# The Story of Civilization

BY WILL DURANT

**The most economical library-building system ever devised**

**T**HE PURPOSE of this suggested trial membership is to demonstrate, by your own actual experience, four things highly important for every reading family. First, that membership in the Book-of-the-Month Club is a certain way to keep from missing, through oversight or overbusyness, the new books you fully intend to read; second, that you will pay, on the average, 20% less for those books you want than you otherwise would; third, that you will have a wide choice—

more than 200 books a year; and fourth, that under the Club's new Book-Dividend system you will be acquiring useful or beautiful volumes—and fine high-priced sets—for trifling sums.

**\* HOW CAN IT BE DONE?** The answer to that natural question is that the Club's Book-Dividend system is comparable to the traditional profit-sharing systems of consumer cooperatives. The Club regularly sets aside from its income what is termed its Book-Dividend Fund.

As this total accumulates it is invested for the benefit of members in large editions of high-priced library volumes—beautiful art books, indispensable reference works, practical and useful books in many fields, literary classics both old and new, and costly multi-volume sets like the one pictured here. These are the Club's Book-Dividends.

**\* YOU HAVE A WIDE CHOICE OF BOOK-DIVIDENDS.** The system is simple. With every Club Selection or alternate you buy you receive one Book-Dividend Certificate. This certificate is then exchangeable upon payment of a nominal sum—in most cases only \$1—for one of the Book-Dividends. You make your choice from a Book-Dividend Catalog (revised several times a year). More than a hundred different volumes are at present available, and others are constantly being added; nearly every month a new one is announced. Members are free to choose among them, getting as many as their purchases permit.

**\* A SAVING OF \$78 ON THE SET**  
... a percentage of saving not unusual on all sets available through the Club's new Book-Dividend plan

Please enroll me as a member of the Book-of-the-Month Club and send me the eight-volume *Story of Civilization* (publisher's retail prices total \$86), billing me only \$8. I agree to purchase at least four monthly Selections—or alternates—during the first year I am a member. Members' prices for these books average 20% less than the publishers' retail prices. I have the right to cancel my membership any time after buying these four books. During the trial and thereafter, if I continue, I am to receive a Book-Dividend Certificate with every Selection—or alternate—I buy. Each certificate together with a nominal sum—usually \$1.00—can be redeemed for a Book-Dividend which I may choose from a wide variety always available. **PLEASE NOTE:** Occasionally the Club will offer two or more books together at a special combined price. (Such purchases are counted as a single book in fulfilling the membership obligation.) A small charge is added to all book shipments to cover postage and mailing expense.
