Summerfield pass. Tom Blanchard's pass on the last play of the game was incomplete.

Grants Pass set up Van Koten's touchdown by moving in four plays from its 32 to midfield. Fullback Isabell had gains of four, eight and three yards and Van Koten one of three.

Crater, holding the Cavemen with dogged defense, outgained the home team 70 yards to 30 offensively in the first half. The Fireballs, in this portion of the game and despite the yardage margin, gained no closer to the goal than to the GP 44.

In the third period bright opportunity presented itself to Crater when GP's Isabell muffed a Neufeld punt and a Comet player recovered the ball on the Cavemen 32.

A Quarterback Neufeld to Halfback Summerfield pass gained 16 yards to the 16-yard line. But Summerfield lost seven yards when a pitchout failed. Fullback Vern Swanson picked up a yard. Then, a Summerfield pass intended for End Bob Turner was robbed in the end zone by Larry Forsgren, who ran the ball out to the seven.

After recovery by Gail of the Ireland fumble, a pass interference ruling put the ball out on the 46. After two incomplections, Summerfield connected with Back Chuck Taylor for a 25-yard gain to the Grants Pass 28. Swanson made five yards but Crater was charged with game delay and put back again to the 28. A pass Summerfield to Taylor made six yards and Swanson hit to the 20 where Grants Pass was given the ball on downs.

In the second half Grants Pass recorded 212 yards rushing and passing while Crater was limited to 61 net. GP had a 242 to 131 scrimmage yard edge for the game.

Did Good Job Isabell lugged the ball 16 times for Grants Pass for 88 yards and Van Koten 12 times for 94. A 22-yard run by Isabell, along with Quarterback Tom Sparlin pass to Van Koten for 24 yards highlighted the last minute drive by the Cavemen.

Swanson carried the ball 19 times for 42 yards for the Comets.

"I thought the kids did a good job," declared Crater Coach Keith Johnson of the fine Comet effort. "Grants Pass has a fine

ball club. I think we did as good a job containing them as we could. We're real proud of them. We knew Grants Pass was tough." The mentor pointed to the work of Steve Jorde and Frank Armstrong at ends in holding down the wide plays of the Cavemen. He indicated the feeling that his Comet defenders jarred the GP backs as hard as they've been hit this season.
