

Governor, Betts Rites In Gold Hill

PROSPECT — Mr. and Mrs. Fred George Governor Jr., whose marriage was a recent event, are living in Gold Hill. The bride is the former Miss Suzanne Marie Betts daughter of Mr. and Mrs. M. W. Betts, Prospect.

The bridegroom is a son of Mr. and Mrs. Fred Governor, Gold Hill.

The couple traveled to Eureka, Calif., for the wedding trip.

The Rev. Lochlan Gregory performed the ceremony September 28 at 7:30 o'clock in the evening in Gold Hill Community Methodist church.

Mr. Betts escorted his daughter to the altar and gave her in marriage. The bride's ballerina length gown was made with fitted bodice and was of organdy over taffeta. A front panel was trimmed with applique of lace and a bow accented the back waistline. Her shoulder length veil was held by a headpiece of white rosebuds and her bouquet was of white carnations and pink rosebuds.

Mrs. Keith Frazier, Medford, a cousin of the bridegroom was the bride's attendant. She wore a blue sheath dress with white accessories and her corsage was of pink carnations.

Robert Governor, Gold Hill, was best man for his brother.

Ralph Dillon, Mt. Shasta, a brother-in-law of the bridegroom, and Keith Frazier were ushers.

Baskets of gladioli with chrysanthemums and asters decorated the church and family pews were marked with white bows.

Some 85 guests attended the rites and reception given by the bride's parents, in the church rooms. Mr. and Mrs. William Frazier assisted and Mrs. Frazier made the wedding cake.

For her daughter's wedding and reception the bride's mother wore a blue dress with white accessories and the bridegroom's mother chose a beige suit with white accessories. Both had white carnation corsages.

Mrs. Monty Combs, a cousin of the bridegroom, was in charge of the guest book and Mrs. David Hall assisted by Miss Sharon Mather cut and served the cake. Miss Judy Betts, a sister of the bride, poured punch and Miss Frances Governor, a cousin of the bridegroom, served coffee. Mrs. Terry Clements was at the gift table.

Out-of-town guests included Mr. and Mrs. Roy Ritter, Portland, and Mr. and Mrs. Bernard Governor, Crescent City, Calif., uncles and aunts of the bridegroom; Mrs. Ralph Dillon, sister of the bridegroom, and Mr. and Mrs. Carl Dillon, all Mt. Shasta, Calif., and Mrs. Jerry Robertson, Tacoma, Wash.

The bride is a graduate of Prospect High school and the bridegroom was graduated the same year from Fortuna, Calif., Union High school. He also attended Crater High school. He is employed by Bennett Floor service.

For traveling on their wedding trip the bride wore a light blue sheath dress with matching jacket and white accessories.

World Community Day Marks 20th Anniversary

The first World Community day was held 20 years ago in the midst of war.

November, 1963, will mark the 20th anniversary at a time when conflict has been avoided, but peace has not been established. In December, 1942, the first assembly of United Church Women met in Cleveland, Ohio.

There, Mrs. Albert Palmer, Chicago, stated, "A day must be set aside by church women for a world-wide study of peace."

So was planted an idea that has had world-wide influence on the lives of millions of people.

Magical Fingernail Cream Science Wonder

CLAP HANDS FOR an amazing fingernail treatment. Simple, easy to vary, very effective, it works its magic around a buffer like grandmother used so faithfully and an extraordinary cream she didn't have but which is the product of contemporary cosmetic science.

It's an unique 30 second treatment that removes excess ragged cuticle roughness and ridges, adds strength, hardness, gloss, provides glass-smooth base for polish, and is general health and welfare promoter of nail growth.

If your nails have been chipping and peeling (or if you bite your nails)? If hangnails have your fingertips in trouble, buff these problems away in no time at all, all the while you fuse strength and beauty directly and instantly into the nails.

The cream which is buffed on contains seven active nail conditioners including protein, lanolin and hexachlorophene. The buffing friction, after cream application, causes pores of the nails to expand, thereby
