4 Moonlight Hours Friday - 7 p.m. to 11 p.m.

Moonlight Bargains All Day Saturday

DANCING!

YOU may enjoy your favorite dancing in Medford Friday night as a special feature of Downtown Medford Merchant's Moonlight Sale. There will be an Old-Fashioned Square Dance on Main between Riverside Square and Bartlett and everyone is invited to participate. For Teen-Agers there will be a dance on Main street between Central and Front streets with both live music and records — strictly for the young at heart.

ANOTHER gala MOONLIGHT PARTY—just like the one last year— has been planned by Medford's Downtown Merchants for YOUR enjoyment and profit. We do mean PROFIT because Medford's progressive shops and stores are going "all out" to offer bargains you'll want. Smart new Fall and Winter merchandise will be on display—and sale—and you'll want to come—see—and BUY! Dancing for young and old, a fly-over of Kingsley Field's fighter planes in the afternoon, a display of F-100 jet engine and showing of 1964 cars by Medford automobile dealers have been planned for this party! You're invited—don't miss it!

FIGHTER PLANES

A Kingsley Field squadron of swift fighter planes will fly over Medford at 2:00 p.m. Friday. Be sure to watch for them. An F-100 Jet Engine will be shown in downtown Medford.

1964 CARS

Some of your favorite Medford Automobile dealers will remain open Friday night during the Moonlight Sale so that you may see the sleek, new 1964 models on display!
