Hit Hard "I was real pleased with the team," said Coach Fred Spiegelberg yesterday. "It really worked well as a unit." He agreed that the Tornado put forth its most consistent effort. The mentor remarked that the Medfords were sharper against North Salem but that against Klamath they were more consistent. "Klamath hit pretty hard," said the coach.

The Pels, recognized as a club with potential that has not yet been put together, rumbled with some good deception on Friday, but again could not reach the explosion point. One pass which might have spelled trouble for the Hurricanes was dropped.

Enyart was the main ground weapon of the Tornado as it provided some good blocking. He had 116 yards for 20 carries. But, the Medfords used the running of Greg Gandee, Barnes and Murray, along with Barnes' throwing arm to keep the KF defense honest.

KF Held To 94 And the Medford defense did its job. There were a few substantial KF gains but the Pels were also tossed for minus yardage and were held to a total scrimmage net of 94 yards, 79 of them on the ground.

Medford, in the meantime piled up 367 yards.

The first Medford TD was on a 66-yard push. There were 14 plays and five first downs along the way and the help of two five-yard Klamath penalties. Longest gain was 33 yards around end by Gandee.

In the second quarter came a 60-yard drive to the Pelican one yard line. There the Klamaths stopped the Medfords in

## Crater High Frosh Beat North GP

CENTRAL POINT—In a game closer than the score indicated, Crater High freshmen defeated the North Grants Pass football team on Friday, 25-0.

The Comets had a touchdown for every quarter with one pass interception resulting in a touchdown and another swipe setting up a second.

Rick Frohreich went 10 yards for the first Crater TD and Terry Tweedell carried for the extra. With 38 seconds left in the half Dave Bailey passed to Joe Cavin for 35 yards in a marker.

Third quarter tally was on a 20-yard pass interception run by Reg Ayres. In the final canto Frohreich grabbed a North pass on the GP 35-yard line and ran to the 21. Bailey later went over from the four.

Coach Bill Piche of the Comets said that from the third quarter on "I threw my pills away. Boy, what a great feeling it is to use second unit substitution. Our second defensive unit did a tremendous job in containing NGP backs, throwing them for repeated losses during the second half."

Piche praised Jim Madden, Erick Binker, Dave Swartz, Don Corcoran, Doug McMahan, Bill Staples, Oliver Minor, Chris Ebert, Steve Schofrath and Tom Lees. "This gang really came through when called on," he said.

## Mexico Will Host Olympics in 1968

By HENRY W. THORNBERRY  
United Press International  
BADEN-BADEN, Germany (UPI) — Delegates to the 60th session of the International Olympic Congress (IOC) agreed today that Mexico City had the 1968 Olympic games sewn up "almost from the start" and that Detroit virtually never had a chance.

A "post-game" analysis of the massive vote that gave Mexico City Latin America's first Olympiad indicated that voters had made up their minds to "spread the Olympics around."

Mexico City got 30 of the 58 votes cast, Detroit 14, Lyons, France, 12, and Buenos Aires 2.

A high-ranking IOC official told United Press International, "there was a strong desire to spread the games around. Most of the delegates felt the

Olympics should go to Latin America as they've never had them before and it was just a question as to whether Mexico City or Buenos Aires got them. Mexico had the facilities, was more easily accessible and was an attractive bet all around."

NEW YORK (UPI) — Tom Hoover, cut earlier this month by the Philadelphia 76ers, has been signed by the New York Knickerbockers.
